

3376

HOUHOU (*Panax arboreum*); AND *P. anomalum*.

The large leaves are those of the houhou (*Panax arboreum*); the small specimen is *Panax anomalum*, showing its minute leaves and divaricating habit.

3378

HETEROPHYLLY: FOUR DIFFERENT LEAVES WHICH MAY BE FOUND AT ONE TIME ON THE POKAKA (*Elæocarpus Hookerianus*).

The largest are the adult form.

[See p. 8.]
