REPORTS

SPECIAL REPORT

I HAVE the honour to report that the Committee to-day unanimously passed the following resolution, and directed that it be reported to the House :—

“ That the Native Affairs Committee record its appreciation of the past services of the Honourable James O'Brien. Mr. O'Brien has served on the Native Affairs Committee, except for a small space, since 1923, and for a third of that period as Chairman.

“ While extending its hearty congratulations to Mr. O'Brien on his elevation to the Cabinet, members regret the consequent loss of his services on the Committee, which, over the years, have been distinguished by his sympathetic understanding of the Maoris and his capable and courteous leadership.”
