

ANNEX X. ECONOMIC AND FINANCIAL PROVISIONS RELATING TO THE FREE TERRITORY OF TRIESTE

1. The Free Territory of Trieste shall receive, without payment, Italian State and para-statal property within the Free Territory.

The following are considered as State or para-statal property for the purposes of this Annex: movable and immovable property of the Italian State, of local authorities and of public institutions and publicly owned companies and associations, as well as movable and immovable property formerly belonging to the Fascist Party or its auxiliary organizations.

2. All transfers effected after September 3, 1943, of Italian State and para-statal property as defined in paragraph 1 above shall be deemed null and void. This provision shall not, however, extend to lawful acts relating to current operations of State and para-statal agencies in so far as they concern the sale, within normal limits, of goods ordinarily produced by them or sold in the execution of normal commercial arrangements or in the normal course of governmental administrative activities.

3. Submarine cables owned by the Italian State or by Italian para-statal organisations shall fall within the provisions of paragraph 1 so far as concerns terminal facilities and the lengths of cables lying within territorial waters of the Free Territory.

4. Italy shall hand over to the Free Territory all relevant archives and documents of an administrative character or historical value concerning the Free Territory or relating to property transferred under paragraph 1 of this Annex. The Free Territory shall hand over to Yugoslavia all documents of the same character relating to territory ceded to Yugoslavia under the present Treaty, and to Italy all documents of the same character which may be in the Free Territory and which relate to Italian territory.

Yugoslavia declares herself ready to hand over to the Free Territory all archives and documents of an administrative character concerning and required exclusively for the administration of the Free Territory, which are of a kind which were usually held before September 3, 1943, by the local authorities having jurisdiction over what now forms part of the Free Territory.

5. The Free Territory shall be exempt from the payment of the Italian public debt, but shall assume the obligations of the Italian State towards holders who continue to reside in the Free Territory, or who, being juridical persons, retain their *siège social* or principal place of business there, in so far as these obligations correspond to that portion of this debt which has been issued prior to June 10, 1940, and is attributable to public works and civil administrative services of benefit to the said Territory but not attributable directly or indirectly to military purposes.

Full proof of the source of such holdings may be required from the holders.

Italy and the Free Territory shall conclude arrangements to determine the portion of the Italian public debt referred to in this paragraph and the methods for giving effect to these provisions.

6. The future status of external obligations secured by charges upon the property or revenues of the Free Territory shall be governed by further agreements between the parties concerned.

7. Special arrangements shall be concluded between Italy and the Free Territory to govern the conditions under which the obligations of Italian public or private social insurance organizations towards the inhabitants of the Free Territory, and a proportionate part of the reserves accumulated by the said organizations shall be transferred to similar organizations in the Free Territory.
