C. E. CRAWFORD, Accountant. A. Bell, Secretary.

I hereby certify that the Income and Expenditure, Trading, Profit and Loss Accounts, and balance-shee have been duly examined and compared with the relative books and documents submitted for audit, and correctly state the position as disclosed thereby, except that the accounts include charges for rent, interest, furniture, and grants to the Teachers' Superannuation Fund for which the Department possesses no parliamentary appropriation, and that in the opinion of the Audit Office the fees received for maintenance of inmates should be allocated to the various institutions.—J. H. Fowler, Deputy Controller and Auditor-General.
