

ADDENDUM

SINCE this report, which quotes verbatim in Chapter 3 the preliminary report of the Montreal Conference, was laid before Parliament the published version of the latter report has been received and the following significant amendments to Chapter 3 of this report should be noted. Nevertheless, while statistical discrepancies between the original and published versions of the Conference report confirm the inaccuracy of the statistical work as commented upon by the delegation, they do not invalidate any of the delegation's conclusions.

Page	Para.	
11	4	<i>For "twenty-one Governments" read "twenty Governments."</i> <i>For "ten Governments" read "nine Governments."</i>
14	20	<i>For "produced 44 per cent." read "produced 46 per cent."</i> <i>For "world output" read "world output, excluding U.S.S.R."</i> <i>For "consumes 71 per cent." read "consumes 70 per cent."</i> <i>For "from 50 per cent." read "from 49 per cent."</i> <i>For "to 27 per cent." read "to 29 per cent."</i>
