THE UREWERA DISTRICT NATIVE RESERVE:

REPORTS OF THE COMMISSIONERS APPOINTED UNDER SECTION 10 OF "THE UREWERA DISTRICT NATIVE RESERVE ACT, 1896," AND ORDER MADE THEREON BY THE MINISTER OF NATIVE AFFAIRS.

Laid on the Table of the House of Representatives in compliance with a promise made to Mr. Herries, M.H.R.

REPORT.

REPORT of the UREWERA DISTRICT NATIVE RESERVE COMMISSIONERS to the Hon. JAMES CARROLL, Minister of Native Affairs, upon the 173 Appeals referred to them for Inquiry and Report as per Notice published in the *New Zealand Gazette* dated the 15th Day of November, 1906, under the Provisions of Section 10 of "The Urewera District Native Reserve Act, 1896."

SIR,—

As the Commissioners appointed by you, under the provisions of section 10 of "The Urewera District Native Reserve Act, 1896," to conduct the expert inquiry directed by you to be held into the several appeals, numbered respectively from 1 to 172, as published in the *New Zealand Gazette* dated the 15th day of November, 1906, and to report to you thereon for your consideration and decision as in the said section 10 provided, we have the honour to report as follows:—

We opened the Commission at Te Wairoa, Hawke's Bay, on the 5th day of December, 1906, and adjourned from that place on the 19th day of December, 1906, resuming at Whakatane on the 3rd day of January, 1907. A further adjournment was made from Whakatane to Te Whaiti on the 8th day of March, 1907, where the inquiry was carried on from the 11th to the 28th day of March, 1907, when the taking of evidence was finally concluded, the date of our sitting at each of the above-mentioned places having been duly notified in advance, since which date we have been engaged in collecting evidence at Auckland, Gisborne, and Wellington, contained in Native Land Court minute-books of hearings of blocks of land outside of but having a bearing upon the lands within the said Urewera Reserve, and in framing our report for your consideration and decision. The minutes of the proceedings and of the evidence taken before this Commission are herewith transmitted.

As the result of our investigations and deliberations, we have the honour to submit to you the following special reports and recommendations, the several appeals being reported upon as nearly as possible in the order in which they appear in the schedule to the notice published in the *New Zealand Gazette* of the 15th day of November, 1906.

The Hon. James Carroll, Minister of Native Affairs.

HIKURANGI-HOROMANGA BLOCK.

Re the disputed boundaries:—

Upon the evidence given in regard thereto at the previous Commission, and at this present Commission; and at the request of all parties to the case, that the evidences of occupation—*i.e.*, kaingas, whares, and pas, alleged as existing on the block—be visited and inspected upon the land—Te Whaiti Paora and his party having asserted that Te Tuwatawata was a pa, and Takerehurihia a pa—and each of the two contesting parties having agreed that if these two pas were found to be walled pas ("pa maioro"), having actual existence on the land, then award should be made in favour of Te Whaiti Paora's case; and that if on the other hand the said alleged pas were found to have no existence, then the boundaries alleged by Te Whaiti's case should be disallowed.

Captain Gilbert Mair, one of the Commissioners, having visited and personally inspected the land, and the said two alleged pas having been found to have no existence in fact, we are therefore of opinion, after duly considering the evidence of all the parties to the case, that no sufficient reason has been shown for varying the original award in regard to the eastern and southern boundaries of Hikurangi-Horomanga Block.

We recommend that the said eastern and southern boundaries of Hikurangi-Horomanga Block as originally awarded should be affirmed, and that the Tiritiri portion should remain a part of Hikurangi-Horomanga Block.

In regard to the western boundary of the block near Te Ruarepowai, from Takapakapa to Te Puketapu, we are of opinion that each of the two contesting parties have rights to that portion of the land. We therefore recommend that the land be divided, and that the portion lying to the southward of the Horomanga River be awarded to the Ngati Manawa Tribe, and added to the Tawhiuau portion of the Te Whaiti Block; and that the northern side of the said Horomanga River be awarded to Patuheuheu Tribe as forming part of Hikurangi-Horomanga Block, and following the surveyed boundary-lines as shown in Plan No. 6882.

In regard to the ancestor Maruwahia set up by Te Whaiti Paora: This ancestor was disallowed by the award of the previous Commissioners, and no appeal has been lodged against that portion of their award. This present Commission, however, heard a great deal of evidence in regard to the said ancestor, and we are of opinion that no evidence has been advanced of such a character as to establish any right on the part of the said ancestor Maruwahia to this land. We therefore recommend that the award of the previous Commission in regard to the claim under the ancestor Maruwahia be affirmed.

Appeal No. 4.—In regard to the ancestor Hiki, under whom Mika te Tawhao claims the Horomanga portion of the block: Mika asks that the land be divided by the boundaries as surveyed upon the land. This claim is opposed by Te Whaiti Paora, who asserts that Hiki was not a descendant of the ancestor Tawarutua. A great amount of evidence was submitted to this Commission and genealogical lines of descent advanced by each of these two contesting parties, and we are of opinion that no evidence has been put forward which is sufficient to clearly establish the contention that Hiki was not a descendant of Tawarutua, and as by the award of the previous Commission Hiki has been declared to be a descendant of Tawarutua, we therefore recommend that the said award be affirmed.

In regard, however, to the location of the interest of the ancestor Hiki, we are of opinion that his rights are contained within that portion only of the block which is known as "Horomanga," and that his descendants have rights only to that portion, together with such of the descendants of the ancestor Te Hina as can be clearly proved to have permanently occupied the said portion.

Appeals Nos. 2 and 6.—In regard to the claim by Erueti Peene for the main Hikurangi-Horomanga Block, the genealogy given by him is strongly objected to: *i.e.*—

Te Ngako II.

Hinetu.

Kiore = Te Ureiti.

Te Ikakoropeke.

Mika te Tawhao, Nikora te Ao-o-te-Rangi, and others being the principal objectors.

In our opinion if this genealogy were correct it would without fail have been advanced by Mehaka Tokopounamu as a claim for himself and party to the main Hikurangi-Horomanga Block when their names were objected to therefor, at the time of the previous Commission, by which their names were merely included as owners of the Tiritiri and Oputea portions only of the main block under the ancestors Totarawahia and Te Eanga-o-te-Marama. We are therefore of opinion that Hinetu was not the child of Te Ngako II, descendant of Te Hina.

The occupation of Mauri Peene is, however, admitted by all parties, at certain kaingas mentioned upon the land, while she was living with her adopting parent Tiwha, and with Waihua. We therefore recommend that Mauri should be given an interest of ten shares in the main Hikurangi-Horomanga Block, and a further interest of five shares in the Tiritiri portion; and that her children should be given three shares each, and her grandchildren two shares each, respectively, in the Tiritiri portion only, making a total of sixty-two shares for Mauri and her list in the said Tiritiri piece.

Appeal No. 3.—In regard to the appeal by Hahona te Okoro, objecting to the names of 183 persons in the order for Hikurangi-Horomanga Block, a very great deal of evidence was given and the case heard to its conclusion.

Te Whaiti Paora, one of the principal men of Patuheuheu Tribe, appeared before this Commission and asked that the shares of the persons objected to by Hahona te Okoro be not reduced, but allowed to remain as they appeared in the order. No objection was subsequently advanced by Hahona te Okoro to this request.

We therefore recommend that the said Appeal No. 3 by Hahona te Okoro and others should be dismissed, and that the names and shares of the persons objected to thereunder remain as they appear in the order under the original award.

Appeal No. 10.—In regard to the claim for increase of shares by Te Wakaunua Houpepe and others, much evidence was given before us. It is clear that Te Wakaunua himself and others of Ngati Rongo Hapu distinctly stated at the time of the previous Commission that they would take only small shares in this block, as Patuheuheu Hapu owned no other land than this. That was a most important statement, and we cannot agree that Te Wakaunua should now be allowed to repudiate his own words. We recommend that this case be dismissed.

Appeal No. 8.—In regard to the list of names of seven persons submitted by Kareko Whakaki for inclusion in the Oputea portion of this block for a total interest of fifty-five shares, there being no objectors, we recommend that the said seven names, with the shares asked for each of them respectively, be added to the list of owners as for the Oputea piece only.

Appeal No. 5.—In regard to the claim by Matiu te Kurapa and Te Mauniko Matiu for the inclusion of their two names in the order with an interest of seven shares between them for the Tiritiri portion of the block there being no objectors, we recommend that their names and shares be so added to the list of owners as for the Tiritiri portion only.

Appeal No. 10.—In regard to the claim for the inclusion of the names of the ten persons commencing with the name of Paora Hiki and ending with the name of Maria Tote, with a total interest of forty-eight shares amongst them, in the main Hikurangi-Horomanga Block, there being no objectors, we recommend that the said ten persons be added to the list of owners of the main block for the forty-eight shares asked for, and that the interest of Te Wakaunua Houpepe, No. 171 in the order, be reduced to nine shares, and the interest of Te Korowhiti Hira, No. 242, to nine shares, and the interest of Te Pouwhare te Roau, No. 258, be reduced to four shares, the three above-mentioned persons at their own request each contributing one share from their respective individual interests to provide an interest of three shares for Maria Tote.

Appeals Nos. 1, 7, and 9.—These three appeals were withdrawn by the appellants, all parties consenting: we recommend that they be dismissed.

The new lists of names marked "A," which have been attached to the order, contain the names and shares of the persons recommended to be added to the list of owners for each of the several pieces of this block above specified.

The seven persons whose names are hereunder set out are the persons who have been selected by the owners of the land from amongst their number and proposed by them as the members for the Hapu Committee for this block, and agreed to by all the owners present before this Commission sitting at Te Whaiti on the 23rd day of March, 1907.

IERENUI-OHAUA BLOCK.

Appeal No. 14.—By Te Waaka Paraone te Ranui and others. This appeal was withdrawn by the appellant on the 8th January, 1907.

Appeal No. 15.—By Te Iwikino Hairuha and others. This appeal was withdrawn by the appellant on the 5th February, 1907.

We therefore recommend that appeals 14 and 15 be dismissed.

Appeals Nos. 12 and 13.—By Numia Kereru and others, asking that a portion of this block said to be properly a part of Maungapohatu Block, which was wrongfully included in Ierenui-Ohaua Block, be cut off therefrom and restored to Maungapohatu Block. No objection was made to this claim. We therefore recommend that this appeal be given effect to, and that the portion claimed by Numia be cut off from Ierenui-Ohaua Block and added to Maungapohatu Block, the boundaries of the said piece to follow the lines drawn in pencil on Plan No. 6852A, commencing at figure 1 and extending to figure 3.

Appeal No. 16.—By Te Pouwhare te Roau and others, objecting to the names of eighty-eight persons in the order. A great deal of evidence was given before this Commission in regard to this case, and we have seen that these same objections were advanced at the time of the previous Commission, as each of the two contesting cases then opposing each other objected to each other's list of names respectively, and during the present hearing nothing new has been advanced. We therefore recommend that the persons objected to remain in possession of the shares awarded to them by last Commission, and that this appeal be dismissed.

Appeal No. 11.—By Tamahana te Puia and others, claiming inclusion of the names of fifty-one additional persons in the order. A mass of evidence was advanced in support of this claim. We are, however, of opinion that the evidence does not disclose any occupation on the part of the persons sought to be included of a sufficiently permanent character to justify the inclusion of their names in the order. We therefore recommend that this appeal be dismissed, and that the original list of owners and shares as appearing in the order be affirmed, but that the award of last Commission be varied by the cutting-out of that specified portion of this block above recommended to be added to Maungapohatu Block, and that the boundaries and area of this block be amended accordingly.

The seven persons whose names are hereunder set out are the persons who have been selected from amongst their number by the owners of the land and proposed by them as the members for the Hapu Committee for this block, and agreed to by all the owners present before this Commission sitting at Whakatane on the 8th day of March, 1907:—

KOHURU-TUKUROA BLOCK.

Appeal No. 19.—By Te Rahui Hoera and others. This appeal was withdrawn by Mihaka Matika at request of appellant on the 5th February, 1907.

Appeal No. 20.—By Tamehana te Puia and others. This appeal was withdrawn by appellant on the 1st March, 1907.

We therefore recommend that appeals 19 and 20 be dismissed.

Appeals Nos. 17 and 18.—By Numia Kereru and Te Wharepouri te Amo, respectively. The second of these appeals—No. 18—objects to certain persons in the order, and much evidence was given. Under Numia's appeal—No. 17—a request was made that the block be partitioned by the surveyed line shown in Plan No. 6849A, commencing at Te Taimatua and extending to Te Raepohatu, Numia claiming that portion of the block north of the said boundary-line, including also the part which he says was wrongfully included in Tarapounamu Block.

We have duly considered these two appeals, and we make the following recommendations:—

(1.) The persons now objected to were submitted for inclusion by Numia's party themselves at last Commission as proper owners in their own right. This appeal should therefore be dismissed—*i.e.*, Appeal No. 18.

(2.) In regard to the request that the block be partitioned, in our opinion a long period of time would be occupied in duly and carefully ascertaining the proper persons having rights as owners in each of the two portions of the block if so divided. We think that it should properly be left to a subsequent Partition Court to divide the land if partition is applied for, and that therefore that part of this appeal should be dismissed.

(3.) In regard to that portion of this block alleged to have been wrongfully included in Tarapounamu Block by last Commission: Numia has not lodged any appeal in reference to the Tarapounamu Block, but appealed in regard to Kohuru-Tukuroa Block only, and states that he thought it would be quite competent under his appeal therefor to deal with that portion also of this block which he alleges has been included within the boundary of Tarapounamu Block.

Evidence was given before us alleging that a certain burial-place containing dead, and certain kaingas, belonging to Numia Kereru and Ngati Rongo Hapu, have been wrongfully included in the Tarapounamu Block, if such assertion can be credited; but as they lodged no appeal in regard to this matter we have therefore no recommendation to make.

The seven persons whose names are hereunder set out are the persons who have been selected by the owners of this land from amongst their number and proposed by them as the members for the Hapu Committee for this block, and agreed to by all the owners present before this Commission sitting at Whakatane on the 8th day of March, 1907:—

KARIOI BLOCK.

Appeals Nos. 21 and 22.—These appeals were inquired into by this Commission, and after much evidence had been taken an arrangement was mutually arrived at between the contesting parties as to the matters in dispute, which was subsequently submitted by them to the Commission and asked to be carried into effect, all parties signifying their consent thereto, *i.e.*:—

In regard to Appeal No. 21 by Paora Kingi, claiming inclusion of himself and certain other persons, twenty-seven in all, and Appeal No. 22 by Tupara Tamana for inclusion of certain persons, forty-four in all, who were omitted at time of last Commission, it has been agreed that these seventy-one persons be added to the list of owners.

The said seventy-one names with individual shares as shown have accordingly been added by us to the list of owners in the order for this block, and therein numbered respectively from 218 to 356, both inclusive.

We recommend that this mutual arrangement be given effect to as asked.

The six persons whose names are hereunder set out are the persons who have been selected from amongst their number by the owners of the land and proposed by them as the members for the Hapu Committee for this block, and agreed to by all the owners present before this Commission sitting at Whakatane on the 8th day of March, 1907:—

MARAETAHIA AND OTAIRI BLOCKS.

Appeals Nos. 23 and 141.—By Whata Henare, in regard to the two above-mentioned blocks respectively. These appeals were inquired into by this Commission, and much evidence taken.

Appeals Nos. 24 and 142.—By Tamati Waaka, in regard to certain portions of the two above-mentioned blocks respectively. These appeals were also inquired into by the Commission and evidence taken.

Appeals Nos. 25 and 143.—By Hohepa Poia and others, in regard to the same two blocks respectively. These two appeals were combined together with the main Ngati Manawa appeal for Te Whaiti Block, and heard together with it as one general case.

We have weighed and considered all the evidence given in the matter of these appeals, and we do not find any strong evidence of such a character as would in our opinion justify any variation of the original award in regard to Maraetahia Block and its boundaries.

In regard to the list of names submitted by Whata Henare for inclusion in Maraetahia and Otairi Blocks, there is no evidence sufficient to establish occupation. In our opinion her rights to the land have become cold, and we consider she has been fortunate in obtaining inclusion in these two blocks for the interests she holds under the award of the last Commission. We therefore recommend that the two lists of names now submitted by her for inclusion therein be disallowed, and her Appeals Nos. 23 and 141 dismissed.

In regard to the southern boundaries of the Otairi Block: After carefully considering all aspects of the position, we recommend that these boundaries be amended as shown on Plan No. 6848, commencing at the peg at the south-east corner of Maraetahia Block at the place named "Taumata," or "Ngamokaikai-a-te-Ao," on plan, thence running south-easterly by the straight line marked "Tuhoe Boundary" on plan till it reaches the north-east boundary of Te Whaiti Block at junction of Opaheru and Okahu Streams; that portion of the Otairi Block lying to the west of this line to be added to and form part of the Te Whaiti Block.

We recommend that all the appeals in regard to Maraetahia and Otairi Blocks be dismissed—*i.e.*, Nos. 23, 24, 25, 141, 142, and 143.

The seven persons whose names are hereunder set out are the persons who have been selected from amongst their number by the owners of the land and proposed by them as the members for the Hapu Committee for the Maraetahia Block, and agreed to by all the owners present before this Commission sitting at Whakatane on the 8th day of March, 1907:—

MAUNGAPOHATU BLOCK.

Appeal No. 27.—By Mata Tako. This appeal was agreed to by the owners of the land, and the following arrangement was made by consent, *i.e.*:—

- (1.) Eighteen shares to be given to Mata Tako in addition to the two shares standing opposite her name (No. 386) in the order, thus increasing her total interest to twenty shares.
- (2.) Her children and grandchildren—eight persons in all—to be added to the list of owners, with a total interest of forty shares divided amongst them—*i.e.*, five shares each.

We recommend that this arrangement be given effect to.

Appeal No. 29.—By Te Rahui Hoera, for inclusion of the name Hariata te Rahui (f., 7) for an interest of ten shares.

Appeal No. 30.—By Matiu te Kurapa and others, for inclusion of the names of Matiu te Kurapa, m., ten shares; Te Mauniko Matiu, f., five shares; Hera Mika, f., four shares.

Appeal No. 28.—By Hori Pikitia Teihana, claiming the inclusion of the name of Hori Pikitia Teihana (f.) with an interest of twenty shares.

Appeal No. 31.—By Waaka Paraone te Ranui and others. This appeal was withdrawn by Akuhata te Kaha on behalf of the appellant on the 28th January, 1907.

No objection was made before this Commission in regard to any of the above appeals, and we recommend that the proposals in each case as above set out be given effect to.

Appeals Nos. 26, 32, 33, 34, and 35.—These five appeals are held over for the present, and will all be considered together by us when the case advanced thereunder by Wi Pere and his hapus of the Ngati Kahungunu Tribe is subsequently dealt with by this Commission.

The seven persons whose names are hereunder set out are the persons who have been selected from amongst their number by the owners of the land and proposed by them as the members for the Hapu Committee for the Maungapohatu Block, and agreed to by all the owners present before this Commission sitting at Whakatane on the 8th day of March, 1907:—

TE WAIRIKO BLOCK.

Appeal No. 37.—By Mehaka Tokopounamu, claiming the inclusion of thirteen persons, whose names and shares are set out in the list attached to the original order, and therein numbered from 184 to 196, both inclusive.

This claim was agreed to before this Commission, and we recommend that the said thirteen persons be added to the order with individual shares as shown.

Appeal No. 36.—By Taihakoia Ponihahio and others, claiming that the names of fifty-five persons, Nos. 180 to 234, inclusive, be struck out of the order for this block on the ground that they have no right to the land.

This claim has not been opposed by any of the persons objected to by the appellants on the 29th January, 1907, from that date down to the final sitting of this Commission at Te Whaiti on the 28th March, 1907.

We are of opinion that this appeal is justified, and we recommend that the names and interests of the fifty-five persons mentioned be struck out of the order.

The six persons whose names are hereunder set out are the persons who have been selected from amongst their number by the owners of the land and proposed by them as the members for the Hapu Committee for the Wairiko Block, and agreed to by all the owners present before this Commission sitting at Whakatane on the 8th day of March, 1907:—

Appeal No. 38.—By Mehaka Tokopounamu and others. This appeal was withdrawn by Mehaka on the 9th January, 1907, at Whakatane, and there being no objectors, we therefore recommend that this appeal be dismissed and the original award affirmed.

The six persons whose names are hereunder set out are the persons who have been selected from amongst their number by the owners of the land and proposed by them as the members for the Hapu Committee for this block, and agreed to by all the owners present before this Commission sitting at Whakatane on the 8th day of March, 1907:—

TAPATAHI BLOCK.

Appeal No. 41.—By Tamehana te Puia and others, claiming the inclusion of the names of eight new persons in the order. This appeal was duly inquired into by this Commission, and copious evidence taken.

We are of opinion that the claim has been sustained, and that these persons should be included in the order, with a total interest of 100 shares.

We have added a list of their eight names—numbered respectively from 133 to 140, inclusive—to the order, with individual shares as set out therein.

We recommend that the order be amended by the addition of the said names and shares, making a total of 1,323 shares in the order.

Appeals Nos. 39 and 40.—By Te Whenuanui and Te Rahui Hoera respectively. Application was made under these appeals that the interest of Hera Kereti—No. 53 in the order—be increased from ten shares to twenty shares.

To this there are no objectors, and all the remaining grounds of these appeals have been withdrawn by the appellants.

We recommend that this arrangement be given effect to, and the order amended accordingly.

The six persons whose names are hereunder set out are the persons who have been selected from amongst their number by the owners of the land and proposed by them as the members for the Hapu Committee for this block, and agreed to by all the owners present before this Commission sitting at Whakatane on the 8th day of March, 1907:—

TE WAIPOTIKI BLOCK.

Appeal No. 42.—By Te Iwikino Hairuha and others. This appeal was withdrawn by Akuhata te Kaha on behalf of Te Iwikino on the 1st February, 1907. We therefore recommend that this appeal be dismissed.

Appeals Nos. 46 and 47.—By Akuhata te Kaha and others. These two appeals were conducted by Akuhata te Kaha, who claimed that the shares of sixty-five persons in the order be reduced, and that the names of ten other persons be struck out of the order.

We are of opinion that the appellant has failed to establish his contentions, and we recommend that these two appeals be dismissed.

Appeals Nos. 43 and 44.—By Te Anewa Piripi and others, and Matiu te Kurapa and others, claiming the inclusion of seven new names in the order.

We recommend that these persons be so included, and have attached a list of their seven names, numbered from 528 to 534, inclusive, to the order with individual shares as shown therein.

Appeal No. 45.—By Te Whetu and others, claiming that the interests of seven persons—Nos. 213 and 214, and Nos. 218 to 222, inclusive—in the order be increased by a total amount of twenty shares. This has been agreed to by all parties, and we have added the additional shares opposite their names in the order.

We recommend that this arrangement be given effect to.

