### 1. Report of the Governors.

The work of the school for the year ending the 31st December, 1905, has been satisfactory. In December it was examined by the Chief Inspector of the Wanganui Education Board, and his report was considered by the Board to be satisfactory. The roll-number remains about the same—viz., ninety-five boys and fifty-four girls. Of these twenty-one pay fees, and eleven have been admitted by the Board without charge though not earning capitation.

In December the Board determined to appoint an art master, and Mr. G. H. Elliott, of

Christchurch, has since been appointed to the position.

A considerable sum of money has been spent on the school grounds in improvements, but a great deal more will be required before the grounds can be made really serviceable for the scholars.

The property has been handed over by the Wanganui Education Board, and it is now vested in the Board of Governors.

During the year the following honours have been gained by the school: Matriculation, 2; Senior Civil Service, 1; Junior Civil Service, 5; Pupil-teachers' Entrance, 6; Education Board's Scholarship, 1; Medical Preliminary, 1.
