Examined and found correct, except that the expenditure charged against Vote 102, Class VIII., Public Works Fund, includes payments of the Education Department to the amount of £2,410 13s. 7d. not authorised by "The Appropriation Act, 1898"—namely, (a) a sum of £1,500 being moneys which, having been issued and paid under the authority of section 3 of "The Public Revenues Acts Amendment Act, 1896," in respect of Technical Schools, and included, as the section requires, "in the estimates and for the year or other period in which the same were paid," were not provided for by "The Appropriation Act, 1898"; (b) a sum of £910 13s. 7d., being moneys which were, under the authority of Imprest Supply, expended in respect of Technical Schools, but which were not sanctioned by Parliament in the session in which such Imprest Supply was passed.

J. K. WARBURTON,