The seven persons whose names are hereunder set out are the persons who have been selected from amongst their number by the owners of the land and proposed by them as the members for the Hapu Committee for this block, and agreed to by all the owners present before this Commission sitting at Whakatane on the 8th day of March, 1907:—

OTARA BLOCK.

Appeal No. 49.—By Tiopira Tamaikoha, claiming that the interests of four persons—Nos. 192, 250, 251, and 252 in the order—be increased by ten shares each in addition to the ten shares each already held by them under the award of last Commission. To this no objection is made, and we have inserted the additional ten shares each asked for opposite the names of the said four persons in the order respectively.

We recommend that their interests be so increased, and the order amended accordingly.

Appeals Nos. 48 and 50.—By Te Whiu Maraki and others, claiming that the interest of twenty-six persons—Nos. 71 to 76, 100 to 102, 114 to 125, and 180 to 184 in the order—be reduced to the shares shown in the list submitted by appellants to this Commission, which is attached to the file of papers of Otara Block. Under one of these appeals it is further asked that the names and shares of thirteen persons—Nos. 67, 77, 78, and 80 to 89 in the order—be struck out of the block.

No objection has been made to these claims before this Commission sitting at Whakatane on the 18th January, 1907, down to date of adjournment of Commission at Te Whaiti on 28th March, 1907.

We recommend that this arrangement be given effect to and that the order be amended accordingly: *i.e.*,—

The original order contains	..	..	..	..	..	..	253 names, 2,900 shares.
13 persons, owning	100 shares, struck out	..	..	..	..	..	13 names.
26 persons reduced by	180 shares.

Original order, containing 2,834 shares, to be reduced by 324 shares, leaving a total of 2,510 shares.

RUATOKI SOUTH BLOCK.

Appeal No. 54.—This is an appeal by Mika te Tawhao and others, claiming the inclusion of certain alleged rightful owners, thirty-four persons in all, omitted from the order at the time of the previous Commission.

No objection was advanced to this claim for inclusion, and the said thirty-four names are set out in the additional list of owners attached to the file of papers for Ruatoki South Block, and therein numbered from 281 to 314, inclusive, with individual shares as shown therein.

We recommend that the said thirty-four names be added to the order with shares as shown.

Appeal No. 52.—By Waaka Paraone te Ranui and others, asking for the inclusion of four new names in the order.

There is no objection advanced to the inclusion of these four persons in the order as shown in the list of names attached to the file and therein numbered from 315 to 318, inclusive, with shares as shown.

We recommend that these four names be added to the order.

Appeal No. 57.—By Mehaka Tokopounamu and others, for inclusion of certain new names in the order.

By arrangement made between the owners of the land and the appellants outside, and subsequently submitted by them to this Commission, twenty-four names were agreed to be included by the owners from the list submitted by the appellants, Numia Kereru and others on behalf of the owners objecting to the balance of the names originally submitted by Mehaka in his list for inclusion. Mehaka then agreed to abandon his claim for inclusion of the remaining persons in his list, and accept inclusion of the twenty-four names only agreed to by the owners. The said twenty-four names have therefore been added by this Commission to the list of additional owners attached to the file, and therein numbered respectively from 319 to 342, inclusive.

We recommend that the said names be added to the order for Ruatoki South Block, with individual shares as shown in list attached to file.

Appeals Nos. 53 and 55.—By Utiera Tuau and others; and

Appeal No. 56.—By Te Whenuanui and others.

These three appeals were withdrawn by the parties concerned, and there being no objection made, we recommend that they be dismissed accordingly.

The six persons whose names are hereunder set out are the persons who have been selected from amongst their number by the owners of the land and proposed by them as the members for the Hapu Committee for this block, and agreed to by all the owners present before this Commission sitting at Whakatane on the 8th day of March, 1907:—

WAIKAREWHENUA BLOCK.

Appeal No. 60.—By Waaka Paraone te Ranui and others for the addition of the name of Waaka Paraone te Ranui to the list of owners with an interest of two shares.

Turei Tiakiwai, one of the owners, No. 30 in the order, having stated to this Commission that he is willing to give two shares, out of his own individual interest of twenty shares in the order, to Waaka Paraone te Ranui, and all parties concerned having agreed to this arrangement, we recommend that the order be varied accordingly to give effect to the said arrangement.

Appeal No. 58.—By Taihakoia Poniwahio, asking that the names of Wairiki te Tokatapu, No. 117 in the order, and Kerehitini te Tokatapu, No. 118 in the order, be corrected to read "Wairiki Pani" and "Kerehitini Pani" respectively, they being the children of Pani and not of Tokatapu.

All parties having agreed that this is so, we have therefore inserted the corrections asked for in the list of owners in the former order, and we recommend that the order be corrected accordingly.

Appeal No. 61.—By Hori Aterea and others, asking that the shares of certain persons in the order be reduced.

The appellant contends that the persons objected to by him have no right to such large interests, as they have but one line of descent from the ancestor. No objection was made to this case, though this Commission allowed the matter to remain open from the 21st January to the 28th March, 1907, so as to afford time for the persons affected thereby to appear and show cause why their shares should not be reduced as asked, if they so desired. The persons objected to did not, however, appear, and on the adjournment of the Commission at Te Whaiti on the 28th March last this case was declared to be finally closed.

In our opinion the reduction of shares asked for is justified, and we have prepared and attached to the file of Waikarewhenua Block a list of the said persons, twenty-three in all, numbered respectively in the order from 378 to 400, inclusive, with interests reduced as shown therein.

We recommend that the order be amended accordingly.

Appeal No. 59.—By Tiopira Tamaikoha, asking that the interest of the appellant Tiopira Tamaikoha, No. 418 in the order, be increased from four shares to twenty shares, so as to make his interest equal to that of other members of his family who are in the order, and that the name of his granddaughter Titia Teko, f., eight years, be added to the order with an interest of five shares.

To this appeal no objection is made, and we recommend that the order be amended accordingly to give effect thereto.

Appeal No. 62.—By Te Haenga Paretipua and others. This appeal was withdrawn by Te Haenga, there being no objectors. We recommend that it be dismissed.

Recapitulation of amendments recommended to be made under the appeals in this block:—

(1.) Two new names, numbered 506 and 507 respectively, in additional list of owners attached to file to be added to the order.

(2.) The interest of Tiopira Tamaikoha, No. 418 in order, to be increased from four shares to twenty shares.

(3.) The interests of the twenty-three owners, numbered respectively from 378 to 400 in the original order, to be reduced to the number of shares set opposite the name of each of them respectively in the manuscript list attached to the file of Waikarewhenua Block.

The seven persons whose names are hereunder set out are the persons who have been selected by the owners of the land from amongst their number and proposed by them as the members for the Hapu Committee for this block, and agreed to by all the owners present before this Commission sitting at Whakatane on the 8th day of March, 1907:—

Appeal No. 63.—By Paora te Pakihi and others, asking for the inclusion of twenty-five additional names in the order. This was agreed to by the owners of the land, there being no objectors. We have therefore attached a list of these twenty-five additional persons, with individual shares as shown therein, to the file, and numbered them from 340 to 364, inclusive.

We recommend that the said list of names and shares be added to the order.

Appeal No. 64.—By Tapui Kaka and others, for inclusion of five additional names in the order. This was agreed to by the owners, and we have therefore inserted the five names referred to—numbered from 365 to 369, inclusive—with their individual shares as shown, in the list attached to the file.

We recommend that these names be added to the order accordingly.

Appeal No. 65.—By Tupara Tamana, claiming the inclusion of thirty-one additional persons omitted from the order at the time of last Commission. The owners of the land having agreed to the inclusion of these persons for the individual shares asked, we have therefore added them to the list of additional names attached to the file, and numbered them respectively from 370 to 400, inclusive.

We are of opinion that these names and shares should be added to the order as asked, and we recommend that they be so added accordingly.

The five persons whose names are hereunder set out are the persons who have been selected by the owners of the land from amongst their number and proposed by them as the members for the Hapu Committee for this block, and agreed to by all the owners present before this Commission sitting at Whakatane on the 8th day of March, 1907:—

OHIORANGI BLOCK.

Appeal No. 68.—By Mika te Tāwhao and others, for the inclusion of the name of one person—i.e., Tapene Raukura, m.—in the order, for an interest of twenty shares.

This was agreed to by the owners, there being no objectors. We have added the name, numbered 382, to the additional list attached to the file, and we recommend that it be included in the order accordingly for the twenty shares asked.

Appeals Nos. 66, 67, and 69.—By Te Wharau Tapuae and others, Taihakoia Poniwahio and others, and Te Reweti Ruta and others respectively.

These three appeals make objection to certain persons in the order, thirty-two in all, and ask that their names be struck out of the order. The names of the thirty-two persons so objected to are set out in the list attached to the file showing the numbers standing opposite their several names respectively in the order.

The appellants contend that these thirty-two persons are not descendants of the ancestor owning the land.

This case was allowed to remain open by this Commission from the 21st January to the 28th March, 1907, in order to afford opportunity for those objected to to appear before us and show cause why their names should not be struck out of the order as asked. No one, however, appeared to object, nor was any objection whatever advanced before us against the contention of the appellants. We are of opinion that their contention is justified, and that the names of the thirty-two persons objected to by them should be struck out of the order for this block, and we recommend accordingly.

The five persons whose names are hereunder set out are the persons who have been selected by the owners of the land from amongst their number and proposed by them as the members for the Hapu Committee for this block, and agreed to by all the owners present before this Commission sitting at Whakatane on the 8th day of March, 1907:—

TE PURENGA BLOCK.

Appeals Nos. 70 and 72.—By Te Whenuanui and others and Te Whaiti Paora and others respectively.

These two appeals were withdrawn at request of the appellants, there being no objectors. We recommend that they be dismissed accordingly.

Appeals Nos. 71 and 73.—By Mata Tako and others and Mehaka Tokopounamu and others respectively, asking for the inclusion of six new names in the order.

To this request no objection has been made. We have therefore prepared and attached to the file of papers for this block a list containing their six names with individual shares as shown, and therein numbered them respectively from 298 to 303, inclusive, for inclusion in the original order.

These two appeals further ask for increase of the shares of forty-six persons in the original order, the said increases having been arranged amongst the owners outside and subsequently submitted by them to this Commission for approval.

No objection has been made to the increases so asked. We have therefore added the said forty-six names and increased shares to the list attached to the file, showing the numbers appearing against each individual name in the order respectively.

We recommend that the six new names be added to the order with shares as shown, and that the shares of the forty-six persons in the original order be increased to the individual amounts set out opposite the name of each of them respectively in the manuscript list attached to the file.

The seven persons whose names are hereunder set out are the persons who have been selected by the owners of the land from amongst their number and proposed by them as the members for the Hapu Committee for this block, and agreed to by all the owners present before this Commission sitting at Whakatane on the 8th day of March, 1907:—

There being no objectors, we have added a list containing the name of Hami Taupo, m., twenty shares, opposite the number 200, to the file of papers for the Tauwhare Block, and we recommend that the said name and shares be added to the order accordingly.

The seven persons whose names are hereunder set out are the persons who have been selected by the owners of the land from amongst their number and proposed by them as the members for the Hapu Committee for this block, and agreed to by all the owners present before this Commission sitting at Whakatane on the 8th day of March, 1907:—

TAURANGA BLOCK.

Appeal No. 79.—By Paora te Pakihi and others. By arrangement made between the appellant Paora te Pakihi and two of the owners of the land and submitted by them to this Commission for ratification, it was agreed that the name Paora te Pakihi, m., be added to the order with an interest of four shares, the said two owners, Paiaka Rakuraku, No 45 in order, and Teneti Rakuraku, No. 41 in order, each contributing two shares out of their respective interests of twenty shares each, to make up the said four shares, leaving them with a balance of eighteen shares each in the order.

This request having been made in person to this Commission by the two persons desiring to contribute the four shares between them, we have therefore added the name of Paora te Pakihi, No. 547, to the list of names attached to the file of Tauranga Block to be included in the order for the said four shares. We recommend that this arrangement be given effect to and the order amended accordingly.

The name "Pimia Piripi, f., two shares," appears twice in the order, opposite the numbers 212 and 547 respectively, we have therefore struck out the duplicate name standing opposite No. 547 from the order.

Appeal No. 78.—By Matiu te Kurapa and others, for the inclusion of the names of six additional persons in the order for a total interest of forty-five shares.

No objection is made to this appeal. We have therefore prepared a list of the said six names, numbered respectively from 548 to 553, inclusive, with individual shares as therein shown, and attached the same to the file of papers of Tauranga Block for inclusion in the original order. We recommend that their names and shares be so added accordingly.

Appeal No. 76.—By Tupara Tamana and others, asking that the shares of sixty-seven persons in the order be increased.

No objection is advanced before this Commission to the increased interests asked for. We have therefore prepared and attached to the file a list of the names of the said sixty-seven persons, showing the numbers standing opposite their individual names in the order, and the increased shares asked for each such person respectively, and we recommend that the interests of the said sixty-seven owners be increased accordingly as therein set out.

Appeal No. 77.—By Te Reweti Kurei and others. This appeal was withdrawn by Te Wharau Tapuae on behalf of the appellants. We recommend that it be dismissed accordingly.

Appeal No. 75.—By Peka Kerekere and others. This appeal has been combined in Wi Pere's general claim, on behalf of Ngati Kahungunu Hapus, to the lands lying to the eastward of the dividing tribal boundary alleged by him from Ngapukeriki to the Waiau River, which claim will be subsequently dealt with.

The seven persons whose names are hereunder set out are the persons who have been selected from amongst their number by the owners of the land and proposed by them as the members for the Hapu Committee for this block, and agreed to by all the owners present before this Commission sitting at Whakatane on the 8th day of March, 1907:—

Appeal No. 81.—By Tupara Tamana and others, objecting to certain names in the order, thirty-four persons in all being objected to. The appellant proceeded with his case of objection to the said names, but withdrew that part of his appeal which asks for the inclusion of new names in the order.

This case has been duly inquired into and considered by this Commission, and we have found that the persons objected to are the owners of a particular piece of this block marked "E" by the previous Commission, for which portion these persons were included by the previous Commission, no objection being at that time advanced to their names being so included.

We are of opinion that this case should be dismissed and the original order affirmed in its entirety, and we recommend accordingly.

The seven persons whose names are hereunder set out are the persons who have been selected by the owners of the land from amongst their number and proposed by them to be the members for the Hapu Committee for this block, and agreed to by all the owners present before this Commission sitting at Whakatane on the 8th day of March, 1907:—

WAIKAREMOANA BLOCK.

The inquiry into the appeals in regard to this block was commenced by this Commission at Te Wairoa, Hawke's Bay, on the 5th December, 1906, and continued at Te Wairoa during subsequent days until the 19th December, 1906.

Appeal No. 83.—By Mahaki Tapiki and others. Asks for the inclusion of the name of Rawinia Mahaki, f., seven years, for an interest of ten shares. This was agreed to by the owners, and we have accordingly inserted the name, numbered 906, in the manuscript list attached to the file for Waikaremoana Block for inclusion in the order for the ten shares asked. We recommend that this be given effect to.

This appeal also asks that the names of certain persons, ninety-two in all, be struck out of the order, on the ground that they are not descendants of the ancestor and that they have no occupation.

The inquiry into this case was adjourned from Te Wairoa to Whakatane in order to afford opportunity for those objected to to appear before us if they so desired, and on the 4th and 5th days of February, 1907, the inquiry therein was continued at Whakatane. A number of persons appeared before us and opposed this appeal, and made application to the Commission that the persons on whose behalf they severally appeared as conductors should be withdrawn from the list of persons objected to by the appellants, some of the said conductors being owners of the land and residents of Waikaremoana.

Upon inquiry your Commissioners have ascertained that certain of the persons now objected to under this appeal were not objected to at the time of the previous Commission, and that the balance of the persons now objected to are persons who were objected to at the previous Commission, but whose names were eventually included by that Commission in the order after all objections then advanced against them had been duly heard and considered, though in the case of other persons at the same time objected to such objections were upheld and the names struck out of the list of owners.

We are therefore of opinion that the appellants should not now be permitted to again object to the names of these persons against whom they failed to establish their objections before the last Commission, nor should they be allowed now to object to the other persons to whose inclusion they made no objection whatever before the last Commission. We therefore struck out this appeal on the 5th February last, and we recommend that it be dismissed accordingly.

Appeal No. 85A.—By Kawana Karatau. The inquiry into this appeal was held at Te Wairoa, Hawke's Bay. It is a claim for the inclusion, under the right of the ancestor Pakitua, of the descendants of the ancestor Ruapani, the list of their names submitted to us for inclusion containing fifty-eight persons in all.

This claim was supported by Hurae Puketapu and the people of Waikaremoana before this Commission. We have therefore prepared and attached a list of their names, numbered respectively from 730 to 787, inclusive, with individual shares as therein shown, to the file of papers for the Waikaremoana Block, and we recommend that they be included in the order accordingly.

Application was also made under this appeal that the interest of Kihirini Mokena, No. 616 in the order, be increased from five shares to twenty shares. To this request no objection has been made. We recommend that the order be amended accordingly.

Appeals Nos. 84 and 85.—These two appeals are by Haenga Paretipua and others, including also the descendants of the ancestor Pakitua, whom we have already recommended to be included in the order.

The case of these appellants was duly inquired into and heard to its conclusion, as also was that of the parties opposing this claim, the evidence taken during the course of the inquiry being contained in the minutes of this Commission.

The witnesses in the Ngati Kahungunu case contend that this land, named Waikaremoana and Wairau, descends through their ancestral rights of ancient times; they state that Makoro was their ancestor who laid down the boundaries of this land, and they allege Tamaterangi and Pukehore as two other ancestors under whom they are entitled.

In regard to that portion of the land claimed by them which is named Wairau and Wairauhenua, they assert that Te Kapuamatotoru was the particular descendant of the ancestor Makoro who had the "mana" to this land, and that he (Te Kapuamatotoru) placed Pakitua and his descendants at Wairau to work and collect the food of this land and bring it to him (Te Kapuamatotoru), and that this condition of things continued permanently between Pakitua and Te Kapuamatotoru and their descendants, that the food of the land continued to be taken by Pakitua and his descendants to Te Kapuamatotoru and his descendants. They mentioned the names of the persons said to have been successively appointed by Te Kapuamatotoru to bring the food to him, and state that this practice only ceased in the time of Karihanga, grandson of Pakitua. Hurae Puketapu states that Karihanga died about the time of the fall of Orakau Pa, in 1864.

These Ngati Kahungunu claimants further contend that when a part of this land was sold to the Crown in days past, such sale was made by themselves alone, but that certain portions of the land which were then set apart as reserves out of the sold land, and in which members of Tuhoe Tribe were included, were arranged to be so reserved by the purchasing officers; and they further state that the permanent dividing tribal boundary between Tuhoe and themselves was the mountain-range of Huirau, from Parahaki to Maungataniwha.

They state that there were many kaingas upon the land, occupied during the period when the food of the land was being worked as above described, and that they only ceased to occupy the land after the introduction of Christianity, and that the persons—descendants of Pakitua—in the list now submitted for inclusion in this land, have never lived on this land, from former times down to themselves at this present day, and that no person whatsoever is living upon the land at the present time, and that Hurae Puketapu and his party are now living upon the reserves at Te Waimako.

They further allege that this land formerly belonged to Taurira Tribe, but that they (Taurira) were subsequently conquered, and disappeared, and that Makoro and Tamaterangi then divided up the land for themselves.

Huræ Puketapu and his party, on the other hand, deny all the statements made, and all the "takes" put forward by Ngati Kahungunu, and also the boundaries alleged by them, and claim that this land belongs to Ngati Ruapani by ancestral right from the ancestor Ruapani, and that Pakatoe was the ancestor who had the "mana" to this land.

A great deal of evidence was given in regard to signs of occupation, pas, whares, and dead, the boundaries of the land, and the fightings upon the land. They deny the statement by Ngati Kahungunu that Pakitua and Ngati Pakitua were placed upon this land to work the food.

Huræ Puketapu asserts that Purakau was a man who had "mana" to this land, and that Te Kapuamatotoru was a "rangatira," and that he sent Purakau to bring the food of this land—i.e., preserved birds, &c.—to him (Te Kapuamatotoru); that this continued until the death of Purakau, and that then Te Kapuamatotoru sent Ironui to bring him the food, that the said food belonged to Pakitua, and that this state of things continued down to the time of Karihanga—grandson of Pakitua—who brought the last contribution of food to the descendants of Te Kapuamatotoru.

Huræ Puketapu further states that upon a certain occasion Tamahore, the son of Karatau, the son of Pakitua, was made great ("ka whakanuia"), to be the great man for Wairauwhenua and Wairau moana, and that when Te Kapuamatotoru heard of this, he formed the opinion that this meant that no further contributions of food would be brought to him, and his people then bewitched ("makutu'd") Tamahore so that he died. Huræ also says that Tuhoe fought the people on this land—i.e., Ngati Hore—in consequence of this bewitching, and gave lengthy evidence on this matter.

Huræ further states that a part of this land, Wairau, has been included in the sales of land by Ngati Kahungunu to the Crown in former days, the said sales to the Crown having been made by Heremia te Popo and others, and that certain portions of land were set apart out of those sales as reserves for themselves and others. The whole of the evidence given in this case will be found in the minutes of this Commission. Huræ Puketapu, however, confined his statements to that portion of the land contained within the Waikaremoana Block which is called Wairau.

We will now proceed to weigh this evidence, together with the other evidence given before us at the sittings of this Commission at Te Wairoa and at Whakatane.

(1.) The main dividing tribal boundary between the Tuhoe Tribe to the westward and Ngati Kahungunu Tribe to the eastward is, in our opinion, clearly established, seeing that it is declared by each of the two opposing sides that the mountain watershed-range of Huiairau is the boundary, and Te Whenuanui, one of the principal chiefs of Tuhoe living at Ruatahuna, stated to this Commission at Te Wairoa on the 19th December, 1906, that the Ruatahuna Block did not cross over the Huiairau Range to the south-eastern side; and Te Wao Ihimaera, who is partly of Tuhoe and partly of Ngati Ruapani, stated, "I admit Wi Pere's boundary which runs along Huiairau Range, that is the same as my own boundary." And again he says, "That part of the land at the source of Orangitutaetutu Stream which is in the Ruatahuna Block does not belong to Tuhoe, but to me, on my Ngati Kahungunu side of the boundary."

Furthermore, the evidence of Hori Wharerangi, in regard to the boundary-posts, supports the main boundary given by Wi Pere.

It is, therefore, in our opinion, abundantly clear that the main watershed mountain-range is the permanent ancestral dividing boundary, existing from ancestral times down, as between the tribes of Tuhoe to the westward and Ngati Kahungunu to the eastward of the said main range. We have, therefore, marked the course of the boundary on the plan, from the Waiau River to Huiairau Range, and on to the source of the Orangitutaetutu Stream, where we will leave it for the present until we have considered the position in regard to the rest of the tribal boundary alleged by Ngati Kahungunu as running northerly on from there, which we will deal with later on.

