

## No. 14.

The AGENT-GENERAL to the Hon. MINISTER for IMMIGRATION.

SIR,—

7, Westminster Chambers, London, 7th April, 1886.

It being necessary, under the system about to be established in the case of small farmers receiving assisted passages, to arrange temporarily a plan for the deposit of money by such persons in this country, to be returned to them in the Colony. I propose to issue for the present, in any cases of the kind, a memorandum to each person in the terms of the enclosed form, certifying that A.B., on his arrival at a given port and production of his memorandum, to the Immigration Officer there and signing it in the presence of that officer, will receive instructions as to where he will receive payment personally of the sum which he had deposited here. This being done, a memorandum will then be also sent to the Colonial Treasurer, certifying, in the form of which I also enclose copy, that the person in question is entitled to receive the amount named.

I should be much obliged if you would cause instructions to be given accordingly to your Officers at the four principal ports.

The Hon. the Minister for Immigration, Wellington.

I have, &c.,  
F. D. BELL.
