GOVERNMENT RAILWAYS SUPERANNUATION FUND:

REPORT OF BOARD.

Laid before Parliament in pursuance of Section 25 of "The Government Railways Superannuation Fund Act, 1902."

IN accordance with section 25 of "The Government Railways Superannuation Fund Act, 1902," the Board has the honour to transmit for the information of Parliament its report and balance-sheet for the year ending 31st March, 1907.

The balance-sheet shows that members contributed £43,933 17s. 5d. to the Fund during the year; fines amounted to £310 17s. 6d., and interest to £4,602 10s. 2d. These amounts, together with the sum of £90,984 11s. 10d. brought forward from last year, bring out the aggregate sum of £139,831 16s. 11d. shown on the Dr. side of the balance-sheet.

The superannuation allowances paid during the year amounted to £22,379 11s. 10d., representing grants to 412 members of the railway service who have either voluntarily resigned or been retired as medically unfit. Allowances amounting to £3,069 17s. 11d. were paid in respect to 86 widows and 145 children, dependants of deceased members of the service who had not retired on superannuation at the time of their death, and refunds amounting to £155 0s. 2d. were paid to the legal representatives of deceased members under section 20, subsection 3, of the Act.

A sum of £2,621 5s. 4d., representing contributions of members of the service who voluntarily retired or whose services were otherwise dispensed with during the year, was refunded to members concerned, in accordance with the provisions of the Act. Fines remitted and refunded to members amounted to £2 15s., travelling-expenses of members of the Board to £68 6s. 6d., and commission paid to Public Trust Office to £426 10s. 3d. Payment under section 16 (6) of the Act and costs and interest incurred in connection with test case brought to determine the right of widows to receive payment of compensation in respect to husbands who were contributors to the fund but who had died before coming on the fund amounted to £371 17s. 8d., making the total disbursements for the year £29,095 4s. 8d., and leaving a balance of £110,736 12s. 3d. to the credit of the Fund on the 31st March, 1907.

The following show the balances brought forward at the end of each year, and also the annual value of the allowances actually granted by the Board in each year.

Allowances to 91 widows and 172 children	3,880	2	10

Total annual allowances granted ...	...	...	£31,277 10 10
-------------------------------------	-----	-----	---------------

Fifty-one beneficiaries have, however, died since the inauguration of the Fund, including nineteen during the year under review, and six members who had been placed on the Fund as "medically unfit" resumed duty. The Fund was relieved of an annual liability of £3,523 2s. 4d. in respect to these fifty-seven members. Thirty-six children have reached the age of fourteen years—fourteen during the past year—one child has died, and five widows remarried, lessening the liability of the Fund by an additional £572 6s. 5d. per annum. Six hundred and ten persons were actually on the Fund at the 31st March, 1907, involving an annual liability of £27,182 2s. 1d.

A friendly suit to determine the position and rights of widows to receive compensation under section 16, subsection (6) of the Act, in cases where their husbands who were contributors to the fund died before becoming entitled to come on the fund, was taken to the Supreme Court, Wellington, by agreement between the parties concerned. The case was subsequently taken by the Board to the Court of Appeal, which upheld the decision of the Court below and gave judgment in favour of plaintiff as against the Board.