(2.) In regard to the ancestral claim alleged under the ancestor Ruapani, and the claim advanced under the Tuhoe conquest: The Ngati Ruapani witnesses assert that they have two rights—i.e., ancestral rights under Ruapani, and right by conquest made by themselves over themselves—viz., conquest by Ngati Ruapani-Tuhoe over Ngati Ruapani-Tuturu, and state that the pure Ngati Ruapani lost their right to land thereby. They, however, further assert that they themselves did not lose their ancestral right to this block through that conquest. In the face of these two contradictory and irreconcilable statements we are unable to decide which is their true claim. All that is clear to us is that their ancestral rights to the land are admitted by all parties, there being no objectors whatever, and Tuhoe themselves strongly urge their claims by conquest over Waikaremoana.

A large number of persons, 729 in all, have been included by the previous Commission as owners of the Waikaremoana Block, and whether those persons are all Ngati Ruapani or purely Tuhoe it is, at any rate, plain to us that the persons amongst them who live at Waikare have been given the largest shares in the order.

(3.) In regard to the Ngati Kahungunu case, the main point to be decided is, had they any rights to the land formerly, and if so do such rights still continue, or had they never any rights thereto at any time.

In our opinion, taking into consideration all the evidence given, the sales to the Crown of the lands immediately outside this land, the fact that the land is now lying unoccupied by either of the two contesting parties, the inclusion of the true descendants of Pakitua who live permanently at Te Wairoa—fifty-eight persons in all—to whom large interests have been given, and the fact that the "mana" of Te Kapuamatotoru and his descendants to the food procured upon the land is admitted by the other side.

Huræ Puketapu himself states that he waited and waited for Te Haenga Paretipua to arrive and present a list of names of his party, but that Te Haenga never came to either of the sittings of the previous Commission held at Te Waimako and at Te Whaiti.

All these facts taken together lead us to recommend that the list of the descendants of Te Kapuamatotoru and all those of that party should be included in the land. We have therefore prepared and attached to the file of Waikaremoana Block a list of their names, numbered from 788 to 905, inclusive, with individual shares as shown therein, for inclusion in the order.

This list also contains the list of names of Rakera te Apatu and other persons who have been included therein by the Commissioners, as they have one and the same right together with Te Haenga and his party, and the individual shares set opposite their respective names in the said list have been duly considered and fixed by this Commission. We recommend that these names and shares be added to the order.

Appeal No. 82.—By Waaka Paraone te Ranui and others, claiming the inclusion of the names of thirty-four persons. This case and the case of the person opposing it was duly inquired into by this Commission and heard to its conclusion, and after due deliberation we are of opinion that the evidence put forward in support of this claim is not sufficient to establish occupation of such a character as would entitle them to be included. We therefore recommend that the list of thirty-four persons submitted under this appeal be disallowed, and the appeal dismissed.

Wi Pere's Case.—A list of names of the members of the Ngati Whareanga Hapu was submitted by Wi Pere to this Commission at Whakatane on the 21st January, 1907, for inclusion in that portion of Waikaremoana Block named Whanganui-o-Parua, under his Appeal No. 35, which will be found amongst the appeals in reference to Maungapohatu Block. This list contains the names of eighty-six persons in all, and is marked with the letter "Q." These names and shares were read out by this Commission on the day they were submitted, and objected to on that day by Numia Kereru, together with other lists of names submitted by Wi Pere for inclusion in other portions of the land. No separate witness, however, appeared before us to give evidence of occupation on the part of the persons in this list. Apart from the general evidence given by Wi Pere in regard to the main Ngati Kahungunu tribal boundary, and its internal subdivisional boundaries, there is nothing whatever to guide us. We are consequently unable to form an opinion as to whether these people have or have not rights to the land, seeing that no evidence of occupation on their part was advanced before us. We have therefore no recommendation to make in regard to this list.

We recommend that the order for Waikaremoana Block be amended in accordance with the several recommendations made under the respective appeals in regard thereto above set out.

The seven persons whose names are hereunder set out are the persons who have been selected by the owners of the land from amongst their number and proposed by them as the members for the Hapu Committee for this block, and agreed to by all the owners present before this Commission sitting at Te Whaiti on the 22nd day of March, 1907:—

PARAOANUI BLOCK.

Appeals Nos. 86 and 88.—By Taihakoia Poniwahio and others; and

Appeals Nos. 89 and 90.—By Erueti Tamaikoha.

These four appeals ask for the inclusion of certain alleged rightful owners in this land, and that the land be divided into two portions, the dividing boundary to be the Te Waiti Stream as shown in the plan, that part north of the said stream to be called Paraoanui North, the owners for the said northern portion to be the persons whose names appear in the original order for Paraoanui Block, numbered from 1 to 115, inclusive, together with the additional list of nineteen new persons submitted for inclusion, and numbered from 116 to 134, inclusive; the individual shares of the 115 persons in the order to remain as shown therein, and the shares of the nineteen additional owners to be as set out in the list of their names attached to the file, the area of the said northern portion of this land being 3,400 acres, more or less.

The portion of the Paraoanui Block lying to the south of Te Waiti Stream to be called Paraoanui South, the owners to be the same 115 persons contained in the original order for Paraoanui Block with shares as therein shown, together with the additional nineteen persons above mentioned, numbered from 116 to 134, inclusive, in the manuscript list attached to the file with shares as therein shown, and the names of the further 206 persons submitted for inclusion in this portion of the block, numbered respectively from 135 to 340, inclusive, in the list attached to the file, with individual shares as shown therein, the area of the said southern portion being 5,510 acres, more or less.

No objection whatever has been advanced to this arrangement. We recommend that the mutual arrangement, agreed upon by the owners as above set out, be adopted, and that the order be amended, and the block partitioned in accordance therewith.

Appeal No. 87.—By Taihakoia Poniwahio and others. This appeal was withdrawn by appellant, there being no objectors. We recommend that it be dismissed accordingly.

Appeal No. 91.—By Tupara Tamana and others. This is a claim for the inclusion of the names of twenty additional persons, and was opposed by the owners of the land.

This case was inquired into and heard to its conclusion. There is, however, in our opinion, no strong evidence of occupation on the part of those seeking inclusion, and we find that certain kaingas alleged in evidence as proof of occupation by these persons are situate outside of this block, and not within it.

We therefore recommend that this claim be disallowed, and this appeal dismissed.

The six persons whose names are hereunder set out are the persons who have been selected by the owners of the land from amongst their number and proposed by them as the members for the Hapu Committee for this block, and agreed to by all the owners present before this Commission sitting at Whakatane on the 8th day of March, 1907:—

1. Tuhukia te Hiko.
2. Taihako Poniwahio.
3. Te Pairi Tuterangi.

4. Te Hauwaho Tamaikoha.
5. Takao Tamaikoha.
6. Netana te Whakaari.

PARAEROA BLOCK.

Appeal No. 98.—By Te Kahu Paurini and others, claiming the inclusion of twenty-four persons for that portion of the block named Paraeroa B. No objection is made to the inclusion of these persons in the portion mentioned for the interests asked. We have therefore prepared and attached to the file of Paraeroa Block a list of their names, numbered from 21 to 44, inclusive, with individual shares as shown therein, and we recommend that the said names and shares be added to the order accordingly.

Appeals Nos. 92 and 94.—By Utiera Tuau and others. These two appeals were withdrawn by Mika te Tawhao on behalf of the appellants, there being no objectors. We recommend that these two appeals be dismissed.

Appeal No. 95.—By Mika te Tawhao and others, objecting to the decision of the previous Commission, which awarded an area of 150 acres, in the portion of the block named Paraeroa B, to Tupara Kaaho and those of his party, the appellants alleging that their pas, kaingas, and dead have thus been awarded away from them and passed into the hands of strangers, and asking that the said award be annulled.

Appeal No. 101.—By Tupara Tamana, *alias* Tupara Kaaho, and others, objecting to the decision of the previous Commission, by which an area of 255 acres in Paraeroa B portion was awarded to Mika te Tawhao and his party, and asking that the said award be set aside.

We have duly weighed and considered the evidence advanced by the contesting parties in these two appeals, and one of the Commissioners, Paratene Ngata, has personally inspected the signs of occupation alleged upon the land.

It is clear to us that the two pas, the dead, and the sites of whares which were seen upon the land are the property of one side only, Te Ahikaiaata, senior, and Tupara Kaaho, both admitting that the said pas belonged to the ancestors of Mika te Tawhao's party, but asserting that such occupation was without right.

In regard to the pa Te Hika-o-Tonga, alleged by Tupara, upon inspection of the land no pa was found to exist at the place alleged, nor any sites of whares.

As to the occupation dating from the year 1894, or shortly before or subsequent to that date, we do not look upon such recent occupation as meriting any very serious consideration, seeing that disputes and disagreements as to the ownership of land had commenced prior to that date. Furthermore, we are not clear as to the means whereby the ancestor Hinekura could have become possessed of this land on the western side of the Whakatane River, as alleged, and there are no pas or dead belonging to that ancestor or her descendants on this portion of the land to bear out such contention. However, towards the conclusion of the hearing of this case before this Commission, Tupara withdrew his objection to the 255 acres awarded by the previous Commission to Mika te Tawhao and party, and asked that that decision be affirmed.

As the result of our deliberations we, after due consideration, recommend that the decision of the last Commission, awarding 150 acres in Paraeroa B to Tupara Kaaho and his party, be annulled, and that the whole of the land contained within the boundaries of that portion of the block which is named Paraeroa B, and situate on the western side of the Whakatane River, be awarded to the rightful descendants of the ancestor Murakareke, who have permanently occupied—viz., to Mika te Tawhao and his party, whose names and shares appear in the order, numbered from 195 to 213, inclusive, with the addition of the name of Kiekie Mikaere, m., with an interest of four shares—this name having been agreed to be included at the time of the previous Commission, though the name has been unaccountably omitted from the order of that Commission—and that the claim of Tupara Kaaho under his ancestor Hinekura be dismissed. We further recommend that this portion of the land, within its own defined boundaries as already surveyed, be cut off from the main Paraeroa Block and made a separate block to be called Paraeroa B, containing 410 acres, more or less.

We have prepared and attached to the list of Paraeroa and Paraeroa B Block a list of the names of the owners for this portion, numbered from 1 to 20, and from 21 to 44, inclusive, showing the relative interest of each person for a total amount of 116 shares for the 410 acres.

Appeal No. 100.—By Te Wharau Tapuae and others, for the inclusion of the names of himself and others of the Ngaitatua Hapu, descendants of Tamakaimoana, and alleging that a portion of Omahuru Block has been included in Paraeroa. A very great amount of evidence was given in this case, which we will deal with presently.

Appeals Nos. 96 and 97.—By Te Iwikino Hairuha and others; and

Appeal No. 99.—By Waaka Paraone te Ranui and others.

These three appeals ask for the inclusion of certain presents under the ancestral right of the ancestors Tamakaimoana, Hahore, and Te Purewa, and much evidence has been submitted which we will presently consider.

Appeal No. 93.—By Erueti Tamaikoha, claiming inclusion in that portion of the land which is named Ohora, as contained within its boundaries submitted by him to the previous Commission and awarded by that Commission to him (*vide* Book 6, page 177), and alleging that when the lists of names were being dealt with by the last Commission the Commissioners withheld this list and read out the list submitted to them by Tupara Kaaho for this land.

Tupara Tamana, *alias* Tupara Kaaho, who opposes these five appeals, contends that no part of Omahuru Block has been included in Paraeroa Block, that the ancestor Tamakaimoana has no right to this land, excepting only to a small portion at Waimahae containing perhaps about 200 acres, and that the right to this land is from the ancestor Hinekura.

Tupara also asserts that neither Te Wakaunua Houpepe, Tamaikoha, Te Wharau Tapuae, or Akuhata te Kaha have any occupation on this land, but that he (Tupara) put certain of their party into the land through "aroa."

We have duly considered the evidence given before us, together with the evidence submitted before the previous Commission, and we will now proceed to deal with the appeals of Te Wharau Tapuae and Akuhata te Kaha.

It is not clear to us that any portion of Omahuru Block has been included in Paraeroa. The portion of Paraeroa Block claimed as part of Omahuru by Te Wharau Tapuae within the boundaries given by him before this Commission does not adjoin the Omahuru Block. It is admitted that the ancestor Tamakaimoana had a small interest in this Paraeroa Block, but there is no strong evidence of occupation of that portion of the block named Waimahae, under that right.

Re the ancestor Te Furewa: It is admitted that this man was buried at Tarewakoko by Te Kaaho and others, but that fact in itself alone is not in our opinion proof of occupation of the land by his descendants. There is no satisfactory evidence of occupation by them upon this land.

We therefore recommend that these several appeals, Nos. 96, 97, 99, and 100 respectively, be dismissed.

In regard to Appeal No. 93, by Erueti Tamaikoha, we have read the decision given by the previous Commission upon Tamaikoha's case for the portion of Paraeroa Block named Ohora, and we find that his claim therefor was unopposed by any person, and that the Commission gave judgment in favour of his claim. We are not clear, however, as to why the Commissioners first read out other lists of names and held over the list submitted by Tamaikoha—to whom they had awarded the Ohora portion—until afterwards. It seems to us that this was probably the reason that Tamaikoha felt mortified and asked to withdraw his list and stated that it was his intention to appeal. He did not, however, strongly put forward his case before us, nor tender evidence in regard to occupation and other proofs of rights to the land on the part of himself and party. The persons for whom he claimed totalled 216, as contained in the list of names submitted by him to the previous Commission on the 25th day of February, 1899; the award of that Commission was given on the 11th February, 1902, and the order for the land was made on the 3rd March, 1902.

We are at a loss to understand why no one of the 216 persons contained in that list of names stood up before the previous Commission to urge their claims and protest against the withdrawal of their names, nor appeared before this present Commission to uphold their rights to the land. The names of Numia Kereru and his children are contained in that list, yet on the 5th day of February, 1902, in reply to the objection then made by Tupara Kaaho to his sitting on the case as a Commissioner, on the ground that he was an interested person, Numia stated (*vide* Book 6, page 125) that he was not interested and had no claim.

However, when Erueti Tamaikoha appeared before this present Commission he made no special statement in regard to the boundaries, or occupation, or any other substantial evidence of right, in support of his case, nor did he submit any list of names to us for inclusion in the land. We are therefore of opinion that his case should be dismissed, and we recommend accordingly.

In regard to Pukepohatu Block which was awarded to Tamaikoha and his party by the last Commission, this land is shown in the plan of Paraeroa Block as part of that block. It appears to us, however, that the area of 7,488 acres stated in the face of the order for Pukepohatu Block is the acreage contained in the Pukepohatu Block—adjoining but outside of Paraeroa Block on the eastern side—which is uninvestigated Native land for which no order has been issued, nor claim been advanced, and of which no survey has as yet been made.

The seven persons whose names are hereunder set out are the persons who have been selected by the owners of the land from amongst their number and proposed by them as the members for the Hapu Committee for this block, and agreed to by all the owners present before this Commission sitting at Whakatane on the 8th day of March, 1907:—

1. Tupara Kaaho.
2. Paora Rangiahō.
3. Anania te Ahikaiata.
4. Tamehana te Puia.

5. Te Hira Waikite.
6. Mika te Tawhao.
7. Mihaka Matika.

RUATAHUNA BLOCK.

(Appeals Nos. 102 to 116, inclusive—fifteen appeals in all.)

Appeal No. 102.—By Puru Rawinia and others.*Appeal No. 103.*—By Te Mapu te Pukeiotu and others.*Appeal No. 113.*—By Te Rahui Hoera.*Appeal No. 116.*—By Tawai Tukumarū and others.

These four appeals were withdrawn on behalf of the appellants—No. 102, by Te Wharepourī te Amo, on behalf of his mother, the appellant, Puru Rawinia, on the 1st February, 1907; Nos. 103 and 113 on the 4th February, 1907; and No. 116 on the 4th February, 1907, there being no objectors. We recommend that these four appeals be dismissed accordingly.

Appeals Nos. 105 and 106.—By Te Whenuanui and others.*Appeal No. 107.*—By Mahaki Tapiki and others.*Appeal No. 109.*—By Hori Wharerangi and others.*Appeal No. 110.*—By Mapu (te Pukeiotu) and others.*Appeal No. 111.*—By Erueti Tamaikoha and others.*Appeal No. 112.*—By Te Iriwhiro te Wiremu and others.

These seven appeals ask for increase of shares, and the increases asked for in each case have been discussed and settled by mutual arrangement between the owners, and agreed to by them before this Commission without objection. We have therefore prepared and attached to the file of Ruatahuna Block a list of the names of these persons, 180 in number, showing the increased shares agreed upon, and we recommend that their interests be so increased.

Under Appeal No. 107 it was further asked that five additional persons be included in the order. No objection has been made to the inclusion of these persons; we have therefore added their five names, numbered from 885 to 889, inclusive, to the list attached to the file, with individual shares as shown therein, and recommend that they be added to the order accordingly.

Appeal No. 108.—By Te Rahui Hoera, claiming the inclusion of the name of Rere Rahui, f., six years, for an interest of five shares, there being no objectors. We have added this name, numbered 890, to the list attached to the file, and we recommend that it be added to the order for the five shares asked.

Appeal No. 114.—By Puihi Marutawhao and others, claiming the inclusion of forty-nine additional persons in the portion of Ruatahuna Block named Te Waiiti. This was agreed to by the owners; we have therefore added their forty-nine names, numbered from 891 to 939, inclusive, to the list attached to the file, with shares as therein shown, for inclusion in the Te Waiiti piece only, and we recommend that they be so included accordingly.

Appeal No. 104.—By Te Rauna Pakaha and others, for the inclusion of twenty-seven additional persons in the portion of Ruatahuna Block named Whakahau, for the relative interests contained in the list of their names submitted by the appellants to this Commission.

This same claim was made by Te Rauna Pakaha before the previous Commission, and was then opposed by Te Kauru te Kanapu. The Commissioners, after hearing the case, gave a decision (*vide* Book 6, p. 262) including the names of six heads of families, selected from amongst these persons, in the land with interests of one share each. The names of Te Rauna Pakaha and his party do not, however, appear in the order, and we are unable to discover why they have been omitted therefrom.

We have considered this case, and we find that the evidence of Te Whenuanui, Hori Wharerangi, and Paitini Tapeka, given at the previous Commission (*vide* Book 6, page 161) supports this claim. We are of opinion that the claim on behalf of these twenty-seven persons should be upheld, and their names and shares included in the order as for the Whakahau portion only of the Ruatahuna Block. We have therefore inserted their names, numbered from 940 to 966, inclusive, in the list attached to the file, with shares as therein shown, and we recommend that they be included in the order accordingly as for the Whakahau piece only.

Appeal No. 115.—By Mehaka Tokopounamu and others, for the inclusion of the names of ten additional persons in the order for this land. This case was also set up before the previous Commission and inquired into by them, and the claim was dismissed.

We have duly considered this case as submitted to us, together with the evidence advanced by the witnesses in support of the same claim at the time of the previous Commission, and we find that they now advance a new claim—by ancestry—in addition to the claim by gift which alone was set up by them at the former hearing. We are at a loss to understand how—if the ancestral right of Ngati Tawhaki now alleged by them is correct—Tuiringa of Ngai te Riu could possibly have made a gift to them (Ngati Tawhaki) of this their own ancestral land. Moreover, the evidence submitted by them to this Commission is entirely at variance in many important particulars from that submitted by them to the previous Commission. They at that time stated that the alleged gift of this land was made by Tuiringa to Te Puehu, Ruru, and Ngati Tawhaki, for assistance rendered by them in avenging the defeat of Ngai te Riu at Kauae, when they (Ngati Tawhaki) defeated Ngati Whare at Arikirau. At this present Commission they state that the gift was made by Tuiringa to Te Puehu and Ngati Tawhaki in payment for the blood of Ngati Tawhaki, who fell at Mangatepa in a fight which took place about the wife of Ruru.

Contrast the several lines of descent given below, tracing down from Tuiringa, the alleged maker of the gift of this land, and from the captives of Ngai te Riu, named Te Romate, and Tuku, who were rescued by Ngati Tawhaki from Ngati Whare at Arikirau: *i.e.*,—

Tamahore	Te Romate						
Te Pahii	Te Kiripapa	Tuku					
Rangiwhakahaerea	Putahina	Murahioi	Tuiringa				
Turaki	Te Haunui	Taratoa	Tupaea				
Tupaea	Rautipu*	Matika	Mokonuiarangi				
Miria*	Te Atamea	Mihaka	Tawera	Te Puehu	Ruru	Te Kurapa	
Poniū.	Te Koro.	Reupena*.	Tuiringa.*	Te Hokotahi.*	Moheke.*	Matu te Kurapa.*	
			* Living.				

From these comparative genealogical lines it is evident that the persons mentioned in connection with this alleged gift could not possibly have lived during the same generation.

In regard to the occupation, it is admitted that Ngati Tawhaki lived on this land at the time when all the hapus of Tuhoe Tribe assembled and lived together at Ruatahuna for mutual protection during the fighting-times in former days. It is in our opinion most clearly apparent that this claim is entirely unjustified. We therefore recommend that the list of names submitted for inclusion thereunder be disallowed, and the appeal dismissed.

We further recommend that the south-eastern boundary of Ruatahuna Block be amended—and the area of the block corrected in accordance with such amendment—to follow the amended south-eastern boundary as shown on the plan.

The seven persons whose names are hereunder set out are the persons who have been selected by the owners of the land from amongst their number, and proposed by them to be the members for the Hapu Committee for this block, and agreed to by all the owners present before this Commission sitting at Whakatane on the 8th day of March, 1907:—

Appeal No. 119.—By Mika te Tawhao and others, claiming inclusion of six additional persons.

Appeal No. 120.—By Ereata Heremia and another, claiming inclusion of eleven additional persons.

There being no objectors to either of these appeals, we have prepared and attached to the file a list of their seventeen names, numbered from 238 to 254, inclusive, with individual shares as shown therein, and we recommend that the said names and shares be added to the order.

Appeal No. 117.—By Te Wharau Tapuae.

Appeals Nos. 118 and 121.—By Te Hapuku Hopa.

These three appeals were withdrawn on behalf of appellants by Te Wharau Tapuae, there being no objectors. We recommend that they be dismissed.

Appeal No. 122.—By Te Waaka Paraone te Ranui. This appeal was left by the appellant in charge of certain persons appointed by him on the 8th January, 1907. No one, however, appeared before us to ask that this case be taken, from the date mentioned until the conclusion of the sitting of the Commission at Te Whaiti on the 28th day of March, 1907. We therefore recommend that this appeal be dismissed.

The six persons whose names are hereunder set out are the persons who have been selected by the owners of the land from amongst their number and proposed by them to be the members for the Hapu Committee for this block, and agreed to by all the owners present before this Commission sitting at Whakatane on the 8th day of March, 1907:—

TE RANGA-A-RUANUKU BLOCK.

