* Includes private, press, and Provincial Government messages.

† Includes "delayed" telegrams.

‡ Includes miscellaneous telegraph revenue.

NOTE.—Inland Telegram Tariff: Prior to the 1st September, 1869, inland telegrams were charged for on a mileage basis. From that date a uniform rate was fixed of 2s. 6d. for ten words, and 6d. for each additional five words. From the 1st April, 1870, the minimum charge was reduced to 1s. From the 1st November, 1873, the rate was further reduced to 1s. for ten words, and 1d. for each additional word, address and signature, hitherto charged for, being free up to ten words. From the 1st July, 1877, there was introduced the "urgent" code, at double the ordinary rate. From the 1st July, 1878, a "delayed" system was introduced, the rate being fixed at 6d. for ten words, exclusive of address and signature up to ten words, and 1d. for each additional word. From the 1st February, 1892, the number of words allowed for the minimum charge in each case was increased to twelve, with free address and signature up to six words. From the 15th August, 1892, the ordinary rate was fixed at 1s. for eighteen words, including address and signature. From the 1st June, 1896, the rate was fixed at 6d. for twelve words, including address and signature, and 1d. for each additional word; and "delayed" telegrams were abolished. From the 1st November, 1906, the charge for additional words was reduced to 1d. each. From the 23rd September, 1915, the ordinary rate was increased from 6d. to 8d. for twelve words ("urgent" 1s. 2d.); and on the 1st August, 1920, it was further increased to 1s. for twelve words, and 1d. for each additional word; ("urgent," 2s., and 2d. for each additional word); Sundays and holidays, double rates. From the 1st November, 1920, there was introduced a system of night letter-telegrams, to be delivered by post on the morning following the day of presentation. The rate (since altered) was 1s. 6d. for thirty-six words and 1d. for each additional word. From the 1st February, 1923, the rate for ordinary telegrams was reduced to 9d. for twelve words, the charge for each additional word remaining at 1d. ("urgent" 1s. 6d., and 2d. for each additional word). From the same date the night letter-telegram rate was reduced to 9d. for twenty-seven words and 1d. for each additional three words.
