a Formerly Assistant Engineer.
b Two Boatmen employed at £84 per annum each. I beg to state that a house is required at Mount Mongonui, for Pilot Station, as there is no position that will suit so well.
c These fees are since 1st, June 1866, ordered to be paid to Collector of Customs.
d Sir George Grey appointed me verbally Pilot in 1846, and Governor Wynyard again in 1852; but I have been really Pilot here since January, 1840, but I have only received my salary since 1857.
e It was understood that houses were to be allowed for everyone in this department, but they have not yet been provided, nor has any allowance been made.
f Served a few months in the steamer "Avon," on the Waikato River, but as he cannot recollect dates it is not included above.
g Samuel Brown was appointed as Head Nurse on 16th July, 1860, and acted in that capacity till his appointment as Head Nurse, on 1st January, 1863.

The salaries, as shown in the Return of Commissioner of Police, are in accordance with the Appropriation Act for the present year. There is also a fund in connection with the force into which all sums received for the apprehension of deserters from the Army, and runaway sailors from the Navy, are put. These amounts are divided annually among the Sergeants and Constables: they are of a very uncertain character, and will, it is presumed, be very small for the year 1866.