Appeal No. 125.—By Hiki Natanahira and others, for the inclusion of the names of three persons in the order, there being no objectors. We have prepared and attached a list of their names, numbered from 564 to 566, inclusive, to the file of papers for this block, with individual shares as shown therein, and we recommend that the said names and shares be added to the order.

Appeal No. 123.—By Tiopira Tamaikoha, claiming the inclusion of three additional persons in the order. To this there are no objectors; we have therefore included their names, numbered from 567 to 569, inclusive, in the list attached to the file, with shares as shown therein, for inclusion in the block, and we recommend that their names and shares be added to the order accordingly.

This appeal further asks that the interests of Tiopira Tamaikoha, No. 410 in order, and Ngahirata Tiopira, No. 497 in order, be increased to twenty shares each, there being no objectors. We have therefore inserted the increased shares asked for opposite their names in the order respectively, and we recommend that their shares be so increased accordingly.

Appeal No. 124.—By Puihi Marutawhao and others. This appeal was withdrawn by the appellants, there being no objectors. We recommend that it be dismissed.

Appeal No. 126.—By Mehaka Tokopounamu and others, claiming the inclusion of thirty-seven new persons in the order as owners. This claim was opposed by Numia Kereru, and each of these two cases was duly inquired into by this Commission and heard to its conclusion.

We have considered the evidence, and we are of opinion that Mehaka has failed to establish his case. The ancestral right alleged by the appellants is denied, and the evidence of occupation advanced by them is not clear, with the exception of the occupation of Hami while he was married to and living with Katau, and the occupation of his sister Repora, the mother of Mehaka, during the time she was the wife of Hukanui. We are of opinion that the objections put forward by the case opposing this appeal are irrefutable, and that the claim for inclusion should be disallowed and the appeal dismissed, and we recommend accordingly.

Appeal No. 127.—By Rawiri Kokau and others. This appeal was gazetted as applying to Tarapounamu-Matawhero Block, but was, at the request of Rawiri Kokau on behalf of all the appellants, allowed to be amended by being withdrawn from amongst the appeals in regard to Tarapounamu-Matawhero Block and taken as applying to Te Ranga-a-Ruanuku Block.

This appeal was heard by us to its conclusion, as also was the case of objection thereto set up by Numia Kereru. During the course of the inquiry application was made that two pas, named Oteahu and Okuao—alleged by the appellants to be walled pas (“pa maioro”) existing on the land, and the existence of which was strenuously denied by the respondents—should be visited and inspected upon the land. Two persons were therefore selected by the contesting parties, one from each of the two opposing cases, and deputed by this Commission to inspect the land, and report to us in person on their return.

We have duly considered the evidence put forward by each of the two contesting cases. The land has been inspected, and the two pas alleged by the appellants could not be found, nor were there any sites of whares to be seen at the places alleged by them to be pas.

We are of opinion that the appellants have failed to establish their case of objection to the award of the previous Commission. We recommend that their appeal be dismissed, and that the decision of the previous Commission in regard to the dividing boundary between Te Ranga-a-Ruanuku Block and Tarapounamu-Matawhero Block be affirmed.

The seven persons whose names are hereunder set out are the persons who have been selected by the owners of the land from amongst their number and proposed by them to be the members for the Hapu Committee for this block, and agreed to by all the owners present before this Commission sitting at Whakatane on the 8th day of March, 1907:—

TARAPOUNAMU-MATAWHERO BLOCK.

Appeal No. 138.—By Ngahiwi te Kapiti, asking that her interest be increased to twenty shares. It was eventually settled before this Commission that the interest of the appellant Ngahiwi te Kapiti, No. 881 in the order, be increased to fifteen shares, and we recommend that her interest be so increased accordingly.

Appeals Nos. 131 and 139.—By Te Hira Tangohau and others, asking for the inclusion of two additional persons in the order with an interest of five shares each. There being no objectors, we have added their names, numbered 884 and 885, to the list attached to the file for the shares asked, and we recommend that they be added to the order.

These appeals further ask that the interests of eleven persons in the order, Nos. 22 to 29, inclusive, and Nos. 182, 183, and 184 respectively, be increased, and there being no objectors to the increased interests asked for, we recommend that they be increased accordingly to the shares shown opposite their names in the manuscript list attached to the file.

Appeal No. 135.—By Matiu te Kurapa and others, for the increase of the shares of twenty-three persons, numbered respectively in the order from 170 to 180 and 185 to 196, inclusive. There being no objectors, we recommend that their interests be increased accordingly to the shares shown opposite their names in the list attached to the file.

Appeal No. 127.—By Rawiri Kokau and others. This appeal was withdrawn by the appellants as not referring to Tarapounamu-Matawhero Block, and was amended and taken as applying to Te Ranga-a-Ruanuku Block, and has already been dealt with by us in our recommendations in regard to Te Ranga-a-Ruanuku Block.

Appeal No. 130.—By Atama te Kikiwa and others.

Appeal No. 140.—By Mehaka Tokopounamu and others.

These appeals ask for the inclusion of fifteen persons in the order, their names and shares being contained in the list attached to the file, and therein numbered from 898 to 912, inclusive. This has been agreed to by the owners. We recommend that their names and shares be added to the order accordingly.

These appeals further ask that the interests of seventy-three persons in the order be increased, and, there being no objectors, we have added their names and shares to the list attached to the file, numbered respectively 128 to 139 inclusive, 159, 274 to 277 inclusive, 438 to 440 inclusive, 454 to 469 inclusive, 632 to 635 inclusive, 641 to 659 inclusive, 698 to 701 inclusive, 705, 722, 723, 745 to 750 inclusive, 839, and 871, and we recommend that they be so increased accordingly.

These appeals further ask that the names of 124 persons, whom they allege have no right, be struck out of the order, this contention being opposed by Te Wharau Tapuae and Te Whetu Paerata. The appellants subsequently withdrew the names of forty-six of these persons from their list, leaving a balance of seventy-eight persons objected to by Mahaka and party.

As the list of names of Te Tuhi Pihopa and his party, eighteen persons in all, has been upheld, and we find from Book 6, page 52, that Mehaka Tokopounamu at the time of the previous Commission admitted the names of the twenty-six members of Warahoe Hapu who were included in the order by that Commission, Mehaka has therefore no right now to object to the names of persons to whose inclusion he at that time agreed.

This leaves a balance remaining of thirty-four persons objected to by Mehaka, all of whom were absent at other places and did not appear before this Commission, and, seeing that these persons are owners of but very small shares in the order, and that a large number of other owners have been recommended to be given increased interests, we are of opinion that Mehaka's case of objection should be disallowed, and that the names of all the persons objected to by him should remain in the order for their respective individual shares as shown therein, and we recommend accordingly.

Appeal No. 134.—By Mahaki Tapiki and others, asking for the inclusion of twelve persons in the order. This was agreed to, there being no objectors. We have therefore added their names, numbered from 886 to 897 inclusive, to the list attached to the file, with individual shares as therein shown, for inclusion in the order, and we recommend that they be so included accordingly.

This appeal further asks that the interests of twenty-four persons in the order, Nos. 197 to 202, 206, 240 to 242, 781 to 785, and 787 to 795, be increased. There being no objectors, we have added their names and shares to the list attached to the file, and we recommend that their shares be increased to the respective amounts therein set out.

Appeal No. 129.—By Te Wharepapa Atamira and others, claiming that the shares of thirty-one persons in the order be increased.

The increased shares asked for thirteen of these thirty-one persons—i.e., Te Whatanui Matiu and his family—have been agreed to, but Rawiri Kokau opposed the increases asked for the remaining eighteen persons, and the cases of Te Tuhi Pihopa on behalf of the said eighteen persons, and of Rawiri Kokau objecting to the increased shares asked for them, were duly inquired into and heard by this Commission to their conclusion. During the course of the case application was made by the parties that a disputed cultivation at a place named Te Haka be inspected, and Paratene Ngata, one of the Commissioners, visited the land, and found that there were two cultivations at the place mentioned, thus bearing out the contention advanced by Te Tuhi Pihopa's case.

We recommend that the eighteen persons in question be granted the increased shares set opposite their individual names respectively in the list attached to the file.

Appeal No. 128.—By Kareko Ramari and others, claiming that their shares be increased, and alleging that they are the sole owners of the portion of Tarapounamu Block named Paepaewhenua.

The appellants submitted a list of names of forty-six persons as owners for this piece. This case was opposed by Mehaka Tokopounamu on the ground that these persons are not descendants of the ancestor Tawhaki, and that Awatope, the ancestor set up by them, had no right to this land. This case was inquired into and heard by us to its conclusion, and it transpires that neither the appellants nor any of the witnesses have ever been on this land at any time. Even though they appear to be from sixty to seventy years of age, none of them have ever occupied the land.

We are not satisfied that their ancestor Awatope had any right to the land, and it is clear that they themselves have never occupied it. We consider that they have been fortunate in having obtained inclusion in the order under the award of the previous Commission, and we therefore recommend that their claim be disallowed and their appeal dismissed.

Appeal No. 132.—By Te Whenuanui and others.

Appeal No. 133.—By Te Uwira Aronika and others.

Appeal No. 137.—By Aterea Ngahere and others.

These three appeals were not dealt with, none of the appellants having appeared before this Commission at any of its sittings extending from the 5th December, 1906, to the 28th March, 1907. We recommend that they be therefore dismissed.

Appeal No. 136.—By Te Whaiti Paora and others. This appeal was withdrawn by the appellants, there being no objectors. We recommend that it be dismissed.

The seven persons whose names are hereunder set out are the persons who have been selected by the owners of the land from amongst their number and proposed by them as the members of the Hapu Committee for this block, and agreed to by all the owners present before this Commission sitting at Te Whaiti on the 22nd day of March, 1907:—

TE WHAITI-NUI-A-TOI BLOCK.

During the inquiry into the nineteen appeals regarding this block, where several appeals had been lodged by different persons of the same tribe or hapu, such appeals were amalgamated as far as possible and heard as one general combined case. There were, however, a few of these appeals heard by us as separate cases standing by themselves.

Appeals Nos. 145 and 146.—By Hohepa Poia and others.

Appeal No. 155.—By Parakiri Rawiri and others.

Appeal No. 157.—By Te Whaiti Paora and others.

Appeal No. 162.—By Harehare Aterea and others.

These are all Ngati Manawa appeals, and were conducted as one general combined case under the grounds of claim advanced by their witnesses before this Commission. This was the first case dealt with, and refers to the whole block and the portions of its boundaries which are in dispute, the evidence and proceedings taken being contained in the minutes of this Commission.

Appeal No. 152.—By Hori Wharerangi and others. Was the second case taken, claiming a large portion of this block on behalf of the Ngati Marakoko Hapu, within defined boundaries stated by Hori Wharerangi. All the evidence given in this case is also contained in the minutes of this Commission.

Appeal No. 150.—By Hori Kaperiere and others.

Appeals Nos. 153 and 154.—By Taniko Iharaia and others.

Appeal No. 160.—By Tamati Waaka and others.

Appeal No. 161.—By Hiwawa Whatanui and others.

These are all Ngati Whare appeals, claiming the whole of the Te Whaiti Block, and the boundaries in dispute, and were heard by us as one combined case, this being the third case taken; all the evidence and proceedings taken being contained in the minutes of this Commission.

Appeals Nos. 148 and 149.—By Himiona Tikitu and others.

Appeal No. 156.—By Te Haroto Manuera and others.

These three appeals were combined, and conducted by Himiona Tikitu on behalf of his hapu Ngamaihi, comprising nineteen persons, whose names are set out in the list submitted by him to this Commission, and whom he admits have never occupied this land; the evidence and proceedings in this case being contained in the minutes of this Commission.

Appeal No. 144.—By Hokotahi te Puehu and others.

Appeal No. 147.—By Aterea Ngahere and others.

Appeal No. 151.—By Te Aranui Himiona and others.

Appeal No. 158.—By Te Kauru te Kanapu and others.

These four appeals are all lodged by members of the Tuhoe Tribe and its hapus, and were heard as one combined case, claiming the whole block under the "mana" of Tuhoe, alleged to have been acquired by them through their conquest over Ngati Pukeko; the evidence and proceedings taken in this case also being contained in the minutes of this Commission.

Appeal No. 159.—By Mehaka Tokopounamu and others. This is a claim for the inclusion of the names of ten persons, but no evidence was given before this Commission in support of the claim that their names be included.

The case in regard to the disputed overlapping boundaries of Tarapounamu-Matawhero, Hikurangi-Horomanga, and Te Whaiti-nui-a-Toi Blocks has already been dealt with by us in our recommendations in regard to the Hikurangi-Horomanga Block, and the disputed overlapping boundaries of Otairi, Maraetahia, and Te Whaiti-nui-a-Toi Blocks have also been dealt with by us in our recommendations in regard to the Maraetahia and Otairi Blocks. There is, therefore, no object in repeating ourselves here in regard to the said disputed boundaries.

We will now proceed to deal with the several cases before us in regard to the Te Whaiti Block, dealing first of all with the case of Himiona Tikitu on behalf of the Ngamaihi Hapu. We cannot see any ground whatsoever to justify this claim. From Himiona Tikitu's own evidence it is plain that the ancestral right alleged by him was extinguished by conquest, and in regard to occupation he himself states that none of the persons in his list of names have ever occupied the land, with the single exception of himself alone. We do not, however, look upon his personal occupation as having been occupation under right to the land. Towards the conclusion of his case, however, Himiona withdrew all the persons in his list of names excepting himself, and thus reduced his case to a personal claim for himself only.

We are of opinion that Himiona Tikitu's occupation was not occupation under right to the land. We therefore recommend that his name be struck out of the land and his case dismissed.

In regard to the case of Mehaka Tokopounamu on behalf of the ten persons submitted by him for inclusion, all these names were objected to before this Commission, and no evidence whatever was given before us in support of their claim for inclusion. We are therefore unable to do otherwise than recommend that this case be dismissed.

In regard to the case of Hori Wharerangi on behalf of the ancestor Marakoko and his descendants, there are a very large number of the descendants of the ancestor Marakoko contained in the Ngati Whare, Ngati Manawa, Tuhoe, and Warahoe Tribes. Hori Wharerangi alone sets up the claim under this ancestor, and claims a large portion of the block within the boundaries given by him under that claim. This claim, however, was dealt with when the list of names of Ngati Marakoko Hapu was submitted to the previous Commission, under the alleged right of the ancestor Marakoko, and their names were disallowed by that Commission.

Even though there are presumably a large number of descendants of Marakoko amongst Ngati Whare, Ngati Manawa, Warahoe, and Tuhoe Tribes, yet not one of these persons was called as a witness in support of this claim under Marakoko.

In reference to the boundary of Marakoko's land alleged by Hori Wharerangi, this is entirely denied by the majority of the witnesses in the other cases for this block. We are, however, of opinion from the evidence that Marakoko had an interest within Te Whaiti Block, seeing that he was a descendant of Wharepakau, the ancestor admitted by all the contesting cases as the owner of this land, and he was also a descendant of Tangiharuru. We do not, however, believe the boundary alleged by Hori Wharerangi; there is no clear account given of this boundary having been laid down by Marakoko in conjunction with other ancestors owning the lands immediately outside it, and we are of opinion that only the proper descendants of Marakoko who have permanently occupied this land are entitled to be included in the order as owners. We are further of opinion that the persons in Hori Wharerangi's list of names have not permanently occupied this land, with the exception of the persons of Tuhoe, Ngati Whare, or Warahoe Hapus which this list contains, and their names are also contained in other lists of names to which we will subsequently refer.

We recommend that the whole of the list of persons submitted by Hori Wharerangi be dismissed.

We will now deal with the case of the Tuhoe Tribe and its hapus. We have considered the evidence given before us, together with the evidence advanced before the previous Commission, and the evidence given by Tutakangahau during the hearing of the Whirinaki case by the Native Land Court, and the award given by the said Court, and we have no hesitation in stating that, in our opinion, Tuhoe have no right whatever to any part of the Te Whaiti Block, and they have no occupation upon the land.

A very great deal of evidence was given in regard to the alleged conquests by Tuhoe over Ngati Manawa and Ngati Pukeko, but it is perfectly clear that these "conquests" (so called) were merely avengings of former defeats, and did not in any way affect the ownership of the land. The principal witnesses in the Tuhoe case, however, assert that these conquests over Ngati Pukeko established their "mana" upon the land, but they did not subdivide the land, nor did they occupy pas or kaingas upon it, subsequently to the conquest over Ngati Pukeko, whereas it is admitted by the witnesses in all the contesting cases that Ngati Whare and Ngati Manawa lived upon the land after the conquest by Tuhoe over Ngati Pukeko, and, furthermore, that they were the occupants of this land prior to that conquest. The Tuhoe hapus do not attempt to deny their occupation from former times down to the present day—that is to say, until the time when Tuhoe set up a claim to this land.

We have been unable to discover that any persons of pure Tuhoe descent only have ever permanently occupied the land at any time down to the present day, the only persons of that tribe whom it is clear did occupy being persons of Tuhoe who are partly of Ngati Whare descent, and they are therefore Ngati Whare also. In regard to Paitini Tapeka, the principal witness in support of the Tuhoe case, there is no clear evidence that he permanently occupied the land.

With reference to the large whare which was erected at Te Murumurunga as a church in the year 1884 by all the hapus of Tuhoe, that is no evidence of occupation on the part of Tuhoe, for it is the case that very many whares of this description have been from time to time erected in

many parts of this Island under the administration of the Ringatu Church, but the rights to the lands on which they stand are in no way affected thereby.

We are therefore of opinion that the entire Tuhoe case should be disallowed, including the list of additional persons now submitted by them for inclusion, and that the lists of their names already in the order should be struck out therefrom, and their appeals dismissed, and we recommend accordingly.

We will now deal with the case of Ngati Manawa Tribe and its hapus. It is unnecessary to refer at any great length to this case, as it is admitted that they have rights within this block on the western side of the Whirinaki River, but the boundaries of the land owned by them are not clear—viz., the locality named Te Haumingi, Te Motu-o-Titoko, and on as far as Okarea. Whether this is all one land or separate and distinct pieces of land is not apparent. However, when the land comes to be partitioned at some future date the extent of their interest, be it large or small, can be definitely ascertained and decided, and their rights restricted to the particular portion, or portions, only of the land to which they are entitled.

In regard to the lists of names submitted by Ngati Manawa, we have struck out therefrom the names of the persons who have become distantly removed amongst other tribes—that is to say, whose rights have become cold—and we have duly considered and defined the relative interests as set out opposite the name of each person in the list respectively.

We are not satisfied that the ancestor Tangiharuru had rights to this land; the evidence is most conflicting and contradictory. For instance, at the hearing of the Whirinaki Block before the Native Land Court, Hapimana Parakiri, *alias* Parakiri Rawiri, and Ngati Apa claimed under the ancestor Apa by conquest over the Marangaranga Tribe, but a dispute arose between Ngati Manawa and Ngati Apa regarding these two ancestors, Apa and Tangiharuru, for Whirinaki Block, which adjoins this land; yet now these same two hapus are combined in setting up the right only of Tangiharuru and his descendants to this land, and Parakiri himself gives the main boundary of Tangiharuru's land, and yet it was he who opposed the claim under Tangiharuru at the time of the Whirinaki case. We therefore do not believe the boundary given by him now.

The only thing that is clear to us is that certain of the descendants of Tangiharuru had rights to certain pieces of land within Te Whaiti Block, Hape and Mahanga being those of his descendants whose rights are most apparent.

We recommend that all the Ngati Manawa lists of names be included in the block for the relative interests shown in the list of their names attached to the file of Te Whaiti-nui-a-Toi Block, and therein numbered respectively from 319 to 507, inclusive.

In regard to the case of Ngati Whare and its hapus, under the right of the ancestor Wharepakau, and permanent occupation: No objection is made to this case by any of the contesting cases, and their "mana" to the land is not denied. But there are many lists of names amongst those submitted by them for inclusion containing persons who are objected to as having no occupation on the land. For instance, the list of names of Tamati Waaka and his party have no occupation; even though the list of their names is submitted by Ngati Whare themselves for inclusion, we are unable to see that they have any right whatever. We have, therefore, in deference to the desire of Ngati Whare to include these persons, left four of their names in the Ngati Whare list, and have struck out all the remaining names in Tamati Waaka's party, fifty-three in number.

In regard to the list of Whata Henare and party, it is plain to us that these persons have long since gone away to Taupo and inland upper Waikato, that their rights have become entirely cold, and that they have no permanent occupation on this land, never having returned here until the time of the previous Commission. However, in consideration of the fact that Ngati Whare have handed in this list of names for inclusion, we have therefore included three of their names and struck out the remainder of the names in this list, twenty-three in number.

In regard to the list of names of Warahoe Hapu, we cannot see that they have any right to the land, their only right that we can discover being the fact that they have lived upon the land amongst Ngati Whare.

The Warahoe Hapu did not set up any ground of claim for themselves. When Te Rauna Pakaha was called by Himiona Tikitu as a witness in support of his (Himiona's) case, Te Rauna stated that his right was from the ancestor Marakoko and by occupation, but he did not set up any case on his own behalf, nor did he take part in supporting the case of Hori Wharerangi under Marakoko.

We have considered his list of names, and have included eighteen of the persons it contains, and have struck out the remainder, twelve persons in all.

In regard to the remaining lists of names submitted by Ngati Whare: We have duly deliberated upon and considered these lists, and have struck out therefrom the names of persons having no occupation on the land, and whose rights thereto have become cold; but in all the Ngati Whare lists we have retained the names of those who are rightful owners under the "takes" and by occupation for inclusion in the land, and have prepared and attached to the file of papers for Te Whaiti Block a list of their names, numbered from 1 to 318, inclusive, showing the relative share or interest of each such person set opposite each individual name in the said list respectively, and we recommend that they be included in the land as owners for the relative interests therein shown.

During the hearing of this Te Whaiti-nui-a-Toi case we were informed that a piece of land name Te Rua, or Ahikereru, situate within this block, was given by the old chiefs of Ngati Whare to the Rev. Mr. Preece, as a mission station, in the year 1846, and that Mr. Preece lived upon it with his family for several years. It is said that this piece of land contains perhaps about 60 acres. We have, however, no recommendation to make in regard to this matter. We merely mention the fact that we are informed that a gift of the said land was made, but we have no knowledge, nor do we make any suggestion, as to whether the said gift is, or should be considered as, still of effect, or otherwise.

We recommend that the order made by the previous Commission for Te Whaiti-nui-a-Toi Block be annulled, together with the list of owners and shares declared thereunder, and the area and name of the block as therein expressed; that the land be called by its proper name of Te Whaiti Block, containing 71,340 acres, more or less, and that a new order be issued therefor in that name, and in favour of the persons numbered from 1 to 507, inclusive, contained in the list of names we have prepared and attached to the file of Te Whaiti Block, with relative interests as therein set out opposite the name of each person respectively, and that the eastern boundary of the block be amended to follow the straight line shown on the plan running from the peg at Opaheru to the peg on the south-eastern corner of the Maraetahia Block, marked "Te Taumata," or "Ngamokaikai-a-te-Ao," in the plan, the remainder of the boundaries of the block to follow the original boundaries as shown in the plan.

