Letters put in by Mr. G. Hutchison.

DEAR SIR,—

Wellington, 10th May, 1895.

I have to bring under your notice the fact that quantities of goods supplied under contract to the Public Works Department are being deliberately misstated, and that that department is, in consequence, being charged for quantities of goods which were never delivered.

I have now been aware of this for some time past, but have been unable to determine what my duty was under the circumstances.

I have now decided that, unless the practice is at once discontinued, I shall approach the Hon. the Minister for Public Works and place before him evidence in my possession which I venture to think he will consider conclusive.

I have, &c.,

A. W. Gellatly, Esq.,

JAMES H. JENKINS.

Messrs. Briscoe, MacNeil, and Co.

DEAR SIR,—

Wellington, 11th May, 1895.

I have to acknowledge receipt of your communication of the 10th instant.

As I am aware your statement is entirely without foundation I shall inquire into the matter.

Yours, &c.,

James H. Jenkins, Esq.

A. W. GELLATLY.

Letter put in by Mr. Skerrett.
