	<u> </u>	_	<u> </u>	<u> </u>	_=	
Dysentery	3	2	3		2	The past month has been a very healthy one
Boils	3	1	3	•••	$\frac{1}{1}$	and all arrangements on board were effected in comfortable and satisfactory manner. There are
Scrofula Cough	$\frac{1}{3}$	···· 2	3	• • • •	\cdot $\frac{1}{2}$	yet several weak men who require, and are bein
tch	6	·	6.		• •••	given, wine and other nourishment. Panapa ha
Constipation	3		3	•••		suffered from great mental depression, and seem
Wounded		1	•••	•••	$\frac{1}{1}$	predisposed to break down under it. The shi has been twice fumigated during the month, an
Operation		.		•••	.ц	the decks are daily attended to, and sprinkle
	1		1		ı	with chloride of lime. Provisions and water good
			10			- and regularly supplied. Prisoners comfortable
	19	7	18		8	and satisfied.
" Marion," Hul	lk.]		Comme	ncing 1s	st and e	nding 31st May, 1864. [T. A. WHITE.
Demontone	6>	6	5	1	2	There has been one death during the month
Dysentery Abscess	2	6	5		$\frac{7}{2}$	occurring in a very old and consumptive patien
ough	2		2			The result of the post mortem proved that the
crofula	1		•••	1		man had for a considerable time suffered from
Vounded Operation	1	11	2	•••	12	disease of lungs, and that recovery was beyon hope. The wounded prisoners who arrived since
onstipation	1	$\frac{1}{2}$	-		2	last report were at first accommodated on board
onstrpuorez						but, owing to other sanitary reasons, they were
						a few days ago, removed to the North Shore
					1	where they are doing well. One operation was performed a few weeks since (extraction of
		} 				bullet from one of the testes), and the result ha
					İ	been favourable. Other cases under treatmen
	1				1	doing well. The prisoners were all taken of shore on the 28th, and the ship fumigated durin
	1	ł			1	shore on the zoon, and the sing funigated during
						their absence. Decks clean, and daily sprinkle
	8	26	14	2	18	their absence. Decks clean, and daily sprinkle with chloride of lime.
