The subsidy on expenditure out of the Unemployment Fund is payable in terms subsidies on account of the Unemployment Act passed last year. The Act provides for the payment of of unemployment a subsidy equivalent to £1 for £1 on expenditure out of the fund.

In addition to subsidizing the Unemployment Fund, the Consolidated Fund also provided subsidy to the extent of £116,768 in connection with unemploymentrelief works undertaken by local authorities. This expenditure represents charges incurred prior to the coming into force of the Unemployment Act.

Advances totalling £127,900 were made to the Rural Intermediate Credit Board Rural to provide capital moneys for the purpose of enabling advances to be made to Gredit Board. farmers. These advances to the Board represent the last instalment of the total advance of £400,000 authorized in terms of the Rural Intermediate Credit Act, 1927.
