REPORTS AND ACCOUNTS OF SCHOOL COMMISSIONERS

AUCKLAND

School Commissioners' Office, Auckland, 31st March, 1895. SIR.

I have the honour to report as follows upon the proceedings of the School Commissioners

for the year 1894:-

The reserves let comprise—13 sections of town and suburban land, 35 acres 3 roods 24 perches, yielding per annum £30 16s. 3d., 13 sections of country land, 1,605 acres 3 roods 24 perches, yielding per annum £48 16s. In addition to these, two leases were granted of land previously let, at an increase on the old rental per annum of £32 8s. 4d. thus the gross increase of income during the year was £112 0s. 7d. Rents continue to be fairly paid up, notwithstanding the continued depression in farming interests.

The balance of £235 10s. 10d. at the end of the year was made up as follows Primary-reserves revenues, £102 19s. 9d., secondary-reserves revenues, £99 16s. 5d., deposits, £32 14s. 8d.

total, £235 10s. 10d.

The Commissioners have to report with deep regret the death of two of their number since the close of the year—viz., that of Mr James Dilworth, the senior member of the Board, who had acted since the first appointment of Commissioners in 1878, and that of Mr William Pollock Moat, who had held the office of Chairman for many years. Both gentlemen rendered valuable assistance to the public, and their loss will be much felt, especially by their colleagues, who now desire to place upon record their appreciation of the value of those services.

The Hon. the Minister of Education, Wellington.

I have, &c., Thomas Thompson, Acting Chairman.
