EXTRACT FROM THE REPORT OF THE MANAGERS OF THE LYTTELTON ASSOCIATED CLASSES.

Again the work has been confined entirely to school classes. Instruction has been regularly given in cookery and woodwork. The attendance has been good, and very satisfactory progress has been made by the majority of the students. During the year the instruction was conducted in new quarters, each class being provided with separate apartments in the Colonists' Hall.

EXTRACT FROM THE REPORT OF THE MANAGERS OF THE RANGIORA ASSOCIATED CLASSES.

The Managers report that on the whole very satisfactory results have been obtained considering the unfavourable conditions with regard to class room. The school cookery class has been well attended. The instruction given by Miss Rennie we feel sure has been of a most useful nature. The evening class has been better attended than the previous year. Dressmaking has been a most popular subject, the classes every term being very well attended. The instructor, Miss Gillies, has given the greatest satisfaction to both pupils and Managers. The typewriting and shorthand class has not been as satisfactory as we would have wished. Now that the new building is well on towards completion, we hope that when it is finished and fully equipped we shall be able to do much more in the way of technical work, and with better results if possible.

J. MARSHALL, Secretary.
