* As this lodge had a very large management fund (about £2,000), this deficiency may be treated as merely nominal.

actuarially solvent. There is reason to believe that this assumption is not, as a matter of fact, realized; but it is impossible to ascertain how far the funeral fund falls short of solvency until all the other Courts of the District come to be valued.

‡ Freehold property, now worth £4,000, granted to the Court by Provincial Government.
