|------------------------------------------------------------------------------------|-------|
| MINES STATEMENT .. .. .                                                            | 1-7   |
| Mineral-production .. .. .                                                         | 2     |
| Gold and Silver Mining .. .. .                                                     | 2     |
| Kawarau Falls Dam .. .. .                                                          | 2     |
| Iron-ore .. .. .                                                                   | 3     |
| Tungsten (Scheelite) .. .. .                                                       | 3     |
| Coal-mining .. .. .                                                                | 3     |
| Investigations, New Zealand coals .. .. .                                          | 3     |
| Persons employed in or about Mines and Stone-quarries .. .. .                      | 4     |
| Mining and Quarry Accidents .. .. .                                                | 4     |
| Geological Survey .. .. .                                                          | 4     |
| State Aid to Mining .. .. .                                                        | 5     |
| Government Prospecting-drills .. .. .                                              | 5     |
| Subsidized Prospecting .. .. .                                                     | 5     |
| Roads and Tracks .. .. .                                                           | 5     |
| Schools of Mines .. .. .                                                           | 5     |
| Government Water-races .. .. .                                                     | 5     |
| Miner's Phthisis Act .. .. .                                                       | 5     |
| State Collieries .. .. .                                                           | 6, 7  |
| Working Portions of State Collieries on the Co-operative Principle .. .. .         | 6     |
| Output and Sales .. .. .                                                           | 6     |
| Tree-planting .. .. .                                                              | 7     |
| Items from Balance-sheet .. .. .                                                   | 7     |
| <br>TABLES TO ACCOMPANY MINES STATEMENT .. .. .                                    | 8-11  |
| No. 1. Export of Minerals and Coal-output .. .. .                                  | 8     |
| No. 2. Gold—Quantity and Value exported .. .. .                                    | 9     |
| No. 3. Coal—Output from different Fields .. .. .                                   | 9     |
| No. 4. Coal—Output of different Classes .. .. .                                    | 10    |
| No. 5. Coal and Oil-shale—Annual Production; Coal imported .. .. .                 | 10    |
| No. 6. Coal—Imports .. .. .                                                        | 10    |
| Exports: Bunkers .. .. .                                                           | 11    |
| Exports: Cargo .. .. .                                                             | 11    |
| No. 7. Number of Persons employed in Mining .. .. .                                | 11    |
| <br>APPENDICES TO THE MINES STATEMENT .. .. .                                      | 12-59 |
| Appendix A.—Reports relating to Metalliferous Mines and Stone-quarries .. .. .     | 12-34 |
| Report by Inspecting Engineer .. .. .                                              | 12-19 |
| I. Minerals: Produced .. .. .                                                      | 12    |
| Exported .. .. .                                                                   | 13    |
| II. Persons employed .. .. .                                                       | 13    |
| III. Accidents .. .. .                                                             | 13    |
| IV. Gold-mining: Bullion-production; Dividends declared; Persons employed; .. .. . |       |
| Number of Mines and Dredges .. .. .                                                | 14    |
| (1.) Quartz-mining .. .. .                                                         | 14    |
| (2.) Dredge Mining .. .. .                                                         | 15    |
| (3.) Alluvial Mining .. .. .                                                       | 15    |
| V. Minerals other than Gold .. .. .                                                | 16    |
| Tungsten .. .. .                                                                   | 16    |
| Iron .. .. .                                                                       | 16    |
| Petroleum .. .. .                                                                  | 16    |
| VI. Stone-quarries .. .. .                                                         | 16    |
| Quarrying Operations .. .. .                                                       | 16    |
| Quarry Accidents .. .. .                                                           | 17    |
