Ex-enemy Property.—The New Zealand Government are anxious to facilitate a final settlement of this question, but they have felt it necessary to obtain advice on certain aspects from His Majesty's Government in the United Kingdom. A reply is expected at an early date, and the matter will then be finalized with all possible despatch.

* During this year the New Zealand Government has in addition to the subsidy of £20,000 paid the whole cost of the Samoa Military Police, amounting to £27,374, and has also purchased (largely for the benefit of the Territory) and run at a loss up to the present, a vessel for the shipment of bananas.
