| Repairs to boots and shoes (additional) ..                                                             | (b) 300    |    |   |
|                                                                                                        | 2,800      |    |   |
| Less amount provided on main estimates<br>not required — purchase of clothing<br>(recoverable) .. .. . | 2,800      |    |   |
| <i>Total—Subdivision No. II</i> ..                                                                     |            | .. |   |
| <i>Subdivision No. III.—Stores and Equipment</i>                                                       |            |    |   |
| <i>Charges for and incidental to—</i>                                                                  |            |    |   |
| Purchase of—                                                                                           |            |    |   |
| Motor-vehicles .. .. .                                                                                 | (c) 10,000 |    |   |
| Plant, stores, and equipment (electrical<br>and radio) .. .. .                                         | (d) 5,000  |    |   |
|                                                                                                        | 15,000     |    |   |
| Less amounts provided on main estimates<br>not required—                                               | £          |    |   |
| Fuel, aviation .. .. .                                                                                 | 12,400     |    |   |
| Wireless spares .. .. .                                                                                | 2,600      |    |   |
|                                                                                                        | 15,000     |    |   |
| <i>Total—Subdivision No. III</i>                                                                       |            | .. |   |

(a) £4,000 provided on main estimates. Additional provision required for purchase of mosquito-proof ankle boots for Pacific Area, £1,500, also further £1,000 to meet expenditure underestimated.

(b) Underestimated. £200 provided on main estimates.

(c) Many R.N.Z.A.F. motor-vehicles have reached an advanced stage of deterioration, and it is proposed to effect a gradual replacement each year.

(d) Provision for radio teleprinter equipment, £3,000; electrical standby plant, £240; wireless spares, £1,760.
