

REPORTS ON MAORI PRISONERS.

E.—No. 1.

Daily Reports on Maori Prisoners (Continued.)

"Marion" Hulk, and North Shore.] July 16th, 1864. [T. A. WHITE.				
No. Sick.	Nature of Disease.	General Conduct.	Com-plaints.	Remarks.
3 1 1 7 1 3 16	Debility. Abscess. Scrofula. Wounded. Diarrhœa. Itch.			Same as last report. The prisoners seem to be improving, and appear cheerful and grateful. Provisions and water good. Decks clean, and properly attended to.
"Marion" Hulk, and North Shore.] July 17th, 1864. [T. A. WHITE.				
3 3 1 5 12	Debility. Abscess. Scrofula. Wounded. Diarrhœa. Itch.			Went across to the North Shore, and divine service was performed. All patients under treatment doing well. Prisoners satisfied and comfortable. Provisions and water regularly brought on board, and of good quality. Decks clean, and kept dry.
"Marion" Hulk, and North Shore.] July 18th, 1864. [T. A. WHITE.				
3 3 1 5 12	Debility. Abscess. Scrofula. Wounded. Diarrhœa. Itch.			Very little change since last report. Everybody on board seems to enjoy comfort, and the sick appear to be favourably progressing. The men on the North Shore are also doing well. Decks clean, and regularly attended to.
"Marion" Hulk, and North Shore.] July 19th, 1864. [T. A. WHITE.				
3 3 1 5 12	Debility. Abscess. Scrofula. Wounded. Diarrhœa. Itch.			Nothing remarkable has transpired since last report. All the prisoners appear lively and comfortable. The water coming through the new pipes lately laid down has not been very clear. Provisions good. Decks clean, and daily attended to.
"Marion" Hulk, and North Shore.] July 20th, 1864. [T. A. WHITE.				
3 3 1 5 12	Debility. Abscess. Scrofula. Wounded. Diarrhœa. Itch.	Quiet and well-behaved.		The patients in hospital doing remarkably well. Prisoners on the North Shore also getting on favourably. Decks clean, and daily scrubbed dry. Provisions good; water still very muddy and dirty. Prisoners well-behaved.
