

(b) a navy with a personnel strength of 4,500 and a total tonnage of 10,000 tons;

(c) An air force, including any naval air arm, of 60 aircraft, including reserves, with a total personnel strength of 3,000. Finland shall not possess or acquire any aircraft designed primarily as bombers with internal bomb-carrying facilities.

These strengths shall in each case include combat, service and overhead personnel.

ARTICLE 14

The personnel of the Finnish Army, Navy and Air Force in excess of the respective strengths permitted under Article 13 shall be disbanded within six months from the coming into force of the present Treaty.

ARTICLE 15

Personnel not included in the Finnish Army, Navy or Air Force shall not receive any form of military training, naval training or military air training as defined in Annex II.

ARTICLE 16

1. As from the coming into force of the present Treaty, Finland will be invited to join the Barents, Baltic and Black Sea Zone Board of the International Organisation for Mine Clearance of European Waters and shall maintain at the disposal of the Central Mine Clearance Board all Finnish minesweeping forces until the end of the post-war mine clearance period, as determined by the Central Board.

2. During this post-war mine clearance period, Finland may retain additional naval units employed only for the specific purpose of mine-sweeping, over and above the tonnage permitted in Article 13.

Within two months of the end of the said period, such of these vessels as are on loan to the Finnish Navy from other Powers shall be returned to those Powers, and all other additional units shall be disarmed and converted to civilian use.

3. Finland is also authorised to employ 1,500 additional officers and men for minesweeping over and above the numbers permitted in Article 13. Two months after the completion of minesweeping by the Finnish Navy, the excess personnel shall be disbanded or absorbed within the numbers permitted in the said Article.

ARTICLE 17

Finland shall not possess, construct or experiment with any atomic weapon, any self-propelled or guided missiles or apparatus connected with their discharge (other than torpedoes and torpedo launching gear comprising the normal armament of naval vessels permitted by the present Treaty), sea mines or torpedoes of non-contact types actuated by influence mechanisms, torpedoes capable of being manned, submarines or other submersible craft, motor torpedo boats, or specialised types of assault craft.

ARTICLE 18

Finland shall not retain, produce or otherwise acquire, or maintain facilities for the manufacture of, war material in excess of that required for the maintenance of the armed forces permitted under Article 13 of the present Treaty.
