## REPORTS AND ACCOUNTS OF SCHOOL COMMISSIONERS.

## AUCKLAND.

Sir,— School Commissioners' Office, Auckland, 8th April, 1896.

I have the honour to forward the statement of the accounts of the School Commissioners for the year 1895, and to report as follows upon the work of the year:—

The reserves let comprise—15 sections of town and suburban land, 29 acres 3 roods 26 perches, yielding per year £17 10s.; 26 sections of country land, 3,111 acres 3 roods 38 perches, yielding per year £202 19s. 2d.

Several exchanges of reserves for Crown lands have been made in cases where the former have

been required for public purposes.

The purchase of a valuable property at Ellerslie has been effected with money accrued for investment in that direction. The land has been subdivided into suitable allotments, most of which have been let since the close of the year at satisfactory prices.

The balance of £216 5s. 3d. at the end of the year was made up as follows: Primary-reserves

revenues, £78 18s. 8d.; secondary-reserves revenues, £94 19s. 11d.; deposits, £42 6s. 8d.

I have, &c.,

The Hon. The Minister of Education, Wellington.
