EDUCATION: SUBSIDIES TO PUBLIC LIBRARIES

(PAPERS RELATING TO DISTRIBUTION OF).

[In continuation of E-10, 1912.]

Presented to both Houses of the General Assembly by Command of His Excellency.

I. EXTRACT FROM THE THIRTY-SIXTH ANNUAL REPORT OF THE MINISTER OF EDUCATION.

As in the previous year, Parliament voted the sum of £4,000 in 1912-13 for payment of subsidies to public libraries.

In the *New Zealand Gazette* of the 24th October, 1912, a notice was inserted stating that £4,000 had been voted by Parliament for distribution to libraries. Forms of application were sent to all libraries known to the Department.

The method of distribution of the vote was the same as that adopted in previous years—viz., a nominal addition of £25 was made to the amount of the income of each library derived from subscriptions, donations, and rates, provided that the receipts for the year were not less than £2, and the vote was distributed according to the amount thus augmented; but no library received credit for a larger income than £75—that is, in no case did the augmented amount on which distribution was based exceed £100. In accordance with the *Gazette* notice, the day appointed for the distribution of the subsidy was the 3rd February, 1913, and the amount of the vote was divided among the 408 libraries from which applications, each accompanied by a statutory declaration on the proper form, had been received at that date. The vote, as thus dealt with, afforded a subsidy of 4s. 7·72d. in the pound on the nominal income, and the subsidies ranged from £6 5s. 4d. to £23 4s. 3d. The number of libraries participating in the vote shows an increase of seventeen as compared with the number aided in February, 1912.

In order that the purpose intended to be served by the vote may be attained, it is made a condition for participation that the whole of the subsidy granted to each library in the previous year shall have been expended in the purchase of books.

An analysis of the books added to the public libraries during the year indicates that 81·5 per cent. of the books purchased during the last year were novels. If the additions made by the large libraries at Auckland, Onehunga, New Plymouth, Palmerston North, Wanganui, Wellington, Nelson, Westport, Christchurch, Timaru, and Oamaru are not included the proportion of novels is 89 per cent. One hundred and twenty-three public libraries purchased no books other than fiction.

The following table shows the distribution according to the education districts:—

II. EXTRACT FROM *New Zealand Gazette*, 24TH OCTOBER, 1912.

Education Department, Wellington, 14th October, 1912.

NOTICE is hereby given that the sum of £4,000 has been voted by Parliament for distribution to public libraries.

The distribution will take place on the 3rd February, 1913, and no claim will be entitled to consideration that shall not have been sent in in due form and received by the Secretary for education, Wellington, on or before the 25th January, 1913.

1. A library to be entitled to a subsidy must be public in the sense of belonging to the public, and of not being under the control of an association, society, or club whose membership is composed of a section of the community only, and if within a borough it must be open to the public free of charge. The receipts for the year from subscriptions and donations must not have been less than £2, exclusive of moneys received from endowments, or from Government, or from Borough or County Councils, or for special building purposes, or as rent, hire, or consideration for the use of any room, or building, or land belonging to the institution, in respect of none of which will subsidy be allowed. The *net* proceeds of concerts, lectures, or other entertainments on behalf of the current expenses of the library will be regarded as voluntary contributions. A subsidy will not be given to more than one library in the same town.

2. In the division of the vote a nominal addition of £25 will be made to the amount of the income of each library derived from subscriptions, donations, and rates, and the vote will be divided according to the amounts thus augmented; but no library will receive credit for a larger income than £75—that is, in no case will the augmented amount on which distribution is based exceed £100.

3. The whole of the subsidy must be expended without delay in the purchase of books for the library.

4. Application to share in the distribution must be by means of a statutory declaration by the Chairman, or Secretary, or Treasurer of the institution on behalf of which it is made, and must be accompanied by a statement of the receipts and expenditure of the institution for the year ending on the 31st day of December, 1912, and *such declaration must be on the form provided for the purpose*, which form shall be as follows:—
