Native Land Purchase Office,
Wellington, 31st August, 1897.

P. SHERIDAN,
Officer in Charge.

REPORT on the CONDITION and SETTLEMENT of all LANDS acquired under “The Native Land Purchases Act, 1892.”

THE lands finally acquired north of Auckland are, speaking generally, all suitable for settlement, and their value will be considerably enhanced by the completion, during the ensuing year, of the purchase of the bulk of the other lands shown in Part II. as partially acquired.

In the Thames and Coromandel Peninsula, the lands dealt with during the year are all more or less auriferous, and their value is, from both a mining and settlement point of view, considerable.

The purchases in the Rotorua and Bay of Plenty districts must necessarily increase the tourist traffic.

The King-country purchases have a special value for settlement purposes in consequence of their proximity to the North Island Main Trunk Railway line, and the generally good quality of the land.

The bulk of the lands finally and partially acquired in the Hawke's Bay and Wellington districts are urgently required for settlement, for which purpose they are well adapted.

Lands and Survey Office,
Wellington, 1st July, 1897.

S. PERCY SMITH,
Surveyor-General.
