McLoughlin      | 6 Jan., 1855         | ditto                                        | 54                                                 | 0 0   | ...                                                                    | ditto                                                                                                                        | ditto                                                                                                                                                                                                                        | ditto                                                                                 | ditto                                                                                                   | 6 Jan., 1855                                            | 11 4             |

<sup>a</sup> Formerly Assistant Engineer.  
<sup>b</sup> Two Boatmen employed at £84 per annum each. I beg to state that a house is required at Mount Mongonui, for Pilot Station, as there is no position that will suit so well.  
<sup>c</sup> These fees are since 1st, June 1866, ordered to be paid to Collector of Customs.  
<sup>d</sup> Sir George Grey appointed me verbally Pilot in 1846, and Governor Wynyard again in 1852; but I have been really Pilot here since January, 1840, but I have only received my salary since 1857.  
<sup>e</sup> It was understood that houses were to be allowed for everyone in this department, but they have not yet been provided, nor has any allowance been made.  
<sup>f</sup> Served a few months in the steamer "Avon," on the Waikato River, but as he cannot recollect dates it is not included above.  
<sup>g</sup> Samuel Brown was appointed as Head Nurse on 16th July, 1860, and acted in that capacity till his appointment as Head Nurse, on 1st January, 1863.
