

1886.
NEW ZEALAND.

POSITION OF NATIVE RESERVES

(RETURNS SHOWING).

Return to an Order of the House of Representatives, dated 16th July, 1885.

Ordered, "That there be laid before this House a return giving the names of all the Commissioners of Native Reserves, with a report from each, showing the position of all Native reserves in the colony, and also showing any reserves set apart under the various Native Reserves Acts; if they have been sold, and, if so, to whom, and under what arrangements, and for what price per acre, and where such reserves are situated."—(MR. LOCKE.)

RETURN showing the NAMES of all the COMMISSIONERS of NATIVE RESERVES.

Nil.

NOTE.—Previous to the death of Major Heaphy there were three Commissioners of Native Reserves—viz., Major Heaphy, Major Parris for the North Island, and Mr. Alexander Mackay for the South Island. Upon the happening of that event, Mr. Mackay was appointed sole Commissioner for the colony, which position he occupied until his appointment as Judge of the Native Lands Court on 1st January last, when he resigned the Commissionership of Native Reserves. The administration of such of the Native reserves as fell within the definition of the Act next hereinafter referred to was transferred from the Commissioner of Native Reserves to the Public Trustee by "The Native Reserves Act, 1882," and, since 1st January, 1883, the Public Trustee has been the responsible officer. There are, however, a number of reserves which do not fall under such definition, as to which the Public Trustee has no knowledge.

The annexed return shows the present position of all Native reserves on the books of the Public Trust Office, and also, if any are sold, to whom.—R. C. HAMERTON, Public Trustee.

4th August, 1885.

RETURN of all NATIVE RESERVES administered by the PUBLIC TRUSTEE under "The Native Reserves Act, 1882."
