# EDUCATION: TEACHERS' SUPERANNUATION FUND.

[In continuation of E.-9, 1918.]

---

*Presented to both Houses of the General Assembly by Command of His Excellency.*

---

## THIRTEENTH REPORT OF THE TEACHERS' SUPERANNUATION BOARD FOR THE YEAR ENDED 31ST DECEMBER, 1918.

The Hon. the Minister of Education.

SIR,—

Wellington, 31st March, 1919.

The Board has to submit the following report for the year ended the 31st December, 1918:—

*The Board.*—The usual quarterly meetings of the Board were held in February, May, August, and November.

All members elected to represent contributors retired by effluxion of time after the February meeting of the Board. Only two nominations were received for two contributors to represent the South Island members of the fund—namely, Messrs. W. Davidson and J. E. Purchase—and these gentlemen were declared duly elected.

For the election of two contributors to represent the North Island members only one nomination was received—viz., that of Mr. A. Erskine, who was declared duly elected. To fill the extraordinary vacancy thus arising two nominations were received, and Mr. H. G. Cousins was elected.

Mr. W. Davidson resigned after the May meeting of the Board, and Mr. O. D. Flamank was elected unopposed to fill the vacancy.

*Contributors.*—The number of contributors increased from 4,792 at the end of 1917 to 4,894 at the end of 1918, an increase of 102. The number of male contributors fell from 1,976 at the end of 1917 to 1,955 at the end of 1918, a result due to war conditions. Table A shows the contributors arranged according to percentage of contribution, together with the number admitted and left during the year.

*Retiring and other Allowances.*—Allowances amounting to £4,571 5s. were granted during the year, compared with £5,049 9s. in 1917. The decrease is due to the effect of war legislation restricting retirements. The number of applications for retirement in 1919 (the restrictive legislation having been repealed) is very considerable. The total annual rate of all allowances payable at the end of the year was £51,033 11s.

Ten allowances were discontinued by death, and fifteen from other causes—viz., the allowance of two widows ceased on remarriage; eleven children attained the age of fourteen years; the allowance of one annuitant was cancelled on the ground that she was considered sufficiently recovered to re-enter the Education service; and the allowance of one annuitant, who had retired as medically unfit, lapsed on her re-entering the Education service.

The number of allowances granted to widows and children was high compared with previous years. Twenty widows and forty-one children were granted allowances, compared with twelve and nine respectively in 1917. The large increase is due almost entirely to deaths arising out of the late influenza epidemic.

*Income.*—The total income for the year was £99,976, made up as follows :—

	£
Members' ordinary contributions	60,160
Government subsidy	17,000
Interest on investments	22,514
Interest on arrears of contributions	152
Contributions transferred from other funds	150
Total for year	<u>£99,976</u>

*Expenditure.*—The allowances paid to contributors who have retired and to dependants of deceased contributors and annuitants amounted to £48,354 5s. 5d., an increase of £3,232 2s. over the amount for 1917.

Refunds of contributions on voluntary retirement from the Education service amounted to £6,560 2s. 5d., an increase of £1,374 12s. 6d. over the amount for 1917. The number of refunds granted increased from 140 in 1917 to 167 in 1918.

The refunds to personal representatives of deceased contributors amounted to £5,436 5s. 1d., an increase over the amount for 1917 of £2,586 2s. 1d. The increase is due to the increase in the number of deaths amongst contributors who were members of the Expeditionary Force, and to deaths amongst other contributors arising during the influenza epidemic.

*Administration Expenses.*—These amounted to £676 12s. 8d. Included in this sum is an item of £250 charged by the Education Department for clerical assistance. No part of the salary of the Secretary to the Board is, however, included in the item, the whole of his salary, in terms of the Act, being a charge on the Consolidated Fund.

*Net Revenue.*—The total for the year was £37,830, compared with £39,067 in 1917 and £40,756 in 1916. The decrease is due to the heavy payments on account of refunds of contributions.

*Government Subsidy.*—The Government subsidy of £17,000 was received during the first quarter of the year. The total subsidies paid by the Government since the inception of the fund amount to £135,000.

The Actuary in his last report recommended a subsidy of £43,000 for 1917, 1918, and 1919. Owing to war conditions the Government could not see its way to increase the subsidy for 1917 and 1918, but the Board notes with satisfaction the payment of subsidy of £43,000 for 1919.

*Investment of the Fund.*—During the year the Board, with the consent of the Government, came to a very satisfactory arrangement with the Public Trustee for investment of the fund. On the 1st July, 1918, an allocation was made *pro rata* from the Public Trust Common Fund investments to the total amount of the Superannuation Fund on that date. The Superannuation Fund receives the interest on the investments so allocated, instead of the flat rate of interest payable on moneys in the Common Fund of the Public Trust Office. All moneys belonging to the fund now available for investment are invested at current rates of interest. The Public Trustee charges 2½ per cent. on the interest collected for his services in connection with the fund. After allowing for this

commission the average rate of interest received on the 31st December last was approximately 5·2 per cent., which compares very favourably with the rate of about 4·67 per cent. previously received by the Board.

The total investments at the different rates of interest on the 31st December, 1918, were : At  $4\frac{1}{2}$  per cent., £59,600; at 5 per cent., £26,161; at  $5\frac{1}{4}$  per cent., £38,460; at  $5\frac{1}{2}$  per cent., £322,200 : total, £446,421. The amount held by the Public Trustee uninvested was £2,003.

*Unclaimed Contributions.*—In last report the comment was made that it was extraordinary that the fund should hold such a large sum as £610 unclaimed by persons who have ceased to be contributors to the fund. Some of this amount has since been claimed, but other amounts added during the year raise the total unclaimed to £1,161.

*Contributors on Active Service.*—Of contributors who have joined the Expeditionary Force, thirty-four were killed in action or died from wounds or sickness in 1918. This brings up the total number of deaths of contributors who have been on active service to ninety-seven.

As previously intimated, the Government has undertaken to pay the contributions of members during the period they are members of the Expeditionary Force. The amount paid in 1918 was £3,833 12s. 8d., making a total during the war of £11,772 10s. 11d.

*Statistics.*—The statements and accounts prescribed by regulations under the Act, together with other additional statements, are attached hereto.

I have, &c.,

J. A. HANAN, Chairman.

---
