Commissioners' office staff, £41 5s. 6d.; deposited on account of valuation expenses, £6 1s. 7d.; insurance premiums collected from tenants, £2 4s. 6d.; and office rent, £10"; and should be deducted from the amount of expenses of management.

The following amounts also go to swell the total expenses of management—viz., £96 13s. 9d., river protection, drainage, and road-making; and £86 10s. 9d. for train-fares, stamps, and telegrams returned to the Government, of which £41 18s. 7d. represents the Commissioners' trainfares in connection with their attendance at meetings at Dunedia. By deducting the foregoing figures, it will be seen that the actual cost of management was £1,110 14s. 7d., or about £5 9s. 4d. per cent. on the money collected during the year.

I have, &c.,

ALFRED BALDEY, Acting-Chairman.

The Hon. the Minister of Education, Wellington.