This Te Whaiti Block is, in our opinion, one of the most valuable blocks of land contained within the Urewera District Native Reserve, its value being greatly enhanced by the fact that it carries a large area of forest country containing quantities of totara, rimu, kahikatea, matai, maire, and other valuable timbers. The block also contains a very considerable area of good open country, partly level and partly low hills and gently undulating country, and the mountainous south-eastern end of the block, adjoining Maungataniwha, is reported to be gold-bearing country.

The seven persons whose names are hereunder set out are the persons whom we have selected—knowing them to be proper owners of the land—from amongst the several lists of persons selected from amongst their number by the members of the various contesting tribes appearing before us as claimants for this land, and proposed by each such tribe to be the members for the Hapu Committee for this block, and agreed to by the respective members of each such tribe present before this Commission sitting at Te Whaiti on the 28th day of March, 1907:—

TAWHIUAU BLOCK.

We are of opinion that the land named Tawhiuau should be made a separate block, and that a separate order should be issued therefor.

This land and its list of owners was included by the previous Commission in the order made by them for Te Whaiti-nui-a-Toi Block, which order we have recommended be annulled; and, seeing that this land Tawhiuau is a separate piece of land, contained within its own defined boundaries, outside of and not adjoining Te Whaiti Block, it is therefore, we think, advisable that a separate order should be issued for this land, containing 5,064 acres, more or less, within the boundaries shown in Plan No. 6848, and that the land should be named Tawhiuau Block.

We have prepared and attached a list of names of the persons of Ngatimanawa Tribe, who were included in the order of Te Whaiti-nui-a-Toi Block by the previous Commission for this Tawhiuau piece, to the file of papers for the said land, numbered from 1 to 86, inclusive, with relative shares as therein shown, totalling 131 shares in all, and we recommend that they be included in the order and declared to be the owners of Tawhiuau Block.

The seven persons whose names are hereunder set out are the persons who have been selected from amongst their number by the owners of the land, and proposed by them as the members for the Hapu Committee for this block, and agreed to by all the owners present before this Commission sitting at Te Whaiti on the 28th day of March, 1907:—

PAREKOHE BLOCK.

Appeal No. 163.—By Waaka Paraone te Ranui and others, claiming the inclusion of the names of seventeen additional persons for that portion of Parekohe Block known as "Te Pohue." There being no objectors, we have prepared and attached a list of their names, numbered from 704 to 720, inclusive, with relative interests as therein set out, to the file of papers for Parekohe Block, and we recommend that their names and shares be added to the order accordingly as for the Te Pohue portion only of the Parekohe Block.

Appeal No. 164.—By Hakeke Tamaikoha and others, claiming that the name of Wharerata Paiaka (f., a.) be included in the order with an interest of ten shares. To this there are no objectors. We have therefore added the said name, numbered 721, to the list of additional persons attached to the file, and recommend that it be included in the order for the main block for the ten shares asked.

Appeals Nos. 169 and 170.—By Hori Aterea and others, claiming the inclusion of the names of six new persons in the order. This has been agreed to without objection. We have therefore

added the said six names, numbered from 722 to 727, inclusive, to the list attached to the file, and recommend that they be included in the order for the main block accordingly for the relative shares therein set out.

Appeal No. 171.—By Tuhitaare Heemi and others.

Appeal No. 172.—By Mehaka Tokopounamu and others.

These two appeals were withdrawn on behalf of the appellants, and, there being no objectors, we recommend that they be dismissed.

Appeal No. 165.—By Hinehau Hapeta and others, claiming the inclusion of forty-six additional persons. This request was agreed to without objection. We have accordingly added the said names, numbered from 728 to 773, inclusive, to the list of persons attached to the file for inclusion, and we recommend that they be so included in the order for the main Parekohe Block for the relative interests therein set out.

Appeal No. 168.—By Tamehana te Puia and others, claiming that the interests of twenty-three persons in the order be increased. This has been agreed to. We have therefore added a list of their names, showing the numbers standing opposite their names in the order, and the increased shares agreed upon, to the file of papers for this block, and we recommend that their shares be so increased accordingly.

This appeal further asks that the names of certain persons in the order be struck out therefrom. After due inquiry and consideration of the evidence, we are of opinion that the objections advanced against the said persons have not been sustained. We therefore recommend that that portion of this appeal be dismissed.

Appeal No. 166.—By Mika te Tawhao and others.

Appeal No. 167.—By Akuhata te Kaha and others.

These two appeals object to the names of certain persons included in the order by the previous Commission, and were duly heard and inquired into by this Commission.

The appellant Akuhata te Kaha, however, during the course of the inquiry, abandoned his Appeal No. 167. We therefore recommend that it be dismissed.

Appeal No. 166 was heard by us to its conclusion, as also was the case of objection thereto, and after due consideration we are of opinion that, as the persons who are now objected to by the appellants were not objected to by them at the time of the previous Commission, and as it is known that the persons objected to have rights to the Otarupua portion of this block, the case of objection now advanced and the lists of names submitted thereunder by Akuhata te Kaha and Mika te Tawhao should, therefore, be disallowed and the appeal dismissed, and we recommend accordingly.

The seven persons whose names are hereunder set out are the persons who have been selected by the owners of the land from amongst their number and proposed by them to be the members for the Hapu Committee for this block, and agreed to by all the owners present before this Commission sitting at Whakatane on the 8th day of March, 1907:—

MAUNGAPOHATU AND TAURANGA BLOCKS.

We will now proceed to deal with the case advanced by Wi Pere on behalf of his hapus of the Ngati Kahungunu Tribe, for whom he appeared before us—namely, the Ngati Hingaanga, Ngati Maru, Ngati Rua, and Ngati Hine Hapus, under the following six appeals, viz:—

Appeal No. 26.—By Peka Ngahere and others.

Appeal No. 32.—By Meretene te Rongo.

Appeal No. 33.—By Peka Kerekere.

Appeal No. 34.—By Arani Kunaiti.

Appeal No. 35.—By Wi Pere.

Appeal No. 75.—By Peka Kerekere.

This case was inquired into by this Commission at Te Wairoa, Hawke's Bay, on the 7th December, 1906, and subsequent days, and again at Whakatane on the 11th January, 1907, and subsequent days, in the presence of the representatives of all the contesting parties to the case. A very great deal of evidence was given before us, and has been entered in the minutes of the proceedings of this Commission.

The points now to be considered by us are—

(1.) Whether any of the land belonging to the hapus on whose behalf Wi Pere appears has or has not been included within the boundaries of the Urewera District Native Reserve.

(2.) Whether the eastern and southern boundary of the Urewera District Native Reserve, as shown on the plan, from Kahunui to the Waiau River, is an ancient ancestral dividing boundary between the tribe of Ngati Kahungunu on the one side and the tribe of Tuhoe on the other, or whether it is not an ancestral boundary but merely follows the surveyed boundaries of the outside blocks which adjoin the Urewera District Native Reserve on the eastern and southern sides, and have been accordingly adopted as the boundary of the said reserve.

We have been informed by the parties appearing before us that the survey of the Tahora Block was made by stealth by Te Tauha, of Opotiki, and Mr. Alma Baker, surveyor, and that when the Tahora case was heard by the Native Land Court at Opotiki the claim of the people by whom the said survey had been made was disallowed, and the whole of the land awarded to Wi Pere and his hapus and the persons adjudged to be the owners of the land. We are consequently of opinion that the said eastern boundary of this Urewera Reserve is not an ancient ancestral boundary.

At the time of the hearing of the Tahora Block in the Native Land Court, a case was set up by certain persons of Tuhoe Tribe claiming within the Tahora Block, and evidence was given as to the boundaries between Tuhoe and Ngati Kahungunu, and alleging conquest by Tuhoe, and the Court in its decision dismissed this Tuhoe case. Subsequently to that decision a rehearing of the Tahora Block was held by the Native Land Court, as between the hapus of the Ngati Kahungunu Tribe residing at Gisborne and Te Wairoa, but Tuhoe set up no case at the said rehearing.

During that rehearing the great dividing boundary between Ngati Kahungunu and Tuhoe was stated, one of the principal proofs alleged in support of the said boundary being the carved post erected by Paora Kingi, a chief of the Tuhoe tribe—that is to say, of the hapus owning the lands contained within the Maungapohatu and Tauranga Blocks. This post was erected at Paharakeke, and was named Te Koari, the name of the father of Wi Tipuna of the Ngati Kahungunu Tribe, and a number of witnesses in the Tahora case stated that this post was set up for the purpose of marking the boundary, and that the place at which it was erected was Paharakeke, which is shown in the plan of Maungapohatu Block.

Numia Kereru, however, and the Tuhoe people appearing before this present Commission state that this post is the resting-place or depository of the umbilical cord of the daughter of Paora Kingi, whose name was Parekaramu. Such may possibly be the case; but if so, why should the post have been taken all that distance away and erected at that place (Paharakeke) instead of being set up in the immediate neighbourhood of the pas where the people lived?

In regard to that portion of the boundary of the Urewera Reserve extending south from the Tahora Block to the Waiau River—viz., down to the boundary-line of the Maungataniwha Block—we are of opinion that the whole of that portion as shown in the plan is not an ancestral boundary. We are, for instance, informed by witnesses that those lands came to be surveyed because of the sales of land by Ngati Kahungunu to the Crown in former days, and that portions of this Urewera Reserve were included in the said sales to the Crown. We are also informed that a portion of the Waipaoa Block, named Rapurapua, and that portion of Te Papuni alleged to belong to Ngati Hingaanga Hapu, are within the boundary of the Urewera Reserve, and we have no hesitation in stating our opinion that the said eastern and southern boundary-lines of this reserve as shown in the plan are not a tribal boundary, nor are they an ancestral boundary.

For the reasons above given, and from the evidence submitted to us at Te Wairoa, we were able to state the main dividing tribal boundary between the Tuhoe and Ngati Kahungunu Tribes which we have described in our recommendations in regard to the Waikaremoana cases.

The boundary given by Wi Pere and party commences at Ngapukeriki, a hill on the main watershed range, which range it follows to Te Ranga-a-Kapua Mountain, the boundary running on the eastern side of the said mountain, and on from there to Paharakeke, where the carved post "Te Koari" stood, from there to the source of the Hopuruahine Stream, thence to source of Orangitutaetutu Stream, thence along the main watershed range of Huiaarau, which it follows on to the Waiau River opposite to Maungataniwha Mountain. That is to say, this boundary follows along the main watershed mountain-range, and they—i.e., Wi Pere and party—allege that this is the true dividing tribal boundary between Tuhoe on the northern and western side and Ngati Kahungunu on the southern and eastern side.

Te Wharau Tapuae, one of the Tuhoe witnesses, stated that the boundary between Tuhoe and Ngati Kahungunu commences at the mouth of the Okauia Stream, ascends the Taumatara Hill, runs along Pukaitangaroa Ridge—the watershed range which divides the streams running down towards the coast on the one side from those which run down on the Hangaroa side. This part of his evidence supports the statement that the dividing tribal boundary runs along the main watershed range.

Numia Kereru in his evidence stated that he admitted the boundary given by Wi Pere as far as Huiaarau, but stated that that part only of his (Wi Pere's) boundary was correct. He (Numia) asserts that the boundary runs down from Huiaarau Range to the Orangihikoia Stream, which it follows to Orangitutaetutu Stream, down which it runs to Hopuruahine Stream to Te Pohue, otherwise called Taita-a-Makoro, thence easterly to Ngatapa, thence to Manuoha, a hill (Wi Pere points out a different "Manuoha" at another place), thence to Kopuapounamu Stream, thence to Makahikatoa Stream, Mangatoetoe Stream, Owahakatoro Stream, Tupuni Stream, Anini Stream, a stream running easterly, Rangitata Stream. "This boundary which I am giving," says Numia, "crosses the various streams I have mentioned, and reaches Tauhokinga Stream. This part of the boundary is at Maungapohatu Mountain, between Maungapohatu and Tauranga Blocks, and this is the ancient ancestral boundary, the dividing tribal boundary between the Urewera and Ngati Kahungunu Tribes."

We will here recite the boundary given by Eria Tutarakauika—a man of Ngati Kahungunu Tribe, a descendant of the ancestor Hingaanga, and also a member of the Tuhoe Tribe by another line of descent—at the previous Commission. This man set up a claim under his Ngati Kahungunu rights, in the year 1901, to the southern and eastern portion of Maungapohatu and Tauranga

Blocks (*vide* his evidence contained in Book 5 of last Commission, page 291). He then said, "My boundary begins at Ngatapa (Manuoha), thence in a straight line to Te Ana-a-Paparuakete, thence to the main range (Ikawhenua) to Oharuru, thence to Te Ranga-a-Kapua, thence to Te Rimuroa, and thence to Ngapukeriki Trig. Station on the boundary-line of the Tahora No. 2 Block, thence along that boundary to the southern boundary of that block to the point of commencement."

He also states, "This boundary-line from Paharakeke to Ngapukeriki is a boundary handed down from the ancestors," and he adds that this line was laid down by the ancestor Tui.

We will also here take into consideration the statement made by Te Whenuanui before this present Commission during the hearing of the Waikaremoana case at Te Wairoa on the 19th December, 1906, to the effect that the Ruatahuna Block does not cross over on to the eastern side of Huiarau Range; also the evidence of Te Wao Ihimaera, given before us, to the effect that the sources of the Orangitutaetutu Stream are within the Ruatahuna Block, and that that land does not belong to the Tuhoe side, but, he says, "belongs to me on my Ngati Kahungunu side."

This is the same boundary as that given by Wi Pere, from the places marked "(4)" to "(7)" and on to Manuoha "(8)" on the plan, and on from there. Te Whenuanui and Te Wao Ihimaera are members of both Tuhoe and Ngati Ruapau Tribes.

We have considered the evidence given before us in conjunction with the evidence given in regard to the boundary-post at Paharakeke during the hearing of the Tahora case, and we have no doubt in our minds and no hesitation whatever in laying down the permanent dividing boundary between the Tuhoe and Ngati Kahungunu Tribes to follow the lines shown in the plans of the Tauranga, Maungapohatu, Ruatahuna, and Waikaremoana Blocks respectively, and also in the general plan of the Urewera District Native Reserve—that is to say, commencing on the boundary-line of Te Tahora No. 2 Block at the place named Ngapukeriki on the mountain-ridge between the Kaahunui Stream and the Tataweka Stream, following the main range from there to Ngapuketurua as shown on the plan, thence to Te Ranga-a-Kapua, thence to Paharakeke, thence to Hopuruahine, thence to Orangitutaetutu, thence to Te Whiri-a-Raukatauri, peg xvi, thence to peg xiv, still following the main watershed range, to the Trig. Station 2128 at Whakatakaa, thence to Te Mangoroa, peg xii, and thence following along the surveyed line shown in the plan to the place named Te Apiti on the bank of the Waiau River.

We recommend that this be fixed to be the permanent dividing tribal boundary between Tuhoe and Ngati Kahungunu, it being at the same time understood that this does not shut out or disallow the rights of the said two tribes to the lands lying on either side of the said dividing tribal boundary respectively.

We further recommend that all that portion of this land extending from Te Whiri-a-Raukatauri, peg xvi, and following the new boundary above mentioned as far as the Hopuruahine Stream, and down that stream to the mouth of the Orangitutaetutu Stream, at peg xviii, on the northern boundary of Waikaremoana Block, and following the said northern boundary-line westerly to peg xvi, be added to Waikaremoana Block, and be deemed to be a part of Waikaremoana Block, as though there were no dividing-line cutting off the said portion therefrom.

We further recommend that all that portion of the land, comprising 18,253 acres, more or less, and contained within the boundaries commencing at Ngapukeriki, thence to Ngapuketurua, thence to Paharakeke, and thence turning easterly and running straight to the mouth of Owahakarotu Stream at its junction with Anini Stream, thence by a straight line to the western boundary of Te Tahora No. 2 Block, and thence following that boundary northerly to point of commencement, be called by the name of Paharakeke Block, and be awarded to Wi Pere and the proper members of his hapus of Ngati Maru, Ngati Rua, and Ngati Hine, whose names and relative shares are set out in the list attached to the file of papers for this land, and therein numbered respectively from 1 to 1,010, with a total number of 4,294 shares.

In regard to that portion of the land lying between Paharakeke and the Hopuruahine Stream, we will now proceed to consider whether all the land in that locality remained in the possession of the descendants of Hingaanga and others of the Ngati Kahungunu ancestors, or whether it passed away from them through conquest or by occupation. We must also at this stage take into consideration the boundary given by Eria Tutarakauika when claiming that portion of this land. His boundary then commenced at Manuoha Trig. Station, and thence by a straight line to Paparuakete—that is to say, to Paharakeke. We are therefore of opinion that that boundary should be permanently fixed as shown in the plan to be a straight line commencing at the place named Manuoha by Eria—*i.e.*, at Trig. Station 2129, and running thence northerly to Paharakeke, thence running easterly by a straight line to the junction of Owahakarotu Stream with Anini River, and on to the boundary of Te Tahora No. 2 Block, thence turning southerly and following the said Tahora boundary-line to the northern boundary of Waipaoa Block, then turning westerly along the said northern boundary of Waipaoa Block and Waikaremoana Block to the point of commencement at Manuoha, and we recommend accordingly, and that the land contained within the above-mentioned boundaries, comprising 19,672 acres, more or less, should be called by the new name of Manuoha Block, and awarded to the descendants of Hingaanga—that is to say, to the persons contained in the list of names, numbered from 1 to 571, inclusive, attached to the file of papers for this land, with relative shares as therein shown, and that the names and shares of the fifty-seven persons of the Ngati Kahungunu Tribe who are contained in the original order for the Maungapohatu Block be struck out of the Maungapohatu Block, and we have attached a list of the said persons showing the numbers standing opposite their names in the original order for Maungapohatu to the file of papers of Maungapohatu Block.

The boundaries of the balance of the Maungapohatu Block, containing 28,462 acres, more or less, to commence at Paharakeke, running thence southerly to Manuoha, thence westerly along the northern boundary of Waikaremoana Block to Hopuruahine Stream, thence northerly up the Hopuruahine Stream, and following the surveyed boundary as shown in the plan between Maunga-

pohatu and Ruatahuna Block, to the south-eastern corner of Ierenui-Ohaua Block, thence by the eastern boundary of Ierenui-Ohaua Block to the new boundary-lines marked on the plan by this Commission to enclose that portion of the Ierenui-Ohaua Block which has been recommended by this Commission to be added to Maungapohatu Block, thence by the said new boundary-lines to the original boundary of Maungapohatu Block as fixed by previous Commission, and thence following the said original boundaries, as shown on the plan, in a general northerly, easterly, and south-easterly direction to Paharakeke, the point of commencement.

The seven persons whose names are hereunder set out are the persons who have been selected by the owners of the land from amongst their number and proposed by them to be the members for the Hapu Committee for this block, and agreed to by all the owners present before this Commission sitting at Whakatane on the 8th day of March, 1907:—

PUKEPOHATU BLOCK (Containing 7,488 acres).

For this block no order has been issued by the previous Commission, the title thereto has never been investigated, and there is no appeal in reference to the said land before us to enable us to inquire into the rights thereto and ascertain the rightful owners of the said land.

We deem it advisable, however, to draw the attention of the Hon. the Minister of Native Affairs to the fact that the order issued by the previous Commission for the Pukepohatu Block therein mentioned has been issued in error as applying to this land. We are perfectly clear in saying so, as it is plainly apparent that the land named "Pukepohatu," awarded by the previous Commission (see pages 319 and 320 of the book of printed orders) to Tamaikoha and his list of names, is contained within the Paraeroa Block as shown in the Plan No. 6871, and the boundaries of the "Pukepohatu" so awarded are set out in the list of names submitted as owners for the said land on the 24th day of February, 1899, the said boundaries as there set out conclusively proving that the land referred to is that portion of the Paraeroa Block which is named "Pukepohatu."

We have therefore considered it advisable to draw the attention of the Hon. the Minister of Native Affairs to the fact that these two separate pieces of land are at present known by this one name, "Pukepohatu," and that the order of the previous Commission for Pukepohatu Block has been issued in error for an area of 7,488 acres which does not form any part of the portion of the Paraeroa Block intended by that Commission to be awarded to the forty-four persons declared by the said Commission to be the owners under the name of Pukepohatu Block.

Seeing that a number of new boundaries, or amendments of existing boundaries, have been recommended to be made, as set out in the foregoing reports, in several of the blocks of land within the Urewera District Native Reserve, we have marked the said new or amended boundaries upon the plans of the several blocks affected thereby, and have had the areas approximately calculated and entered thereon by an officer of the Survey Department, and we recommend that the areas of the said blocks be amended accordingly to agree with the new areas so entered upon the plans of each such block respectively, until the true area of each such block shall have been definitely ascertained and fixed by the Survey Department.

The following schedule sets forth the names of the several blocks of land referred to, and their original areas, also the additional areas which have been recommended to be added to certain of such blocks, and the areas of the portions which have been recommended to be deducted from others of them respectively:—

	Acres.
Hikurangi-Horomanga Block, original area	56,000
Deducted and added to Tawhiuau Block	1,681
Balance of Hikurangi-Horomanga Block now remaining	54,319
Ierenui-Ohaua Block, original area	5,540
Deducted and added to Maungapohatu Block	1,011
Balance of Ierenui-Ohaua Block now remaining	4,529
Maungapohatu Block, original area, 53,696 acres; area added from Ierenui-Ohaua Block, 1,011 acres	54,707
Deducted and named Manuoha Block, 19,672 acres; deducted and included in Paharakeke Block, 6,573 acres	26,245
Balance of Maungapohatu Block now remaining	28,462

	Acres.
Tauranga Block, original area	51,000
Deducted and included in Paharakeke Block	11,680
Balance of Tauranga Block now remaining	39,320
Paraoanui Block, original area (divided into Paraoanui North Block, 3,400 acres; and Paraoanui South Block, 5,510 acres)	8,910
Paraeroa Block, original area	13,416
Deducted therefrom, Paraeroa B Block, 410 acres; and Pukepohatu Block, 2,740 acres	3,150
Balance of Paraeroa Block now remaining	10,266
Ruatahuna Block, original area	63,230
Deducted and added to Waikaremoana Block	5,407
Balance of Ruatahuna Block now remaining	57,823
Otairi Block, original area	8,650
Deducted and added to Te Whaiti Block	1,740
Balance of Otairi Block now remaining	6,910
Te Whaiti Block, original area (less Tawhiuau)	69,600
Area added from Otairi Block	1,740
Present area of Te Whaiti Block	71,340
Tawhiuau Block, original area on plan	3,370
Area per latest computation, 3,383 acres (add)	13
Area added from Hikurangi-Horomanga Block	1,681
Present area of Tawhiuau Block	5,064

The areas of all the other blocks of land contained within the Urewera District Native Reserve, but not mentioned in the foregoing schedule, to remain unaltered and as stated in the orders of the previous Commission.

