SIR,—

Ngaruawahia, 3rd August, 1864.

I have the honor to request you may be pleased to take into consideration a request I make to have allotment No. 32 reserved from public auction. I shall be happy to purchase this allotment at whatever price may be considered fair.

As a reason for making this request, I beg to state that I have been quartered at Ngaruawahia since the commencement of the present year, and that in accordance with a general order I have built a house on allotment No. 32, which was commenced before the allotments were marked off by the Surveyors.

I have, &c.,

The Hon. T. Russell,
Minister for Colonial Defence, Auckland.

M. ROCKE, Major, 18th Royal Irish.
