

APPENDIX.

SCHEDULE I.

Friendly Societies.

(Pursuant to "The Friendly Societies Act, 1877.")

ABSTRACT of the Society's experience of health, sickness and mortality for the five years ending 31st day of December, 1877. Society established in the year and situated at . (Full particulars respecting any person who has been a member during any portion of the year are to be entered, whether he have received alimient during the year or not.)	Remarks:
Members— Name : If married, and wife registered, M to be inserted in this column : Occupation or trade : Country and date of birth : Date of admission into the society : Age at time of admission : Date of becoming a free member : The whole number of days during each year for which the member has received alimient in sickness (sick pay) :	(Signature.) (Address by post.) 1. When any particular case of sickness may have commenced in one year, and continued to the following year, care must be taken to ascribe the proper quantity of sickness to each year. 2. In filling up the columns of sickness, Sundays are meant to be included. If it should be more convenient to exclude them, state you have done so. 3. If the member's correct date of birth, and also his age at admission into the society, be known, it will be entered as such; if not, his present age, his age at death or expulsion, as the case may be, must be guessed at or approximated to by the person who fills up the Schedule, and also by any other person who may know the member in question, and inserted in the column headed "Remarks." The age on the succeeding birthday should be taken, if not otherwise expressed. 4. The column of deaths, as well as the column of members who have been expelled or who have left the society, must be filled up with equal care. 5. If it should happen that the information given respecting any particular member stands in need of any explanation, such is to be given in the column headed "Remarks." 6. It is also to be kept in view that when a member's death is recorded, it should be stated, in the column headed "Cause of Death according to the Medical Certificate," for what period he was ill in the attack of sickness immediately preceding his death.
Death— Date of : Age at : Cause of, as stated in medical certificate : Period sick before death (weeks and days) : Date at which the member ceased to belong to the society, whether from arrears of contribution, from expulsion, or from any other cause except death, stating the cause : Number of attacks of illness : Present age : Deaths of registered wives— Date of :