We would here point out that in our opinion the relative shares of the owners in all the blocks contained within the Urewera District Native Reserve have been inadvisedly apportioned, and are not in accordance with Native custom, the basis of apportionment adopted by the previous Commission having been at the rate of twenty shares each for heads of families, ten shares each for children, five shares each for grandchildren, and three shares each for great-grandchildren respectively; and in instances where the head of a family had died, leaving a family of, say, from six to ten or even more children, each such child received an interest of twenty shares.

We will, by way of illustration, suppose a case of three brothers receiving interests of twenty shares each, the elder brother having no children, but his two younger brothers having large families of children receiving ten shares each, and grandchildren receiving five shares each respectively; it will thus be seen that under such an arrangement the bulk of the land must pass into the possession of such of the owners as happen to have the largest number of children and grandchildren.

The members of the Tuhoe Tribe allege that this basis of apportionment of interests was laid down as a fixed rule by the previous Commission, and adopted by them.

If it should be rendered competent at some future period to amend the relative shares as now apportioned amongst all the owners within this Urewera District Native Reserve, it would then be possible to rearrange the said shares so as to be more in accordance with Maori custom.

In all new lists of names which have been prepared and attached to the files of the several blocks mentioned in the foregoing reports, where amendment or variation of the original orders has been recommended to be made, the ages of the minors as entered in the said new lists are their ages this present year, 1907.

WAIKAREMOANA PORAKA.

I timata te whakahaere a tenei Komihana i nga piira mo tenei poraka ki Te Wairoa, Haaki Pei, i te 5 o nga ra o Tihema, 1906, a i haere tonu ano te uiuinga ki Te Wairoa i etahi rangi i muri iho tae noa ki te 19 o nga ra o Tihema, 1906.

Piira Nama 83.—A Mahaki Tapiki me etahi atu; e tono ana kia whakaurua te ingoa o Rawinia Mahaki, f., e whitu tau, kia tekau nga hea mona; a i whakaaetia tena e nga tangata nona te whenua. No reira kua tuhia e matou taua ingoa, Nama 906, ki te rarangi apiti kua tapiritia atu ki te whairu mo Waikaremoana Poraka hei whakauruhanga atu ki te ota mo te tekau hea i tonoa nei, a ki ta matou whakaaro me whakapumau tena whakaotinga.

E tono ana ano hoki tetahi wahi o tenei piira kia patua nga ingoa o etahi tangata, hui katoa e iwa tekau ma rua tangata, kia kore atu i roto o te ota, ko te take kaore ratou i puta mai i te tupuna, a kaore hoki he noho ki te whenua.

I nekehia atu te uiuinga o tenei keehi i te Wairoa ki Whakatane kia whai taima ai mo nga tangata e whakahengia nei kia tu mai ki o matou aroaro me i hiahia ratou ki te pera; a no te 4 me te 5 o nga ra o Pepuere, 1907, ka whakahaerea ano tenei keehi ki Whakatane. He nui nga tangata i tu mai ki o matou aroaro ki te whakahe i tenei piira me te tono mai ki tenei Komihana kia unuhia atu ki waho o te rarangi o nga tangata e whakahengia nei e nga kai-piira a ratou tangata e tu ana ratou hei kai-whakahaere; a ko etahi o aua kai-whakahaere he tangata ake no te whenua, a e noho ana hoki ki Waikaremoana.

A i runga i te uiuinga kitea ana e matou e o Komihana ko etahi o enei tangata e whakahengia nei i naianei kaore kau i whakahengia i te wa o te Komihana tuatahi, a ko te toenga atu o aua tangata e whakahengia nei he tangata i whakahengia ano i te wa o te Komihana tuatahi, engari i whakaurua nga ingoa o aua tangata e taua Komihana ki te ota i muri i te ata uiuinga me te ata whiriwhiringa o nga whakahe katoa i whakaaria i reira mo aua ingoa, ahakoa he nui ano etahi atu tangata i whakahengia i taua wa kotahi na ano i whakauria nga whakahe, a patupatua ana o ratou ingoa ki waho o te rarangi o te whenua.

No reira ki ta matou whakaaro kaore e tika kia tukua nga kai-piira kia whakahe tuarua ano i naianei mo aua tangata kihai nei i taea e ratou te whakau i ta ratou whakahe i te aroaro o te Komihana tuatahi, a e kore ano hoki e tika kia tukua ratou kia whakahe ana i naianei mo era atu tangata kore rawa nei i whakahengia e ratou i te wa o te Komihana tuatahi. No reira i patua ai e matou tenei piira i te 5 o nga ra o Pepuere ka taha nei, a me ta matou tohutohu atu i naianei me whakakore atu taua piira.

Piira Nama 85A.—A Kawana Karatau. I whakahaerea te uiuinga mo tenei piira ki te Wairoa, Haaki Pei. He tono whakauru i raro i te take o te tupuna nei o Pakitua i nga tatai o nga uri o Ruapani tupuna, a ko te rarangi o o ratou ingoa i homai kia matou hei whakauruhanga atu hui katoa e rima tekau ma waru nga tangata.

I tautokona tenei kereme e Hurae Puketapu me nga tangata o Waikaremoana i te aroaro o tenei Komihana, no reira kua mahia a kua tapiritia atu e matou he rarangi e whakaatu ana i o ratou ingoa, timata i te Nama 730 tae noa ki te Nama 787, me nga hea mo ia tangata o ratou, ki te whairu o nga pukapuka mo Waikaremoana Poraka, a me ta matou tohutohu atu hoki i naiane me whakauru atu aua ingoa me aua hea ki te ota.

I tonoa mai ano i raro i tenei piira ko te paanga o Kihirini Mokena, Nama 616 i te ota, me whakauku ake i te rima hea ki te rua tekau hea. Kaore he whakahe i puta mai mo tenei tono. No reira matou ka tohutohu penei atu ai me whakatikatika te ota kia pera te ahua.

Piira Nama 84 me 85.—Ko enei piira e rua na Haenga Paretipua me etahi atu, hui atu ano hoki ki nga uri o Pakitua kua oti ake nei e matou te ki me whakauru atu ki te ota.

Ko te keehi a enei kai-piira i ata uiuia e matou a mutu noa, tae noa hoki ki te keehi a te hunga whakahe ki tenei kereme, a ko nga korero katoa i homai i roto i te wa o tenei uiuinga kei roto i nga pukapuka o tenei Komihana e mau ana.

Ko nga kai-korero o te keehi a Ngati Kahungunu e ki ana ko tenei whenua, e karangatia nei ko Waikaremoana me Wairau, i tuku iho i o ratou take tupuna o mua iho; e ki ana ratou ko Makoro to ratou tupuna nana i whakatakoto nga rohe o tenei whenua, a me ta ratou ki ko Tamaterangi tetahi, ko Pukehore tetahi, o nga tupuna i whai take ai ratou.

Mo te taha ki tera wahi o te whenua e keremetia ana e ratou, e karangatia nei ko Wairau moana me Wairauwhenua, e ki ana ratou ko Te Kapuamatotoru te tupuna i roto i nga uri o Makoro i a ia te mana o tenei whenua; a nana (na Te Kapuamatotoru) i whakanoho a Pakitua me ona uri ki Wairau hei mahi i nga kai o te whenua ka kawea atu ai ki a ia (kia Te Kapuamatotoru), a i pumau tonu tena tikanga i waenganui i a Pakitua raua ko Te Kapuamatotoru me o raua uri, ka mauria tonutia atu nga kai o te whenua e Pakitua me ona uri kia Te Kapuamatotoru me ona uri. I korerotia ano e ratou nga ingoa o nga tangata e kiia ana e tukuna atu ana e Te Kapuamatotoru hei hari mai i nga kai ki a ia, a me te ki no te wa rawa ano i a Karihanga, mokopuna a Pakitua, ka mutu te haere o nga kai; a e ki ana a Hurae Puketapu no te wa i horo nei a Orakau Pa ka mate a Karihanga, ara no te tau 1864.

E ki ana ano aua kai-kereme o te taha Ngati Kahungunu no te hokonga o etahi wahi o tenei whenua ki te Karauna i nga ra o mua na ratou anake ano taua hoko, engari ko etahi wahi i wehea atu i reira hei rahui i roto o te whenua hoko, a i uru atu etahi tangata o Tuhoe Iwi nei ki roto, na nga apiha hoko whenua i whakarite kia rahuitia aua wahi; me ta ratou ki mai ano ko te tuturu rohe pumau, wahanga iwi nei, i waenganui i a Tuhoe me ratou, ko te pae maunga o Huiarau, atu i Parahaki ki Maungataniwha.

E ki ana ratou he maha nga kainga i runga i te whenua i nohoia i roto i te takiwa i mahia ai nga kai o te whenua i runga i te tikanga kua kiia ake nei; a no te wa rawa o te whakapono nei ka mutu ta ratou noho i runga i te whenua, a ko nga tangata—uri o Pakitua nei—i roto i te rarangi e homai ana i naiane kia whakaurua ki tenei whenua kaore ano i noho i runga i tenei whenua o mua mai ra ano a tae noa mai ki a ratou i tenei ra; a kaore rawa nei he tangata kotahi e noho ana i taua whenua i naiane; a ko Hurae Puketapu me tona taha kei runga ke i nga wahi rahui i Te Waimako e noho ana i roto i tenei ra.

A e ki ana ano hoki ratou ko tenei whenua no Tauira—iwi nei—i mua, engari he mea raupatu taua iwi i muri nei, a ka ngaro atu, katahi ka roherohea tenei whenua e Makoro raua ko Tamaterangi hei whenua mo raua.

Kati, ko Hurae Puketapu me tona taha he korero ke ta ratou; e whakahe ana ki nga korero katoa me nga take katoa i whakaararahia mai nei e Ngati Kahungunu, tae noa ki a ratou rohe i korero ai; me te ki ko tenei whenua no Ngati Ruapani, he take tupuna mai no Ruapani, a ko Pakatoe te tupuna i a ia te mana o tenei whenua.

He nui nga korero i homai mo nga tohu noho, nga pa, nga whare, nga tupapaku, me nga rohe o te whenua, me nga pakanga i runga o te whenua. E whakahe ana ratou ki te korero a te taha kia Ngati Kahungunu he mea whakanoho a Pakitua ki runga ki tenei whenua hei mahi i nga kai o te whenua.

Ko Hurae Puketapu e ki ana ko Purakau he tangata whai mana ki tenei whenua, ko Te Kapuamatotoru he “rangatira,” a nana i tuku atu i a Purakau hei hari mai i nga kai o te whenua, ara huahua me era atu kai, ki a ia (kia Te Kapuamatotoru), a mau tonu tena tikanga mate noa a Purakau, katahi ka tukua atu e Te Kapuamatotoru ko Ironui hei hari mai i nga kai ki a ia, a ko aua kai na Pakitua; a i mau tonu tena tikanga a tae noa ki te wa i a Karihanga, mokopuna a Pakitua, nana te kawenga whakamutunga o nga kai ki nga uri o Te Kapuamatotoru.

E ki ana ano a Hurae Puketapu, i tetahi wa ka “whakanuia” a Tamahore, tama a Karatau, tamaiti a Pakitua, hei tangata nui mo Wairauwhenua me Wairau moana; a ka rongo a Te Kapuamatotoru, ka whakaaro, e, ka mutu te haere o nga kai ki a ia; katahi ka makututia e tona taha a Tamahore, a ka mate a Tamahore. A e ki ana ano a Hurae i ara he pakanga ma Tuhoe ki nga iwi i runga i tenei whenua, ara kia Ngati Hore, mo taua makututanga; a tera atu te roanga o ana korero mo runga i tenei take.

E ki ana hoki a Hurae ko tetahi wahi o tenei whenua o Wairau kua riro i nga hoko whenua a Ngati Kahungunu ki te Karauna i nga ra o mua; ko aua hoko ki te Karauna na Heremia te Popo me etahi atu; a tera etahi wahi whenua i wehea i roto i aua hoko hei rahui mo ratou me etahi atu. Ko nga korero katoa i homai i roto i tenei keehi ka kitea kei nga pukapuka o tenei Komihana e mau ana. Otira ko Hurae Puketapu i whaiti te ahua o ana korero mo tera wahi anake o te whenua i roto i te poraka o Waikaremoana e karangatia nei ko Wairau te ingoa.

Ka tadhuri matou i naiane ki te whiriwhiri i enei korero, hui atu ki era atu korero i homai ki o matou aroaro i nga nohoanga o tenei Komihana ki te Wairoa, me Whakatane.

(1.) Ko te Rohe Nui, wahanga iwi nei, i waenganui i a Tuhoe ki te taha ratou me Ngati Kahungunu ki te taha rawhiti, ki ta matou whakaaro kei te tino marama, ina hoki kei te kotahi tonu te korero a aua iwi e rua e pakanga nei ki a raua, e ki ana ko te pae maunga tonu o Huiarau, wehenga nei o nga wai, te rohe; a ko Te Whenuanui, tetahi o nga tino rangatira o Tuhoe, e noho ana ki Ruatahuna, i korero i te aroaro o tenei Komihana i te nohoanga ki te Wairoa i te 19 o nga ra o Tihema, 1906, kaore te Poraka o Ruatahuna i huri mai ki tenei taha, ara ki te taha tonga-rawhiti, o te pae maunga o Huiarau. Me Te Wao Ihimaera, no Tuhoe nei tetahi taha a no Ngati Ruapani tetahi taha ona, e ki ana "E whakaara ana ahau ki te rohe a Wi Pere e haere ana i runga i te pae maunga o Huiarau, koiana tonu ano hoki taku rohe." A e ki ana ano hoki a ia, "Ko tera wahi o te whenua kei nga matapuna o Orangitutaetutu i roto i te Poraka o Ruatahuna e hara i te taha Tuhoe engari i a au tonu no toku taha Ngati Kahungunu ki tenei taha o te rohe."

Tetahi hoki ko nga korero a Hori Wharerangi, mo nga pou rohe, e awahina ana i te rohe nui i korerotia e Wi Pere. No reira ki ta matou whakaaro e tino marama ana ko te hiwi pae maunga tonu, wehenga nei o nga wai, te tuturu rohe tupuna o mua iho i waenganui i a Tuhoe ki te taha ratou me Ngati Kahungunu ki te taha rawhiti o taua pae maunga.

No reira kua maakatia iho e matou ki runga ki te mapi te haerenga o taua rohe, timata mai i te Awa o Te Waiau, ki Huiarau Maunga, haere atu ki nga matapuna o Orangitutaetutu Awa; a ka waihotia e matou i kona i naiane, kia oti ra ano e matou te whiriwhiri mo te roanga atu o taua rohe wahanga iwi, e korerotia nei e Ngati Kahungunu i reira atu i reira whaka-te-hauraro, a taihoa ake nei whakahaeretia ai e matou tera pito.

(2.) Mo te take tupuna i korerotia nei i raro i a Ruapani, me te kereme e whakaaraha ana i raro i te raupatu a Tuhoe. E ki ana nga kai-korero o Ngati Ruapani e rua o ratou take, ara he take tupuna mai no Ruapani, a he take raupatu na ratou ano ki runga ki a ratou ano; ara na Ngati Ruapani—Tuhoe kia Ngati Ruapani—tuturu, a i ngaro nga take whenua o Ngati Ruapani motuhake i taua raupatu. Otira e ki ana ano hoki ratou ko o ratou take tupuna ki tenei whenua kaore i ngaro i taua raupatu. Kati ra, i te kaha rawa o te takoto ke me te taupatuatu o enei korero e rua, kaore rawa nei e taea te hono kia kotahi, no reira kaore matou e marama ki te whiriwhiri ko tewhea ranei to ratou take tika; heoi te mea e marama ana i a matou ko o ratou take tupuna ki te whenua e whakaaetia ana e nga taha katoa, kaore kau he kai-whakahe, a ko Tuhoe ake kei te kaha te korero mo to ratou take raupatu ki runga ki Waikaremoana.

He nui nga tangata, hui katoa 729, kua whakaurua ki Waikaremoana Poraka e te Komihana tuatahi; a ahakoa no Ngati Ruapani anake ranei, he Tuhoe motuhake ranei, engari kei te kite marama matou ko nga mea o ratou e noho ana ki Waikare nga tangata kua whakawhiwhia ki nga hea nunui i roto i te ota.

(3.) Mo te taha ki te keehi a Ngati Kahungunu; ko te take nui hei whiriwhiritanga koia tenei; i whai take ranei ratou ki te whenua i mua, me te mau tonu aua take i naiane, kaore rawa ranei o ratou take ki taua whenua mai o mua iho.

Ki ta matou whakaaro i runga i te titiro ki nga korero katoa i homai, me te hokonga ki te Karauna o nga whenua i waho tata o tenei whenua, me te takoto watea o te whenua i naiane kaore nei e nohoia ana e tetahi me tetahi o nga taha e rua e pakanga nei ki a raua, me te urunga hoki o nga uri motuhake o Pakitua e noho tuturu mai nei ki Te Wairoa, hui katoa ratou 58, kua whakawhiwhia katoatia ki nga paanga nunui, me te mana o Te Kapuamatotoru me ona uri ki nga kai o runga o te whenua e whakaaetia nei e tera taha.

E ki ana hoki a Hurae Puketapu tana mahi he tatari ki a Te Haenga Paretipua kia tae atu ki te kokiri rarangi ingoa mo tona taha, otira kaore tonu a Te Haenga i tae atu ki tetahi nohoanga kotahi o nga nohoanga e rua o te Komihana tuatahi ki Te Waimako me Te Whaiti.

Ko enei ahuatanga katoa e arahi ana i a matou ki te ki penei atu me whakauru te rarangi ingoa o nga uri o Te Kapuamatotoru, me nga ingoa katoa o tona taha, ki te whenua. No reira kua mahia a kua tapiritia atu e matou ki te whairu o Waikaremoana Poraka he rarangi e whakaatu ana i o ratou ingoa, timata i te whika 788 tae noa ki te 905, me nga hea mo ia tangata o ratou kei te taha o tona ingoa e mau ana, hei whakauruhanga atu ki te ota.

Kei roto hoki i taua rarangi te rarangi ingoa o Rakera te Apatu me etahi atu o ratou na nga Komihana i whakauru i raro i to ratou take kotahi ko Te Haenga me tona taha, me nga hea e mau na i te taha o ia ingoa o ratou i roto i taua rarangi he mea ata whiriwhiri he mea ata whakarite e tenei Komihana. A ka tohutohu atu nei matou ko aua ingoa me aua hea me whakauru atu ki te ota.

Piira Nama 82.—A Waaka Paraone te Ranui me etahi atu; he whakauru i etahi ingoa tangata e toru tekau ma wha. Ko tenei keehi me te keehi a te taha whakahe i ata whakahaerea e tenei Komihana, a, mutu noa ki Whakatane; a i runga i te ata whiriwhiri marire e penei ana ta matou whakaaro, ko nga korero i homai hei tautoko i tenei keehi kaore i kaha hei whakau i tetahi tu ahua noho e tika ai ratou kia whakaurua. No reira e penei ana ta matou tohutohu atu ko te rarangi ingoa o nga tangata e toru tekau ma wha i homai i raro i tenei piira me te hinga, me te piira me whakakore atu.

Te Keehi a Wi Pere.—He rarangi ingoa no nga tangata o Ngati Whareanga i tukua mai e Wi Pere ki te aroaro o tenei Komihana i Whakatane i te 21 o nga ra o Hanuere, 1907, kia whakaurua ki tera wahi o Waikaremoana Poraka e karangatia nei ko Whanganui-o-Parua i raro i tana piira Nama 35, ka kitea nei e mau ana i roto i nga piira mo Maungapohatu Poraka, hui katoa e waru tekau ma ono nga tangata o tenei rarangi, a kua maakatia ki te reta "Q." I panuitia enei ingoa me nga hea e tenei Komihana i te ra tonu i homai ai, a i whakahengia hoki i taua ra e Numia Kereru tenei rarangi hui atu ki era atu rarangi ingoa a Wi Pere i homai ai kia whakaurua ki etahi atu wahi o te whenua. Otira kaore he kai-

korero motuhake i tu mai ki o matou aroaro hei whakaatu i te noho o nga tangata i tenei rarangi; a i tua atu i nga korero whanui noa nei a Wi Pere mo te rohe nui, wahanga iwi nei, o Ngati Kahungunu, me ona rohe wehewehe o roto, kaore rawa nei he mea kotahi hei tohutohu mai mo matou. No reira kaore matou e marama ki te rapu whakaaro ma matou, ki te tika ki te he ranei o enei tangata ki te whenua, i runga i te kore kaore he korero i homai ki o matou aroaro hei whakaatu i to ratou noho. No reira kaore a matou kupu mo runga mo tenei rarangi.

E penei ana ta matou tohutohu atu, me whakatikatika te ota mo Waikaremoana Poraka, hei whakapumau i nga whakaotinga katoa kua tohutohungia ake nei i raro i ia piira kotahi kua korerotia ake nei mo taua whenua.

Piira Nama 95.—A Mika te Tawhao me etahi atu; he whakahe ki te whakatau a te Komihana tuatahi i whakataua ai tetahi 150 eka, kei te wahi o te poraka e karangatia nei ko Paraeroa B, ki a Te Tupara Kaaho me nga tangata o tona taha; a e ki ana nga kai-piira kua riro atu o ratou pa, me o ratou tupapaku, me o ratou kainga, he tangata ke; a e tono ana hoki kia whakakorea atu taua whakatau.

Piira Nama 101.—A Tupara Tamana, ara a Te Tupara Kaaho, me etahi atu; e whakahe ana ki te whakatau a te Komihana tuatahi i riro ai tetahi 255 eka i roto o Paraeroa B, ki a Mika te Tawhao me tona taha; a e tono ana kia whakakorea atu taua whakatau.

Kua ata whakaaroarohia kua ata whiriwhiria e matou nga korero katoa i homai e nga taha e rua e whakataetae nei ki a raua i enei piira e rua; a kua tae a tinana hoki tetahi o nga Komihana, a Paratene Ngata, ki te titiro i nga tohu noho i runga i te whenua.

Kua marama kia matou ko nga pa e rua, ko nga tupapaku, me nga papa whare, i kitea i runga i te whenua, no te taha kotahi anake, a e whakahe ana hoki a Te Ahikaiata kaumatua raua ko Te Tupara Kaaho no nga tupuna o te taha ki a Mika te Tawhao aua pa, otira e ki ana he noho noa, kaore he take.

Mo te taha ki te pa nei ki Te Hika-o-Tonga, i korerotia e Te Tupara; no te tirohanga i te whenua kaore he pa i k te a taua wahi, kaore hoki he papa whare.

