• £10,000 estimated for year ended 31st March, 1947, but not expended.

† These are mainly in respect of hospital benefits. 
‡ Prior to 1st April, 1945, these recoveries were treated as credits in reduction of expenditure. For 1945–46 they are included in Miscellaneous Receipts, Social Scenrity Fund. This should be taken into account when comparing published figures relating to Social Security Fund expenditure.
