"Marion" Hulk.] May 5th, 1864. [S. SAM.		
2 1 1 1 1	Dysent. Chron. Abscess. Scrofula. Catarrh Ac. Vulnus Sclop. Operatio.	Panapa and Riminu taken on shore yesterday, as they were getting low, and it was feared that they would soon sink. Other patients doing well. Decks regularly attended to. Provisions and water good.
6		
"Marion" Hulk.] May 6th, 1864. [S. SAM.		
2 1 1 1 1	Dysent. Chron. Abscess. Scrofula. Catarrh Ac. Vulnus Sclop. Operatio.	Nothing remarkable since yesterday. The ship was fumigated yesterday morning with oxide of manganese, salt, and sulphuric acid. Provisions and water good, and regularly supplied. Prisoners well behaved and orderly.
6		
"Marion" Hulk.] May 7th, 1864. [S. SAM.		
2 1 1 1	Dysent. Chron. Abscess. Scrofula. Catarrh Ac. Vulnus Sclop. Operatio.	During the week the prisoners have not suffered much sickness. Every patient under treatment has done remarkably well. The decks are regularly cleaned, and daily sprinkled with chloride of lime. Provisions and water good. Men well behaved, and very comfortable.