Na mo nga noho o te takiwa o te tau 1894, o mua tata atu, o muri tata mai ranei, e kore e tirohia nuitia e matou ena noho hei tino take, no te mea kua timata ke atu nga tikanga tautotohe whenua i mua atu i tena wa; tetahi hoki, kaore matou e marama ana ki te take e whiwhi ai a Hinekura—tupuna nei—i tenei whenua i te taha rato o te Awa o Whakatane, pera me ta ratou e korero nei; a kaore hoki he pa, he tupapaku ranei, o taua tupuna me ona uri ranei i runga i tenei wahi o taua whenua hei whakau i te pono o taua korero. Otira no te tatanga ki te mutunga o te whakahaeretanga o tenei keehi i te aroaro o tenei Komihana ka unuhia e Te Tupara tana whakahe mo te 255 eka i whakataua e te Komihana tuatahi ki a Mika te Tawhao me tona taha, a ka tono mai kia whakapumautia taua whakatau.

Ko te tatutanga iho o ta matou i kite ai i runga i ta matou ata whiriwhiri marire, koia tenei; ki ta matou whakaaro ko te whakatau a te Komihana tuatahi, i hoatu ai te 150 eka i roto o Paraeroa B ki a Te Tupara Kaaho me tona taha, me whakakore atu, a ko taua whenua katoa i roto i nga rohe o taua wahi o Paraeroa Poraka e karangatia nei ko Paraeroa B, i te taha rato o te Awa o Whakatane, me whakatau atu ki nga uri tika o Murakareke (tupuna) i noho tuturu; ara ki a Mika te Tawhao me tona taha, e noho nei o ratou ingoa me o ratou hea kei roto i te ota, timata atu i te Nama 195 tae noa ki te 213, a me whakauru atu hoki te ingoa o Kiekie Mikaere, m., kia wha hea mona, no te mea i whakaaetia i te aroaro o te Komihana tuatahi me uru taua ingoa, engari mahue ana, a kaore i te marama te take i mahue ai ki waho o te ota a taua Komihana; me te kereme a Te Tupara Kaaho i raro i tona tupuna i a Hinekura me whakakore atu. A e tohutohu atu ana ano hoki matou ko tenei wahi o te whenua e takoto ana i roto i ona rohe ake, kua oti nei te ruri, me wehe atu i te poraka nui o Paraeroa hei poraka motuhake, me hua ko Paraeroa B, tona ingoa, tona nui 410 eka, nui atu iti iho ranei.

Kua mahia a kua tapiritia atu e matou ki te whairu o Paraeroa me Paraeroa B Poraka, he rarangi e whakaatu ana i nga ingoa o nga tangata mo tenei wahanga, timata i te whika 1 tae noa ki te 20, me te 21 tae noa ki te 44, me nga hea mo ia tangata kotahi o ratou; hui katoa 116 nga hea mo tenei 410 eka.

Piira Nama 100.—A Te Wharau Tapuae me etahi atu; he whakauru i tona ingoa me o etahi atu o Ngaitatua Hapu, he uri no Tamakaimoana; me te ki he wahi no Omahuru Poraka kua whakaurua mai ki Paraeroa. He nui nga korero i homai mo tenei keehi, a muri ake nei whiriwhiritia ai e matou.

Piira Nama 96 me 97.—A Te Iwikino Hairuha me etahi atu, me

Piira Nama 99.—A Te Waaka Paraone te Ranui me etahi atu. Ko enei piira e toru he whakauru i etahi tangata i raro i nga take tupuna o Tamakaimoana, o Hahore, me Te Purewa; a he nui nga korero, mea ake nei ka whiriwhiria e matou.

Piira Nama 93.—A Eructi Tamaikoha; he tono whakauru ki te wahi o te whenua e karangatia nei ko Ohora, i roto ano i ana rohe i korero ai ki te aroaro o te Komihana tuatahi, a i whakataua hoki e taua Komihana ki a ia; me te ki mai no te whakahaeretanga o nga rarangi ingoa e taua Komihana ka puritia tana rarangi e nga Komihana, a ka panuitia ko te rarangi a Te Tupara i hoatu ai ki a ratou mo tenei whenua.

Ko Te Tupara Tamana—ara Te Tupara Kaaho—te kai-whakahe mo enei piira e rima, e ki ana, kaore kau rawa he wahi o Omahuru Poraka i uru ki Paraeroa Poraka, ko te tupuna ko Tamakaimoana kaore he take ki tenei whenua, engari ko te wahi i pa ai ia he wahi iti noa nei kei Waimahae, kei te 200 eka pea te nui, engari ko te take ki tenei whenua no Hinekura (tupuna).

E ki ana ano a Te Tupara kaore kau he noho a Te Wakaunua Houpepe, a Tamaikoha, a Te Wharau Tapuae, me Akuhata te Kaha, ki tenei whenua, engari nana (na Te Tupara) etahi o taua hunga i whakauru ki te whenua i runga i te “arohe.”

Kua ata whiriwhiria e matou nga korero i homai ki o matou aroaro, me nga korero i hoatu ki te aroaro o te Komihana tuatahi; a ka whakahaere kupu matou i naianei mo nga piira a Te Wharau Tapuae me Akuhata te Kaha.

Ki ta matou titiro kaore i marama he wahi to Omahuru Poraka i uru mai ki roto o Paraeroa; ko te wahi o Paraeroa Poraka e keremetia nei e Te Wharau Tapuae he wahi no Omahuru i roto i nga rohe i korerotia e ia ki te aroaro o tenei Komihana kaore hoki e hono atu ana ki te poraka o Omahuru. E whakaaetia ana he paanga iti to tenei tupuna to Tamakaimoana i roto i tenei poraka i Paraeroa, engari kaore he korero kaha mo nga noho, ki taua wahi o te whenua e karangatia nei ko Waimahae, i raro i tena take.

Mo te tupuna nei mo Te Purewa; e whakaaetia ana i tanumia taua tangata ki Tarewakoko, na Te Kaaho me etahi atu i tanu ki reira; engari ki ta matou whakaaro e hara tena mea kotahi noa nei i te tohu ahikaa noho tuturu nei o ona uri ki runga ki tenei whenua; kaore tonu hoki he korero marama mo nga noho tuturu ake o ratou ki tenei whenua.

Mo te taha ki te piira Nama 93 a Erueti Tamaikoha; kua tirohia e matou te whakatau a te Komihana tuatahi mo te keehi a Tamaikoha mo te wahi o Paraeroa Poraka e karangatia nei ko Ohora; a kite iho ana matou kaore rawa he tangata kotahi i whakahe ki taua kereme ana, a whakataua ana e taua Komihana ki tana kereme. Engari kaore matou e marama ana ki te take i tangohia ai e taua Komihana ko era atu rarangi ingoa hei panuitanga tuatahi ma ratou, a ko te rarangi a Tamaikoha i kokiri ai—a i whakataua nei a Ohora ki a ia—ka puritia mo muri. Ki ta matou titiro ko te take pea tena i pouri ai a Tamaikoha, a i tono ai kia unuhia atu tana rarangi ingoa ki waho, me te ki ka tuku piira ia. Otira kaore i whakahaeretia nuitia e ia tana keehi i o matou nei aroaro, kaore hoki i homai korero mo te taha ki nga noho, me era atu tohu, hei whakaatu mai i te tika o ratou ko tona taha ki te whenua nei. Ko nga tangata i whakahaerea e ia i roto i tana kereme, hui katoa e rua rau tekau ma-onu e mau na i roto i te rarangi ingoa i tukua e ia ki te Komihana tuatahi i te 25 o nga ra o Pepuere, 1899. Ko te whakatau a taua Komihana i whakapuakina i te 11 o Pepuere, 1902, a ko te ota mo taua whenua i mahia i te 3 o nga ra o Maehe, 1902.

Kaore rawa nei matou e marama ana he aha te take i kore ai tetahi tangata kotahi, o roto i nga tangata 216 i taua rarangi ingoa, i tu mai ki mua i taua Komihana tuatahi ki te hapai i o ratou take me te whakahe i te unuhanga o o ratou ingoa ki waho, he aha ranei te take i kore ai i tu mai ki o matou nei aroaro i tenei Komihana ki te hapai i o ratou take ki te whenua. Ko nga ingoa o Numia Kereru ratou ko ana tamariki kei roto i taua rarangi ingoa, otira i te 5 o nga ra o Pepuere, 1902, i a ia e whakautu ana i te kupu whakahe a Te Tupara Kaaho mona, ara kia kua ia e noho hei Komihana mo taua keehi i te mea he tangata whai paanga ia, ka ki a Numia (tirohia Puka-puka 6, wharangi 125) kaore ona paanga, kaore ana kereme.

Otira i te wa i tu ai a Erueti Tamaikoha ki o matou aroaro i tenei Komihana kaore he tino korero i puta mai i a ia mo nga noho me era atu tohu kaha hei tautoko i tana keehi, a kaore hoki ia i tuku rarangi ingoa mai ki a matou hei whakauruhanga atu ki te whenua. No reira ki ta matou whakaaro me whakakore atu tana keehi; a e pera ana hoki ta matou nei tohutohu atu.

Na mo Pukepohatu Poraka i whakataua nei ki a Tamaikoha me tona taha e te Komihana tuatahi, e whakaatu ake ana taua whenua kei roto i te mapi o Paraeroa he wahi no taua poraka; otira ki ta matou titiro ko nga eka 7,488 e whakaatu na i roto i te ota mo Pukepohatu Poraka, ko nga eka ke tena o te Pukepohatu Poraka e piri ana ki, engari kei waho atu o, Paraeroa Poraka, i te taha rawhiti, a ko taua whenua hoki he whenua Maori e takoto papatupu tonu ana, kaore nei ano he ota i puta, kaore ano i keremetia, a kaore ano hoki i ruritua taua whenua.

Ko nga tangata e whitu e mau ake nei nga ingoa i raro he tangata i kowhiria e nga tangata nona te whenua i roto i a ratou hei mema mo te Komiti Hapu mo tenei poraka, a i whakaaetia ano hoki e nga tangata katoa o taua whenua i tae mai ki te aroaro o tenei Komihana i te nohoanga ki Whakatane i te 8 o nga ra o Maehe, 1907.

Ko enei piira e wha na te iwi o Tuhoe me ona hapu, a i whakahaerea hei keehi huihui kotahi, e kereme ana i te poraka katoa i raro i te mana o Tuhoe, e kiia nei i whiwhi ki a ratou i raro i ta ratou raupatu ki runga ki a Ngati Pukeko, me nga korero me nga whakahaerenga o tenei keehi kei roto i nga pukapuka o tenei Komihana e mau ana.

Ko te keehi mo nga rohe taupatupatu, tapikipiki nei, o Tarapounamu-Matawhero, o Hikurangi-Horomanga, me Te Whaiti-nui-a-Toi Poraka, kua oti ake nei te whaikuputia e matou i roto i a matou kupu tohutohu mo Hikurangi-Horomanga Poraka, me nga rohe taupatupatu, tapikipiki nei, o Otairi, o Maraetahia, me Te Whaiti-nui-a-Toi Poraka, kua oti ake te whaikuputia e matou i roto i a matou kupu tohutohu mo Maraetahia me Otairi Poraka, no reira kaore he take e tuaruatia ai ano i naiane i a matou whiriwhiringa mo aua rohe taupatupatu.

Ka whiriwhiria e matou i naiane ko nga keehi e takoto nei i o matou aroaro mo Te Whaiti Poraka; a ko te keehi tuatahi ka whakahaerea ko te keehi a Himiona Tikitu mo te taha ki a Ngamaihi Hapu. Kaore rawa matou e kite ana i tetahi take kotahi hei whakau i tenei keehi. I runga i nga korero a Himiona Tikitu ake ano e marama ana ko te take tupuna e hapainga mai nei e ia, i hinga i te raupatu, a mate ana; a mo te taha ki te noho ko ia ano ki te ki mai kaore rawa he tangata kotahi o tana rarangi ingoa kia noho ki te whenua, engari ko ia anake ko tona kotahi nei i noho. Otira ki ta matou titiro e hara tona noho i te noho whai take nei ki te whenua. Otira no te tatanga ki te mutunga o tana keehi unuhia katoatia atu ana e Himiona nga tangata i tana rarangi ingoa, ko ia anake i waiho; na reira ka whaiti tana keehi hei keehi mo tona tinana kotahi anake ano.

Ki ta matou titiro ko te noho a Himiona Tikitu e hara i te noho whai take ki te whenua; no reira e tohutohu atu ana matou me patu atu tona ingoa kia kore atu i roto i te whenua, me tana piira me whakakore atu.

Mo te keehi a Mehaka Tokopounamu mo te taha ki nga tangata kotahi tekau i tukua mai e ia kia whakauruhia atu ki te whenua, ko enei ingoa katoa i whakahengia i te aroaro o tenei Komihana, a kaore rawa hoki he korero i puta mai ki o matou aroaro hei tautoko i ta ratou kereme whakauru. No reira kaore he kupu ke atu ma matou i tua atu i tenei kupu na me whakakore atu tenei keehi.

Mo te keehi a Hori Wharerangi—mo te taha ki tenei tupuna ki a Marakoko me ona uri; he nui noa atu nga uri o tenei tupuna o Marakoko kei roto i a Ngati Whare, Ngati Manawa, Tuhoe, me Warahoe. Na Hori Wharerangi anake i hapa i tenei keehi i raro i tenei tupuna, a e kereme ana i tetahi wahi nui o tenei poraka i roto i nga rohe i korerotia e ia i raro i taua kereme. Otira i whakahaerea ano tenei kereme i te wa i tukuna ai nga rarangi ingoa o Ngati Marakoko ki te aroaro o te Komihana tuatahi i raro i te take o taua tupuna o Marakoko, a i whakakorea o ratou ingoa e taua Komihana.

Ahakoa he nui pea nga uri o Marakoko i roto i a Ngati Whare, me Ngati Manawa, me Warahoe, me Tuhoe, otira kaore he tangata kotahi o ratou i karangatia hei kai-korero tautoko i tenei kereme i raro i a Marakoko.

Mo te rohe o te whenua o Marakoko e korerotia nei e Hori Wharerangi; e tino whakahengia ana tenei korero e te nuinga o nga kai-korero o era atu keehi mo tenei poraka. Otira ki ta matou titiro i runga i nga korero, he paanga ano to Marakoko i roto i te Poraka o Te Whaiti; ina hoki he uri ano ia no Wharepakau, no te tupuna e whakaaetia nei e nga keehi katoa nona tenei whenua, a he uri ano hoki ia no Tangiharuru. Engari kaore matou e whakapono ana ki te rohe i korerotia mai e Hori Wharerangi; kaore hoki he korero marama mo te whakatakotoranga o taua rohe e Marakoko ratou tahi ko nga tupuna nona nga whenua i waho tata o taua rohe; a ki ta matou whakaaro ko nga uri tika anake ano o Marakoko i noho tuturu nei ki te whenua nga tangata tika kia uru ki te ota mo tenei whenua, tetahi hoki ki ta matou titiro ko nga tangata i te rarangi ingoa a Hori Wharerangi kaore i noho tuturu ki te whenua, haunga ia nga tangata o Tuhoe, o Ngati Whare, o Warahoe ranei i roto i taua rarangi, a kei roto na hoki o ratou ingoa i etahi atu rarangi ingoa mea ake nei korerotia ai.

E tohutohu atu ana matou ko te rarangi ingoa katoa o nga tangata i homai e Hori Wharerangi me whakakore atu.

Ka korerotia e matou i naianei ko te keehi a Tuhoe me ona hapu. Kua whiriwhiria e matou nga korero i puta mai ki o matou aroaro, me nga korero hoki i puta ki te aroaro o te Komihana tuatahi, me nga korero a Tutakangahau i puta i te whakawakanga o te keehi o Whirinaki Poraka i roto i te Kooti Whenua Maori, me te whakatau a taua Kooti; a kaore he awangawangatanga o matou ki te whakaputa i ta o matou whakaaro i kite ai; ara, kore rawa he paanga kotahi o Tuhoe ki tetahi wahi kotahi o te poraka katoa o Te Whaiti, a kaore hoki he noho ki te whenua.

He nui nga korero i homai mo nga raupatu e korerotia nei, a Tuhoe ki runga ki a Ngati Manawa, me Ngati Pukeko; otira e tino marama ana ko aua raupatu e kiia nei "he raupatu" he takitakinga noatanga i nga mate o mua, a kaore rawa nei i pa ki nga take o te whenua. Otira ko nga tino kai-korero o te keehi a Tuhoe e ki ana na ta ratou raupatu ki runga ki a Ngati Pukeko i tau ai to ratou mana ki te whenua; engari kaore ratou i roherohe i te whenua, a kaore ratou i noho pa, kainga ranei, i runga i taua whenua, i muri i ta ratou raupatu kia Ngati Pukeko; engari e whakaaetia ana e nga kai-korero o nga keehi katoa ko Ngati Whare me Ngati Manawa kei runga tonu i te whenua e noho ana i muri iho i te raupatu a Tuhoe kia Ngati Pukeko, a ko ratou ano hoki nga iwi noho ki tenei whenua i mua atu i taua raupatu. Kaore rawa he whakahe a nga hapu o Tuhoe mo to ratou noho o mua iho a tae mai ki naianei; ara tae mai ki te wa i whakatu kereme ai a Tuhoe mo tenei whenua.

Kaore i kitea e matou tetahi tangata kotahi o Tuhoe motuhake i noho tuturu ki te whenua, ahakoa i mua tae mai ranei ki naianei; heoi ano nga tangata o taua iwi e marama ana te noho ko nga Tuhoe taha-rua ki a Ngati Whare; a he Ngati Whare ano hoki aua tangata. Na mo Paitini Tapeka, te tino kai-korero hapai i te keehi a Tuhoe, kaore he tohu marama o tona noho tuturu ki te whenua.

Na mo te whare nui i mahia hei Whare Karakia ki Te Murumurunga i te tau 1884 e nga hapu katoa o Tuhoe; e hara i te mea he tohu tena no te noho o Tuhoe; no te mea he nui nga whare pena te ahua i mahia i ia wa i ia wa ki etahi takiwa mahamaha noa iho o tenei motu i runga i nga whaka-haere a te Haahi Ringatu, otira kaore i pa hei hanga take mo nga whenua e turia ana e aua whare.

No reira ki ta matou i kite ai me whakakore te keehi katoa a Tuhoe, hui atu ki ta ratou rarangi ingoa whakauru i homai ai, me nga rarangi ingoa katoa o ratou kei roto i te ota tuatahi me patu atu i reira, me a ratou piira me whakakore atu; a e pera ana hoki ta matou nei tohutohu atu.

Ka whiriwhiria e matou i naianei ko te keehi a Ngati Manawa me ona hapu. Kaore he take e nui ai he korero mo tenei keehi, no te mea e whakaaetia ana he paanga ano to ratou ki roto o tenei poraka kei te taha rato o te awa o Whirinaki; engari kaore i te marama nga rohe o te whenua i pa ai ratou; ara te takiwa e karangatia nei ko Te Haumingi me Te Motu-o-Titoko, a tae atu ki Okarea; ara he whenua kotahi ranei, he whenua wehewehe ranei, te mea kaore i te marama. Otira kei tona wa e roherohea ai te whenua a muri atu nei te mohiotia ai te rahi o to ratou paanga ki te whenua, te nui te iti ranei, a hei reira whakataua iho ai o ratou take kia pumau ki taua wahi anake ki aua wahi anake ranei o te whenua i pa ai ratou.

Na mo nga rarangi ingoa a Ngati Manawa i homai ai, kua patua atu e matou i roto i aua rarangi nga ingoa o nga tangata kua matara ke atu ki roto ki etahi iwi ke, ara kua mataotao o ratou take; a kua ata whiriwhiria kua ata whakanohonohoa e matou nga hea e mau na i te taha o ia ingoa tangata kotahi i roto i taua rarangi.

Kaore matou e marama ana he paanga ano to tenei tupuna to Tangiharuru ake nei ki tenei whenua; nui atu te raruraru me te taupatupatu o nga korero; ina hoki, i te whakawakanga tuatahi o Whirinaki Poraka i roto i te Kooti Whenua Maori i keremetia e Hapimana Parakiri (ara e Parakiri Rawiri) me Ngati Apa i raro i te take o Apa, tupuna, i runga i te raupatu ki a Te Marangaranga; otira ara ake ana he take tautohe i waenganui i a Ngati Manawa me Ngati Apa mo enei tupuna e rua mo Apa raua ko Tangiharuru, ki Whirinaki Poraka, e piri nei ki tenei whenua; a i naianei ko aua hapu e rua nei ano kua kotahi tonu ki te hapai i te take o Tangiharuru anake me ona uri ki tenei whenua; a ko Parakiri tonu ki te korero i te rohe nui o te whenua o Tangiharuru, engari ko ia tonu ano hoki te kai-turaki i te kereme i whakaarahia i raro i a Tangiharuru i te keehi o Whirinaki; no reira e kore matou e whakapono ki tana rohe e korero nei i naianei.

Heoi te mea e marama ana i a matou ko etahi o nga uri o Tangiharuru i whai paanga ki etahi piihi whenua i roto i Te Whaiti Poraka; ara ko Hape raua ko Mahanga nga uri e tino marama ana o raua take.

E tohutohu atu ana matou ko nga rarangi ingoa katoa o Ngati Manawa me whakauru atu ki tenei poraka, me o ratou hea e mau nei i te rarangi o o ratou ingoa e tapiri nei ki te whairu o Te Whaiti-nui-a-Toi Poraka, timata i te whika 319 tae noa ki te 507.

Na mo te keehi a Ngati Whare me ona hapu, i raro i te take o te tupuna nei o Wharepakau, me te noho tuturu. Kaore he whakahe a nga keehi katoa mo tenei keehi, mo o ratou mana ki te whenua. Otira he maha nga rarangi—i roto i a ratou rarangi ingoa i homai ai—e noho ana etahi tangata e whakahengia ana e kiia ana kaore he noho ki te whenua; ara ko te rarangi ingoa a Tamati Waaka me tona taha kaore he noho, ahakoa na Ngati whare tonu i homai taua rarangi kia whakaurua, engari kaore rawa matou i kite i to ratou tika. No reira, hei whakarite i te whakaaro o Ngati Whare kia whakaurua aua tangata, kua waihotia e matou e wha nga ingoa tangata o taua hunga kia noho ana i roto i te rarangi ingoa a Ngati Whare, a ko era atu tangata katoa i te rarangi ingoa a Tamati Waaka kua whakakorea atu e matou, hui katoa e rima tekau ma toru aua tangata.

Na mo te rarangi ingoa a Whata Henare me ona hoa, e marama ana ki ta matou titiro kua tino mataotao noa atu enei tangata ki waho, ki Taupo, me Waikato ki runga, kaore he noho tuturu ki tenei whenua, kaore i hoki mai ki konei, no naia tonu nei no te wa o te Komihana tuatahi ka tae mai ki konei. Otira hei whakarite mo te whakaurunga mai a Ngati Whare i taua rarangi ingoa, e toru nga ingoa tangata o ratou kua whakaurua e matou, a ko te nuinga atu o nga ingoa i taua rarangi kua whakakorea atu, hui katoa e rua tekau ma toru tangata.

Na mo te rarangi ingoa o Warahoe Hapu, kaore matou e kite ana he take to ratou ki te whenua; heoi ano te take e kitea ana e matou ko to ratou noho ki te whenua i roto i a Ngati Whare.

