

4. The foregoing provisions concerning the rights in Finland of the Allied and Associated Powers and their nationals shall apply equally to the rights in the territories of the Allied and Associated Powers of Finland and its nationals. Nothing, however, in these provisions shall entitle Finland or its nationals to more favourable treatment in the territory of any of the Allied and Associated Powers than is accorded by such Power in like cases to other United Nations or their nationals, nor shall Finland be thereby required to accord to any of the Allied and Associated Powers or its nationals more favourable treatment than Finland or its nationals receive in the territory of such Power in regard to the matters dealt with in the foregoing provisions.

5. Third parties in the territories of any of the Allied and Associated Powers or Finland who, before the coming into force of the present Treaty, had *bona fide* acquired industrial, literary or artistic property rights conflicting with rights restored under part A of this Annex or with rights obtained with the priority provided thereunder, or had *bona fide* manufactured, published, reproduced, used or sold the subject matter of such rights, shall be permitted, without any liability for infringement, to continue to exercise such rights and to continue or to resume such manufacture, publication, reproduction, use or sale which had been *bona fide* acquired or commenced. In Finland, such permission shall take the form of a non-exclusive licence granted on terms and conditions to be mutually agreed by the parties thereto or, in default of agreement, to be fixed by the Conciliation Commission established under Article 31 of the present Treaty. In the territories of each of the Allied and Associated Powers, however, *bona fide* third parties shall receive such protection as is accorded under similar circumstances to *bona fide* third parties whose rights are in conflict with those of the nationals of other Allied and Associated Powers.

6. Nothing in part A of this Annex shall be construed to entitle Finland or its nationals to any patent or utility model rights in the territory of any of the Allied and Associated Powers with respect to inventions, relating to any article listed by name in Annex III of the present Treaty, made, or upon which applications were filed, by Finland, or any of its nationals, in Finland or in the territory of any other of the Axis Powers, or in any territory occupied by the Axis forces, during the time when such territory was under the control of the forces or authorities of the Axis Powers.

7. Finland shall likewise extend the benefits of the foregoing provisions of this Annex to France, and to other United Nations, which are not Allied or Associated Powers, whose diplomatic relations with Finland have been broken off during the war and which undertake to extend to Finland the benefits accorded to Finland under the said provisions.

8. Nothing in part A of this Annex shall be understood to conflict with Articles 25 and 27 of the present Treaty.

B. INSURANCE

1. No obstacles, other than any applicable to insurers generally, shall be placed in the way of the resumption by insurers who are United Nations nationals of their former portfolios of business.

2. Should an insurer, who is a national of any of the United Nations, wish to resume his professional activities in Finland, and should the value of the guarantee deposits or reserves required to be held as a condition of carrying on business in Finland be found to have decreased as a result of the loss or depreciation of the securities which constituted such deposits or reserves, the Finnish Government undertakes to accept, for a period of eighteen months, such securities as still remain as fulfilling any legal requirements in respect of deposits and reserves.
