J. H. O'DONNELL, Controller of Accounts. I hereby certify that the Statement of Receipts and Payments, Revenue Account, and Balance-sheet have been duly examined and compared with the relative books and documents submitted for audit, and correctly state the position as disclosed thereby. The following comment is appended: A full year's administration charge is included in the Revenue Account, whereas the Act authorized the charge from the 11th November, 1927, only. I understand, however, that legislation will be promoted to place the matter in order.—G. F. C. CAMPBELL, Controller and Auditor-
