Unclassified by districts: Coal-miners (1,900), ships' personnel (1,707), ministers of religion (866), police (720) ..

Grand total of all Grade I men aged 20 to 40 inclusive, and Air Force and Naval volunteers held in industry on 31st March,

Notes. (i) These figures include a small proportion of men (mainly in seasonal industries) held back from overseas service but classed as available for New Zealand service.

(ii) The above figures exclude, however, 939 men who were postponed from service on grounds other than occupational grounds. (Of these, 147 were single men. Of the total, 393 were held on account of E.F.S. duties, while 519 were held on domestic hardship grounds.) They also exclude men postponed temporarily from service.
