

3. The Roumanian Government shall invalidate transfers involving property, rights and interests of any description belonging to United Nations nationals, where such transfers resulted from force or duress exerted by Axis Governments or their agencies during the war.

4. (a) The Roumanian Government shall be responsible for the restoration to complete good order of the property returned to United Nations nationals under paragraph 1 of this Article. In cases where property cannot be returned or where, as a result of the war, a United Nations national has suffered a loss by reason of injury or damage to property in Roumania, he shall receive from the Roumanian Government compensation in lei to the extent of two-thirds of the sum necessary, at the date of payment, to purchase similar property or to make good the loss suffered. In no event shall United Nations nationals receive less favourable treatment with respect to compensation than that accorded to Roumanian nationals.

(b) United Nations nationals who hold, directly or indirectly, ownership interests in corporations or associations which are not United Nations nationals within the meaning of paragraph 9 (a) of this Article, but which have suffered a loss by reason of injury or damage to property in Roumania, shall receive compensation in accordance with sub-paragraph (a) above. This compensation shall be calculated on the basis of the total loss or damage suffered by the corporation or association and shall bear the same proportion to such loss or damage as the beneficial interests of such nationals in the corporation or association bear to the total capital thereof.

(c) Compensation shall be paid free of any levies, taxes or other charges. It shall be freely usable in Roumania but shall be subject to the foreign exchange control regulations which may be in force in Roumania from time to time.

(d) The Roumanian Government shall accord to United Nations nationals the same treatment in the allocation of materials for the repair or rehabilitation of their property in Roumania and in the allocation of foreign exchange for the importation of such materials as applies to Roumanian nationals.

(e) The Roumanian Government shall grant United Nations nationals an indemnity in lei at the same rate as provided in sub-paragraph (a) above to compensate them for the loss or damage due to special measures applied to their property during the war, and which were not applicable to Roumanian property. This sub-paragraph does not apply to a loss of profit.

5. The provisions of paragraph 4 of this Article shall not apply to Roumania in so far as the action which may give rise to a claim for damage to property in Northern Transylvania belonging to the United Nations or their nationals took place during the period when this territory was not subject to Roumanian authority.

6. All reasonable expenses incurred in Roumania in establishing claims, including the assessment of loss or damage, shall be borne by the Roumanian Government.

7. United Nations nationals and their property shall be exempted from any exceptional taxes, levies or imposts imposed on their capital assets in Roumania by the Roumanian Government or any Roumanian authority between the date of the Armistice and the coming into force of the present Treaty for the specific purpose of meeting charges arising out of the war or of meeting the costs of occupying forces or of reparation payable to any of the United Nations. Any sums which have been so paid shall be refunded.

8. The owner of the property concerned and the Roumanian Government may agree upon arrangements in lieu of the provisions of this Article.
