

(c) The order in which transactions and parts of transactions shall be entered in the Council's records against the guaranteed quantities shall be prescribed by the Council in its rules of procedure.

(d) The Council shall, within a time to be prescribed in its rules of procedure, notify each exporting country and each importing country of the entry of any transaction or part of a transaction in the Council's records against the guaranteed quantities of that country.

(e) If, within a period which the Council shall prescribe in its rules of procedure, the importing country or the exporting country concerned objects in any respect to the entry of a transaction or part of a transaction in the Council's records against its guaranteed quantities, the Council shall review the matter and, if it decides that the objection is well-founded, shall amend its records accordingly.

(f) If any exporting or importing country considers it probable that the full amount of wheat already entered in the Council's records against its guaranteed quantity for the current crop-year will not be loaded within that crop-year, that country may request the Council to make appropriate reductions in the amounts entered in its records. The Council shall consider the matter and, if it decides that the request is justified, shall amend its records accordingly.

(g) Any wheat purchased by an importing country from an exporting country and resold to another importing country may, by agreement of the importing countries concerned, be entered against the unfulfilled guaranteed purchases of the importing country to which the wheat is finally resold provided that a corresponding reduction is made in the amount entered against the guaranteed purchases of the first importing country.

(h) The Council shall send to all exporting and importing countries, weekly or at such other interval as the Council may prescribe in its rules of procedure, a statement of the amounts entered in its records against guaranteed quantities.

(i) The Council shall notify all exporting and importing countries immediately when the guaranteed quantity of any exporting or importing country for any crop-year has been fulfilled.

6. Each exporting country and each importing country may be permitted, in the fulfillment of its guaranteed quantities, a degree of tolerance to be prescribed by the Council for that country on the basis of the size of its guaranteed quantities and other relevant factors.
