| Ellesmere    | 28  |                                                       | Taumutu        | 128 0 0            | NOTE.—Of the 1000 acres awarded by the Court to the Natives of Kaipoi, 450 acres are in return for lands apportioned out of the Kaipoi estate to Natives for whom other lands had been set apart at Rapaki, Wairewa, Port Levy, and other places. Of the remaining 550 acres, 200 acres are intended as a provision for a few Natives (about 20 in number) residing at Kaipoi, for whom no land had been set apart. The other places included in the award are intended as fishery easements, in fulfilment of the engagements to the Natives, included in the phrase <i>Mahinga Kai</i> , used in the Ngaitahu Deed. | Do.                                                                                                                                                                   | Pohau,<br>Hoani Timaru,<br>Irai Tihau.                                                                                                              |
| Little River | 29  | Do. Do.                                               | Taumutu        | 100 0 0            | Bounded on the westward by the eastern boundary of Section 10480, and a line in continuation thereof; on the eastward by the Lake road; on the southward by the road forming the northern boundary of the Native Reserve.                                                                                                                                                                                                                                                                                                                                                                                             | Do.                                                                                                                                                                   |                                                                                                                                                     |
