

<i>Myrica carolinensis</i>	Bay-berry ..	North America	Shrub, evergreen	Used on the Cape Cod dunes, U.S.A., as first shelter before planting trees.
<i>Oenothera biennis</i>	Evening primrose ..	N. America ..	Herb, biennial	Ornamental.
— <i>Lamarckiana</i>	Lamarck's evening primrose ..	N. America ..	Herb, biennial	As above.
<i>Olearia avicenniæfolia</i>	Akeake ..	New Zealand	Shrub, evergreen	Good for shelter.
— <i>Forsteri</i> ..	Forster's daisy-tree ..	New Zealand	Shrub, evergreen	Makes splendid hedges; will bear close clipping. In some places takes a gall badly, and then is no use for planting.
— <i>odorata</i> ..	..	New Zealand	Shrub, evergreen.	Many of the other species of New Zealand <i>Olearias</i> grow fairly well on sand, but they will not tolerate the driest stations, and are of little moment for the North Island dunes.
— <i>stellulata</i> ..	..	Australia ..	Shrub, evergreen	Formerly known as <i>O. Gunniana</i> .
— <i>virgata</i> ..	..	New Zealand	Shrub, evergreen.	Forms tussocks 3 ft. tall.
<i>Panicum amarum</i>	..	N. America ..	Grass, perennial	Useful for covering feebly drifting sand.
— <i>sanguinale</i>	Finger-grass ..	Cosmopolitan	Grass, perennial	Grows on sand, but its capacity for spreading and maintaining itself is not yet known.
<i>Paspalum dilatatum</i>	Paspalum ..	S. America ..	Grass, perennial	If it succeeds it would be a magnificent addition to the sand-pastures.
<i>Picea Douglasii</i>	Oregon spruce ..	N. America ..	Tree, evergreen	Probably this important timber-tree will only grow in the hollows or where it is well sheltered.
— <i>excelsa</i> ..	Norway spruce ..	Europe	Tree, evergreen	As for above.
— <i>sitchensis</i>	Tideland spruce; silka spruce ..	California ..	Tree, evergreen	Grows naturally sometimes on sandhills.
<i>Pinus austriaca</i> ..	Austrian pine ..	Europe	Tree, evergreen	Will grow on bare sand if sheltered.
— <i>contorta</i> ..	Beach pine ..	California ..	Tree, evergreen	Grows naturally on sea-bluffs and dunes.
— <i>Murrayana</i>	Tamrac pine ..	California ..	Tree, evergreen	Much as <i>P. contorta</i> , but taller.
— <i>Coulteri</i> ..	Big-cone pine ..	California ..	Tree, evergreen	Grows well on pure sand.
— <i>halepensis</i>	Aleppo pine ..	Mediterranean region	Tree, evergreen	An excellent pine for pure sand.
— <i>insignis</i>	Monterey pine ..	California ..	Tree, evergreen	The most valuable of all trees for dune-afforestation.
— <i>lario</i> ..	Corsican pine ..	Corsica ..	Tree, evergreen	A most important timber-tree.
— <i>montana</i> ..	Alpine pine ..	Europe ..	Tree, evergreen	The pine almost exclusively used by the Germans on the Baltic dunes. Not wanted for New Zealand dune-reclamation when there are available so many better timbers and rapidly growing trees.
— <i>muricata</i> ..	Bishop pine ..	California ..	Tree, evergreen	Grows admirably and rapidly on pure sand exposed to sea wind.
— <i>pinaster</i> ..	Cluster pine ..	Mediterranean region	Tree, evergreen	Probably the best pine for planting close to the sea.
— <i>palustris</i> ..	Georgia pine ..	N. America ..	Tree, evergreen	Grows well on pure sand.
— <i>pinæ</i> ..	Stone pine ..	Mediterranean region	Tree, evergreen	One of the dune-pines of eastern North America.
— <i>ponderosa</i>	Yellow pine ..	California ..	Tree, evergreen	As above.
— <i>rigida</i> ..	Pitch pine ..	N. America ..	Tree, evergreen	Another dune-pine of eastern North America.
— <i>strobus</i> ..	Weymouth pine ..	N. America ..	Tree, evergreen	Acts to some extent as a sand-binder.
— <i>virginiana</i>	Scrub pine ..	N. America ..	Tree, evergreen	One of the best grasses for dune-culture.
<i>Poa caespitosa</i> ..	Silver-tussock ..	New Zealand, Australia	Grass, perennial	Grows well on pure sand. A dune-plant of eastern North America.
— <i>pratensis</i>	Meadow-grass ..	Europe, N. America	Grass, perennial	Grows well on sand; good for sand-gardens.
<i>Populus alba</i> ..	White poplar ..	Europe	Tree, deciduous.	Grows naturally on beaches and dunes; 1 ft. to 7 ft. tall. Fruit edible.
— <i>balsanifera</i>	Balsam poplar ..	N. America ..	Tree, deciduous.	More or less prostrate.
— <i>canadensis</i>	Cottonwood ..	N. America ..	Tree, deciduous.	Wood valuable for cabinetmaking.
— <i>fastigiata</i> ..	Lombardy poplar ..	Spain	Tree, deciduous.	
<i>Portulaca grandiflora</i>	..	S. America	Herb, annual	
<i>Prunus maritima</i>	Beach-plum ..	N. America ..	Shrub, deciduous	
— <i>pumila</i>	Sand-cherry ..	N. America ..	Shrub, deciduous	
— <i>serotina</i> ..	Wild black cherry ..	N. America ..	Tree, deciduous	
— <i>virginiana</i>	Choke-cherry ..	N. America ..	Shrub or small tree, deciduous.
