Gibson 7th December 1876

To Capt. Hale.

Renua Hawepo and the others were
 " Solicitors that I should order a Memorial of Owhaoko for the
 " Block of land called Owhaoko 136,000 acres, where perhaps the
 " Court has a 8 month. No question as to ownership. The survey
 " as I believe is correct but requires to be tried together by
 " stations. I cannot make the order under the circumstances
 " except by your advice.
