

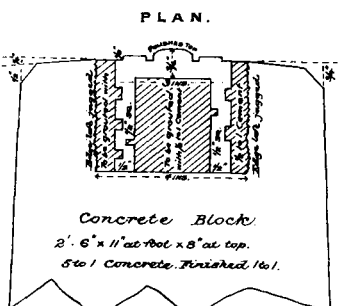

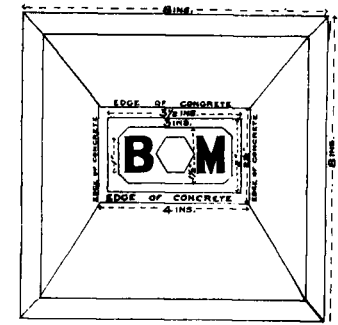

Fig. 4.

Plan showing
**POSITION OF BENCH-MARKS ON CONCRETE BLOCKS CONNECTING
 MEAN SEA-LEVEL DETERMINATIONS
 AT WELLINGTON CITY AND POINT DORSET.**

Scale, 20 chains to an inch.

NOTE.—LEVELS of bench-marks taken by Mr. F. C. Hay, of the Public Works Department.
 Mr. Hay took as datum the Wellington Harbour Board's initial = 51'917 ft. above
 City datum. The levels given on this plan are in terms of the City datum, which is
 approximately 38 ft. below mean sea-level.
