

In the following tables the various classes of industries contributing to the factory production of the Dominion have been grouped according to general character :—

Table showing for the Years ended 31st March, 1933, 1934, and 1935, Figures relating to the various Industries classified into Four Groups as stated.

Year.	Persons engaged.	Salaries and Wages paid.	Cost of Materials used.	Value of Products.	Value added by Manufacture.	Land, Buildings, Plant, and Machinery.
-------	------------------	--------------------------	-------------------------	--------------------	-----------------------------	--

Group 1.

Group 1 includes meat-freezing; ham and bacon curing; butter, cheese, and condensed milk; sausage-casings; fell-mongering and wool-scouring; boiling-down and manure-making.

	Number.	£	£	£	£	£
1932-33..	11,684	2,634,260	24,440,749	32,094,798	5,625,440	9,158,560
1933-34..	13,285	2,603,547	28,179,195	34,127,214	5,948,019	8,908,253
1934-35..	12,730	2,557,906	31,459,836	37,213,253	5,753,417	8,921,964

Group 2.

Group 2 includes gas making and supply, electricity generation and supply.

	Number.	£	£	£	£	£
1932-33..	4,406	1,003,961	4,316,691	5,950,247	1,633,556	32,197,635
1933-34..	4,561	1,026,161	4,079,104	5,862,564	1,783,460	31,745,616
1934-35..	4,637	1,058,884	4,170,349	6,004,384	1,834,035	34,214,699

Group 3.

Group 3 includes fish curing and preserving; log-sawmilling; lime crushing and burning, &c.; brick, tile, and pottery making; concrete block or pipe and fibrous-plaster making; pumice-insulation; flax-milling.

	Number.	£	£	£	£	£
1932-33..	6,501	1,099,682	871,247	2,956,421	2,085,174	3,892,480
1933-34..	7,148	1,187,510	998,907	3,445,324	2,446,417	3,651,266
1934-35..	8,523	1,477,768	1,147,420	4,225,557	3,078,137	3,649,326

Group 4.

Group 4 includes all other industries.

	Number.	£	£	£	£	£
1932-33..	46,330	7,310,245	12,971,803	27,136,598	14,164,795	20,606,772
1933-34..	47,657	7,289,282	13,661,987	28,335,770	14,673,783	20,085,269
1934-35..	53,468	8,149,815	15,307,136	31,881,279	16,574,143	20,482,461

Table showing for the Years ended 31st March, 1933, 1934, and 1935, Figures relating to the various Industries classified into Four Groups as stated—continued.

Group Number.	Persons engaged.	Salaries and Wages paid.	Cost of Materials used.	Value of Products.	Value added by Manufacture.	Land, Buildings, Plant, and Machinery.