Kaore hoki a Warahoe Hapu i whakahaere take mo ratou; no te karangatanga o Te Rauna Pakaha e Himiona Tikitu hei kai-korero awhina i tana (ara i ta Himiona) keehi, i ki a Te Rauna ko tona take no Marakoko, me te noho; engari kaore kau ia i whakaara keehi mana, kaore hoki i uru ki te hapai i te keehi a Hori Wharerangi i raro i a Marakoko. Kua whiriwhiria e matou tana rarangi ingoa, a kua whakaurua nga ingoa tekau ma waru, a kua whakakorea atu nga mea e toe ana, hui katoa tekau ma rua tangata.

Mo nga rarangi ingoa e toe ana, o nga mea i tukua mai nei e Ngati Whare, kua ata whiriwhiria kua ata whakaaroarohia e matou aua rarangi, a kua patupatua e matou nga tangata kaore he noho ki te whenua, a kua tino mataotao nga take. Otira i roto i nga rarangi ingoa katoa a Ngati Whare kua waihotia e matou nga ingoa o nga mea e tika ana i runga i nga take me nga noho kia whakaurua ki te whenua; a kua mahia a kua apititia atu e matou ki te whairu o nga pukapuka mo Te Whaiti Poraka te rarangi o o ratou ingoa, timata i te Nama 1, tae noa ki te 318, me te hea paanga mo ia tangata o ratou kei te taha o tona ingoa i roto i taua rarangi e mau ana; a e tohutohu atu nei matou ko aua ingoa me aua hea me whakauru atu ki te whenua.

I roto i te whakahaeretanga o tenei keehi o Te Whaiti-nui-a-Toi i korerotia mai ki a matou tera tetahi pihi whenua e karangatia ana ko Te Rua, ko Ahikereru ranei, te ingoa, kei roto i tenei poraka, i tukua e nga rangatira o Ngati Whare ki a Te Pirihi, Minita, i te tau 1846, hei kainga Mihinare; a noho tonu iho a Te Pirihi ratou ko tona whanau ki runga ki taua whenua mo etahi tau ahua maha; e kiia ana e tae ana pea ki te ono tekau eka te rahi o taua pihi whenua. Otira kaore a matou kupu tohutohu pewhea mo tena take, kati ano i tenei, ara, kua korerotia mai ki a matou i tukuna taua wahi, engari kaore matou e mohio ana, kaore hoki matou e ki ana, kei te mau tonu ranei te mana o taua tuku i naianei, kaore ranei.

E tohutohu atu ana matou ko te ota i hanga e te Komihana tuatahi mo Te Whaiti-nui-a-Toi Poraka, ki ta matou whakaaro me whakakore katoa atu, hui atu ki nga ingoa tangata me nga hea i whakataua i raro i taua ota, me nga eka, me te ingoa o te poraka, e mau na i roto i taua ota; a me whakahua hei ingoa mo taua whenua ko tona ingoa tika ano, ara ko Te Whaiti Poraka, tona nui 71,340 eka, nui atu iti iho ranei; a me whakaputa he ota hou mo taua whenua i raro i tera ingoa ki nga tangata e mau na o ratou ingoa, timata i te whika 1 tae noa ki te 507, me nga hea mo ia tangata o ratou, i roto i te rarangi ingoa kua mahia a kua tapiritia atu e matou ki te whairu o Te Whaiti Poraka; a ko te rohe rawhiti o te poraka me whakatikatika, me whai tonu ma runga i te raina tika e whakaatu ana i runga i te mapi, timata atu i te peeke i Opaheru, tae noa ki te peeke i te koki tonga-rawhiti o Maraetahia Poraka, e mau nei ko "Te Taumata," ko "Nga-Mokaikai-a-te-Ao" ranei, te ingoa i runga i te mapi; a ko te nuinga atu o nga rohe o te poraka ko ona rohe tuatahi ano e mau na i te mapi.

Ki ta matou titiro ko tenei poraka ko Te Whaiti tetahi o nga tino whenua whai wariu i roto i te Rohe Potae o te Takiwa o Te Urewera; i tino neke ake ai tona whai wariutanga na te nui rawa o ona wahi ngaherehere papai, he totara, he rimu, he kahikatea, he matai, he maire, me era atu rakau whai tikanga; me te pai o te takoto o te whenua; he nui ano nga eka whenua parae papai nei o taua poraka; he raorao etahi wahi, he pukepuke papaku etahi wahi; a ko te taha maunga o taua poraka, ara ko te pito tonga-rawhiti e hono atu ana ki Maungataniwha, te wahi o te whenua e kiia nei he koura kei reira.

Ko nga tangata e whitu e mau ake nei nga ingoa i raro he tangata kua kowhiria e matou—i runga i ta matou mohio he tangata tika ratou no te whenua—i roto o nga rarangi ingoa i kowhiria a i whakaaetia i roto i a ratou e nga tangata o ia iwi kotahi e tu mai ana i o matou aroaro ki te kereme i tenei whenua, hei mema mo te Komiti Hapu mo tenei poraka, a i whakaaetia ano hoki e nga tangata katoa o aua iwi i tae mai ki te aroaro o tenei Komihana i te nohoanga ki Te Whaiti i te 28 o nga ra o Maehe, 1907.

MAUNGAPOHATU ME TAURANGA PORAKA.

Ka whiriwhiria e matou i naiane ko te keehi a Wi Pere me ona hapu o Ngati Kahungunu i whakahaerea nei e ia ki o matou aroaro, ara ko Ngati Hingaanga, Ngati Maru, Ngati Rua, me Ngati Hine, i raro i enei piira e ono e whai ake nei, ara :—

Piira Nama 26.—A Peka Ngahere me etahi atu.

Piira Nama 32.—A Meretene te Rongo.

Piira Nama 33.—A Peka Kerekere.

Piira Nama 34.—A Arani Kuneiti.

Piira Nama 35.—A Wi Pere.

Piira Nama 75.—A Peka Kerekere.

I whakahaerea tenei keehi e tenei Komihana ki Te Wairoa, Haaki Pei, i te 7 o nga ra o Tihema, 1906, me nga ra i muri iho, a i whakahaerea ano hoki ki Whakatane i te 11 o nga ra o Hanuere, 1907, me nga ra i muri iho, i waenganui i nga taha katoa e pa ana ki tenei keehi. He nui nga korero i puta mai ki o matou aroaro, a kua tuhia ki nga pukapuka o tenei Komihana.

Ko nga take hei whiriwhiritanga ma matou koia tenei e whai ake nei, ara :—

(1.) Mehemea i uru ranei he whenua o nga hapu e whakahaere nei a Wi Pere ki roto o nga rohe o Te Rahui Maori o te Takiwa o Te Urewera, kaore ranei.

(2.) Mehemea ranei ko te rohe rawhiti me te rohe tonga o taua Rahui Maori o te Takiwa o Te Urewera, timata atu i Kaahunui tae noa ki te awa o Te Waiau, he rohe tupuna no mua iho, ara rohe wahanga iwi nui i waenganui i a Ngati Kahungunu ki tetahi taha me Tuhoe ki tetahi taha, e hara ranei i te rohe tupuna, engari na nga ruri ranei o nga poraka e piri mai nei ki taua takiwa i te taha rawhiti me te taha tonga i tangohia ai koiana hei rohe mo taua Rahui Maori o te Takiwa o Te Urewera.

Kua korerotia mai ki a matou ko te ruri o Te Tahora Poraka he ruri tahae na Te Tauha, o Opotiki, raua ko Te Peka, kai-ruri; a i te whakawakanga o Te Tahora keehi e te Kooti Whenua Maori ki Opotiki i hinga te taha ki nga tangata nana taua ruri, a i whakataua te whenua katoa ki a Wi Pere me ona hapu me nga tangata i whakatikaia no ratou taua whenua, no konei ki ta matou titiro e hara taua rohe e mau nei, ara te rohe rawhiti o tenei Rahui Maori o te Takiwa o Te Urewera, i te rohe tupuna no mua iho.

I te wa o te whakawakanga o Te Tahora Poraka i te Kooti Whenua Maori i ara he keehi ma etahi tangata o Tuhoe e kereme ana ki roto o Te Tahora Poraka, a puta ana a ratou korero mo nga rohe i waenganui i a Tuhoe me Ngati Kahungunu, me te raupatu a Tuhoe, a i te putanga o te whakatau a taua Kooti ka whakakorea taua keehi a Tuhoe. I muri iho i tera whakatau ka whakawakia tuaruatia ano a Te Tahora Poraka e te Kooti Whenua Maori i waenganui ano o nga hapu o Ngati Kahungunu e noho ana ki Turanga me Te Wairoa, engari kaore a Tuhoe i whakatu keehi i roto i taua whakawa tuarua.

I roto i tena whakawa tuarua i korerotia te rohe nui, wahanga iwi nei, i waenganui i a Ngati Kahungunu me Tuhoe; a, tetahi o nga tino tohu nui i korerotia hei tautoko i taua rohe ko te pou whakairo i whakaturia e Paora Kingi, he rangatira no te taha ki a Tuhoe, ara ki nga hapu no ratou nga whenua i Maungapohatu me Tauranga Poraka. Ko taua pou i whakaturia ki Paharakeke, i tapaina ko Te Koari te ingoa, he ingoa no te matua o Wi Tipuna o te iwi o Ngati Kahungunu, a he nui nga kai-korero o te keehi o Te Tahora i ki ko taua pou i whakaturia hei tohu mo te rohe, a ko te wahi i whakaturia ai taua pou ko Paharakeke, e mau na i runga i te mapi o Maungapohatu Poraka.

Otira ko Numia Koreru me te taha ki a Tuhoe i te aroaro o tenei Komihana e ki ana ko taua pou he takotoranga iho, ara pito tamariki, no te tamahine a Paora Kingi, ko Te Parekaramu te ingoa. He tika pea, otira mehemea he tika he aha i kawea rawatia ai ki taua wahi ki Paharakeke nei tu ai taua pou, te pou ai ki te taha o nga pa nohoanga o aua tangata?

Na mo tera wahi o te rohe o te Rahui Maori o te Takiwa o Te Urewera, timata atu i te poraka o Te Tahora ka ahu atu whaka-te-tonga ki te awa o Te Waiau, ara ki te raina rohe o Maungataniwha Poraka; ki ta matou titiro e hara anake i te rohe tupuna taua raina e mau nei ki te mapi. Ina hoki i korerotia mai ki a matou e nga kai-korero na nga hoko whenua a Ngati Kahungunu ki te Karauna i nga ra o mua i ruritua ai aua whenua, me te ki ano a ratou i riro atu etahi wahi o tenei Rohe Potae o Te Urewera i roto i aua hoko ki te Karauna. Kua korerotia mai ano hoki ki a matou tera tetahi wahi o Waipaoa Poraka, e karangatia nei ko Rapurapua te ingoa, me tera wahi i Te Papuni e kiia ana no Ngati Hingaanga, kei roto o te Rohe Potae o te takiwa o te Urewera; a kaore rawa he awangawanga o matou ki te ki kei te tino marama ki ta matou titiro ko aua raina rohe o te taha rawhiti me te taha tonga o tenei rahui e mau na i te mapi e hara i te rohe-a-iwi, a e hara hoki i te rohe tupuna.

No runga i enei take kua korerotia ake nei e matou, hui atu hoki ki nga korero i puta ki o matou aroaro i Te Wairoa, i marama ai matou ki te whakaatu i te rohe nui, wahanga iwi, i waenganui i a Tuhoe me Ngati Kahungunu, kua korerotia nei e matou i roto i a matou kupu tohutohu whiriwhiri mo nga keehi mo Waikaremoana Poraka.

Ko te rohe i korerotia e Wi Pere me tona taha, timata mai i Ngapukeriki, he puke kei te hiwi maunga wehenga nei o nga wai, haere tonu i runga i taua pae maunga tae noa ki Te Ranga-a-Kapua maunga, kei te taha ki te ra o taua maunga te rerenga o te rohe, haere atu i kona ki Paharakeke, ki te wahi i tu ai te pou whakairo, a "Te Koari," rere atu i reira ki te matapuna o Hopuruahe Awa, ki te matapuna o Orangitutaetutu Awa, haere tonu i runga i te hiwi pae maunga o Huiarau, a tae noa ki te awa o Te Waiau, ki te ritenga atu ki Maungataniwha Maunga. Ara ko tenei rohe e haere ana i runga i te Maunga Ikawhenua, wehenga o nga wai; a e ki ana ratou—ara a Wi Pere me tona taha—koiana te tuturu rohe wahanga iwi i waenganui i a Tuhoe ki te taha hauraro me te taha rato me Ngati Kahungunu ki te taha tonga me te taha rawhiti.

Ko Te Wharau Tapuae, tetahi o nga kai-korero o te taha Tuhoe, e ki ana ko te rohe i waenganui i a Tuhoe me Ngati Kahungunu i timata i te puaha o Okauia, ka piki i te hiwi o Taumataroa, haere tonu i te hiwi o Pukaitangaroa, te hiwi pae maunga wehenga o nga wai e huri mai ana ki te moana i tenei taha, me nga wai o tua e huri atu ana ki Hangaroa. Ko tenei wahi o tana korero e tautoko ana i te korero e ki nei ko te rohe wahanga iwi kei runga tonu o te hiwi pae maunga e haere ana.

Ko Numia Kereru, i roto i tana korero e ki ana, e whakatika ana ia i te rohe i korerotia e Wi Pere, tae atu ki Huiarau; otira me tana ki ano ka mutu te wahi tika o te rohe a Wi Pere. E ki ana a Numia e rere atu ana te rohe i te maunga o Huiarau ka heke ki Orangitutaetutu Awa, ka ahu ki raro o taua awa ka puta ki Hopuruahe Awa, ki Te Pohue—ko tetahi ingoa o taua wahi ko Taita-a-Makoro—ka rere whaka-te-rawhiti ki Ngatapa, ka rere atu ki Manuoha, he puke (he Manuoha ke ta Wi Pere i tohutohu ai, kei wahi ke e tu ana), ka rere atu ki Kopuapounamu Awa, ka puta ki Makahikatoa Awa, Mangatoetoe Awa, Owahakatoro Awa, Tupuni Awa, Anini Awa, he awa e rere whaka-te-rawhiti ana, Rangitata Awa. "Ko taku rohe e korero nei (e ki ana a Numia) kei te tapahi haere i runga o nga awa kua korerotia nei e au; ka tae ki Tauhokinga Awa; kei Maungapohatu maunga tenei wahi o te rohe, kei waenganui o Maungapohatu Poraka me Tauranga Poraka; a ko te rohe tupuna tenei o mua iho; koiana te rohe wahanga iwi i waenganui i a Te Urewera me Ngati Kahungunu."

Me korero ano e matou i konei te rohe i korerotia e Eria Tutarakauika—he tangata no Ngati Kahungunu i te taha ki a Hingaanga, tupuna, a he tangata ano hoki mo Tuhoe i runga i tetahi taha ona—i te wa o te Komihana tuatahi. I whakaaria e taua tangata he kereme mana, i raro i tona take o Ngati Kahungunu, i te tau 1901, mo te taha tonga me te taha rawhiti o Maungapohatu me Tauranga Poraka; ka kitea ana korero kei te pukapuka 5 o te Komihana tuatahi, wharangi 291. I penei ana korero i reira: "Ko taku rohe i timata i Ngatapa (Manuoha), rere atu i reira he raina tika ki Te Ana-a-Paparuakete, i runga i te pae maunga Ika Whenua, ki Oharuru, rere atu ki Te Ranga-a-Kapua, ki Te Rimuroa, tae atu ki Ngapukeriki, he tiriki teihana, kei runga i te raina rohe o Te Tahora Nama 2 Poraka, rere tonu i runga i taua rohe tae noa ki te rohe tonga o taua poraka, ka tae ano ki te timatanga."

I ki ano ia, "Ko tenei rohe i Paharakeke ki Ngapukeriki he rohe tuku iho i nga tupuna," a "ko Tui te tupuna nana i whakatakoto tenei rohe."

Kati, me apiti ano e matou ki roto ki tenei whiriwhiringa te korero a Te Whenuanui i whakapuaki ai ki te aroaro o tenei Komihana i roto i te whakahaerenga o te keehi o Waikaremoana i Te Wairoa i te 19 o nga ra o Tihema, 1906; ara i ki ia, kaore te poraka o Ruatahuna i huri mai ki tenei taha, ara ki te taha rawhiti o te pae maunga o Huiarau, me nga korero ano a Te Wao Ihimaera ki o matou aroaro; i ki ia ko nga matapuna o Orangitutaetutu Awa kei roto o Ruatahuna Poraka, e hara i te taha Tuhoe taua whenua, engari (e ki ana ia) "i au tonu, i taku taha Ngati Kahungunu."

Koiane ai hoki te rohe i korerotia e Wi Pere, i nga wahi kua tohungia ki te "(4)" tae atu ki te "(7)," ka rere atu ki Manuoha, he "(8)" i runga i te mapi, ka haere atu. Ko te Whenuanui me Te Wao Ihimaera he tangata no Tuhoe me Ngati Ruapani ano.

Kua whiriwhiria e matou nga korero i puta ki o matou aroaro me nga korero i puta mo te pou rohe i Paharakeke i te whakawakanga o te keehi o Te Tahora Poraka; a kaore rawa he awangawangatanga o o matou ngakau ki te whakatakoto i te rohe tuturu, wahanga iwi, i waenganui i te taha Tuhoe me te taha Ngati Kahungunu, kia whai tonu i runga i nga raina kua tohungia e matou ki runga ki nga mapi o Tauranga Poraka, o Maungapohatu Poraka, o Ruatahuna Poraka, me Waikaremoana Poraka, me te mapi nui o te rohe potae o te Rahui Maori o te Takiwa o Te Urewera; ara, me timata atu te rohe i te raina o Te Tahora Nama 2, i te wahi e karangatia nei ko Ngapukeriki, kei runga i te hiwi pae maunga i waenganui o Kaahunui Awa me Tataweka Awa, ka whai tonu i te hiwi pae maunga ki Ngapuketurua kei runga i te mapi, rere atu, Te Ranga-a-Kapua, Paharakeke, Hopuruahe, Orangitutaetutu, Te Whiri-a-Raukatauri, peeke xvi, haere tonu tae noa ki peeke xiv, haere tonu i te hiwi pae maunga wehenga o nga wai ki te Tiriki Teihana 2128 i Whakatakaa, haere tonu ki Te Mangoroa, peeke xii, haere tonu i te raina ruri e whakaatu nei i te mapi tae noa ki te wahi e karangatia nei ko Te Apiti, i te taha o te awa o Te Waiau.

Kaore he ota i whakaputaina mo tenei poraka e te Komihana tuatahi; ko tona taitara kaore ano i whakawakia; a kaore hoki he piira mo taua whenua i takoto ki o matou aroaro e ahei ai matou ki te uiui i nga take paanga me te rapu i nga tangata tika mo taua whenua.

Otira ki ta matou whakaaro he mea tika kia whakaaturia atu ki te Honore Minita mo nga Mea Maori tenei ahua na, ko te ota i whakaputaina e te Komihana tuatahi mo te Pukepohatu Poraka e whakahuatia nei i roto i taua ota kua whakaputaina pohehetia mo tenei whenua. Kei te tino marama ta matou korero pera, no te mea e tino marama ana ko te whenua e karangatia nei ko Pukepohatu i whakataua e te Komihana tuatahi—tirohia te wharangi 319 me te 320 o te pukapuka perehitanga o nga ota—ki a Tamaikoha me tana rarangi ingoa, kei roto ke i te poraka o Paraeroa e whakaatu na i te Mapi Nama 6871, me nga rohe hoki o taua “Pukepohatu” i whakataua peratia e tohu haere ana i roto i te rarangi ingoa i kokiritia ai mo taua whenua i te 24 o nga ra o Pepuere, 1899; a ko aua rohe e mau na i taua rarangi ingoa e whakaatu tuturu ana koiana tonu taua whenua ko taua wahi o Paraeroa Poraka e karangatia nei ko “Pukepohatu.”

No reira matou i whakaaro ai e tika ana kia whakaaturia atu e matou ki te Honore Minita mo nga Mea Maori tenei ahuatanga ko enei piihi whenua motuhake e rua nei kotahi ano to raua ingoa i roto i tenei ra, ara ko “Pukepohatu” anake; a ko te ota a te Komihana tuatahi mo Pukepohatu Poraka kua whakaputaina pohehetia mo tetahi 7,488 eka whenua kaore rawa nei i uru ki roto ki taua wahi o Paraeroa Poraka i whakaarohia nei e taua Komihana kia whakataua e ratou ki nga tangata e wha tekau ma wha i kiia ra e taua Komihana no ratou taua whenua i runga i te ingoa o “Pukepohatu Poraka.”

Ko nga eka o era atu poraka whenua katoa kei roto i te Rahui Maori o te Takiwa o te Urewera, kaore nei i uru ki te rarangi i runga ake nei me kati tonu kia tuturu ki nga eka e mau na i roto i nga ota a te Komihana tuatahi.

Me tohutohu atu matou i konei, ki ta matou whakaaro ko nga hea o nga tangata katoa i roto i nga poraka katoa o te Rahui Maori o te Takiwa o te Urewera kaore i tika te whakanohonoho, kaore i haere i runga i nga tikanga Maori. I penei te tikanga i tangohia hei kaupapa e te Komihana tuatahi, mo nga upoko whanau he rua tekau hea i te tangata kotahi, mo nga tamariki he tekau hea, mo nga mokopuna he rima hea, a mo nga mokopuna tuarua he toru hea; a mehemea kua mate te matua, upoko whanau nei, ora ake ko ana tamariki, me ki toko ono, kotahi tekau ranei, neke atu ranei, i whakawhiwhia ia mea kotahi o ana tamariki ki te rua tekau hea.

Ara, hei tauira e mohiotia ai te aronga, me ki tera etahi tangata e toru, he tuakana he taina, a te matua kotahi, i whiwhi katoa ratou i te rua tekau hea i te tangata kotahi, ko to ratou tuakana kaore he tamariki, engari ko ona taina tokorua he nui a raua tamariki e whiwhi ana i te tekau hea, me a raua mokopuna e whiwhi ana i te rima hea i te mea kotahi; a ka kitea i kona i raro i tena tikanga ka riro te nuinga o te whenua i nga tangata i tupono he maha a ratou tamariki me a ratou mokopuna.

E ki ana nga tangata o Tuhoe ko tenei tikanga whakanohonoho hea he mea whakatakoto na nga Komihana tuatahi hei kaupapa pumau, a mau tonu iho hei tikanga ma ratou.

Mehemea pea ka whakaritea he huarahi a tona wa e haere ake nei e taea ai te whakatikatika nga hea e tau nei i naianei o nga tangata katoa o roto i tenei Rahui Whenua Maori o te Takiwa o te Urewera, katahi pea ka taea te whakatikatika aua hea kia ahua tau hangai ai ki runga ki nga tikanga Maori.
