

REPORTS ON MAORI PRISONERS.

Daily Reports on Maori Prisoners (Continued.)

"Marion" Hulk, and North Shore.]			June 19th, 1864.	[T. A. WHITE.]
No. Sick.	Nature of Disease.	General Conduct.	Com-plaints.	Remarks.
3 1 1 12 1	Debility. Abscess. Scrofula. Wounded. Inflammation.	Quiet and well-behaved.		Went to the North Shore; all doing well, with the exception of Horiata Taitaia, a very old man, who appears failing in flesh and strength. The patients on board are getting on nicely; Rangitakinga especially seems to be steadily though gradually improving. Divine service performed at the North Shore and at the Hulk. Ship clean. Prisoners well behaved and satisfied. The clothing was served out to the prisoners yesterday.

"Marion" Hulk, and North Shore.]			June 21st, 1864.	[T. A. WHITE.]
3 1 1 12 1	Debility. Abscess. Scrofula. Wounded. Inflammation.	Quiet and Orderly		Karaka Tuaraiti, who has been for some time suffering from pulmonary affection, expired this morning at 6.30, after rupturing a blood-vessel. Other patients (with the exception of Rangitakinga, who suddenly got worse, and in consequence was removed to the North Shore), doing well. No other change. Provisions and water good. Decks clean. Prisoners comfortable and orderly. The house on the North Shore properly attended to, and the patients there doing well.

"Marion" Hulk, and North Shore.]			June 22nd, 1864.	[T. A. WHITE.]
3 1 1 12 1	Debility. Abscess. Scrofula. Wounded. Inflammation.	Good		Rangitakinga seems very little better this morning, and expresses great satisfaction at being brought on shore. Other patients on the North Shore doing well. The prisoners on board also progressing favourably. Horiata Taitaia, who has been very weakly and consumptive, says he is getting stronger, and can eat his meals with relish; he is being allowed wine, cod liver oil, and beef tea. Provisions and water good, and regularly supplied. Prisoners orderly, and decks clean.
