

(b) Each contracting party shall maintain, or institute as soon as practicable, judicial, arbitral, or administrative tribunals or procedures for the purpose, *inter alia* of the prompt review and correction of administrative action relating to Customs matters. Such tribunals or procedures shall be independent of the agencies entrusted with administrative enforcement and their decisions shall be implemented by, and shall govern the practice of, such agencies unless an appeal is lodged with a Court or tribunal of superior jurisdiction within the time prescribed for appeals to be lodged by importers: Provided that the central administration of such agency may take steps to obtain a review of the matter in another proceeding if there is good cause to believe that the decision is inconsistent with established principles of law or the actual facts.

(c) The provisions of subparagraph (b) of this paragraph shall not require the elimination or substitution of procedures in force in the territory of a contracting party on the date of this Agreement which in fact provide for an objective and impartial review of administrative action even though such procedures are not fully or formally independent of the agencies entrusted with administrative enforcement. Any contracting party employing such procedures shall, upon request, furnish the CONTRACTING PARTIES with full information thereon in order that they may determine whether such procedures conform to the requirements of this subparagraph.
