ANNEX II. DEFINITION OF MILITARY AND MILITARY AIR TRAINING

(See Article 14)

1. Military training is defined as: the study of and practice in the use of war material specially designed or adapted for army purposes, and training devices relative thereto; the study and carrying out of all drill or movements which teach or practice evolutions performed by fighting forces in battle; and the organised study of tactics, strategy and staff work.

2. Military air training is defined as: the study of and practice in the use of war material specially designed or adapted for air force purposes, and training devices relative thereto; the study and practice of all specialised evolutions, including formation flying, performed by aircraft in the accomplishment of an air force mission; and the organised study of air tactics, strategy and staff work.
