J. K. WARBURTON,
Controller and Auditor-General.

REPORT on the CONDITION and SETTLEMENT of all LANDS acquired under "The Native Land
Purchases Act, 1892."

A CONSIDERABLE portion of the lands finally acquired during the year is well adapted for settlement, and much of it is already under survey for that purpose. The remainder has a value either on account of the natural mineral springs and thermal waters, as closing up gaps in Crown lands, or from the mining and pastoral point of view.
