11	Nelson ..	From the local authorities and others, stating that at a public meeting held in the Town Hall, Havelock, on the 9th July, 1902, the following resolution was passed: "That this Board (Town) strongly and emphatically protests against the inclusion of Havelock with the Nelson Electorate, with which they have no community of interest, either socially or commercially, and that such inclusion would practically disfranchise the residents of Havelock." At that meeting it was resolved that copies of the resolution should be sent to the Acting-Premier, Hon. C. H. Mills, and the Boundaries Commissioners. The meeting resolved that Mr. Erskine should, with their leave, wait upon the Commission in reference to the above on the 7th August, 1902. From the electors residing on the Starborough Estate, Awatere, drawing attention to the proposed boundary between Wairau and Hurunui Electorates, and also praying that they be included in the Wairau Electorate, and also suggesting the following boundary: On the south along the main road from Lake Grassmere to the Flaxbourne River, and thence along that river westward	R. M. Roberts and 14 others	July 29..	Petitioners included Wairau.
