

with respect to every applicant from that district. From Wanganui, however (we believe from no fault of the officer recently placed in command), we could obtain no information, for the Volunteer rolls could not be found, and there appeared to be no records of any kind in the office.

We attach to this report two schedules, one containing the names of those applicants whose claims we are able to recommend for favourable consideration, and the other comprising all those we have judged to be inadmissible.

All which we respectfully submit for your Excellency's consideration.

Given under our hands and seals, at Wellington, this 13th day of June, 1882.

T. M. HAULTAIN, Chairman.
